Recommendation:
Adopt the Ordinance.

Background:
East 11th Street between Prospect Terrace and Judson Street is only about 22 feet wide. Travel is very difficult when vehicles are parked on both sides of the street. The neighborhood would like the parking removed from the south side of the street.

First Consideration: Ordinance for Case REZ23-03 being the request of 53rd Luxury, LLC on behalf of Ed Speer Construction, Inc and Sheila M Speer Living Trust to rezone approximately 16 acres of land generally located southeast of 53rd Street and Spring Street (Speer Commercial Park 1st and 2nd Addition) from C-2 Corridor Commercial District and R-MF Multi-Family Residential District to C-3 General Commercial District. [Ward 8]

Recommendation:
Hold the Hearing.

Background:
The subject property consists of approximately 16 acres of undeveloped land generally located southeast of 53rd Street and Spring Street. The site is adjacent to the Smart Luxury Motors dealership to the west, Hanlin's Creek to the east, and residential neighborhoods to the south.

The applicant, 53rd Luxury LLC, currently operates the Audi, Volkswagen, and Mercedes dealership at the corner of Eastern Avenue and 53rd Street. If a rezoning were approved, the site will be developed for approximately three vehicle dealerships, including Lexus, Hyundai, and Kia. Four buildings are proposed, one for each dealership brand in addition to an office building. The intent is to create a centralized location of car dealerships within Davenport.

This project is related to Case ROW23-04, being the right-of-way vacation of Spring Street, south of 53rd Street. Vacating this section of right-of-way will better facilitate the development of the site. A concept plan has been submitted by the applicant for review.

The Plan and Zoning Commission reviewed Case REZ23-03 at its September 5, 2023 meeting and have recommended approval subject to the listed findings and conditions. The vote has unanimous.

Findings:

1. The zoning map amendment is consistent with the Davenport +2035 Land Use Plan, which identifies the property as Commercial Corridor and Residential General.
2. The proposed zoning map amendment to C-3 General Commercial District is compatible with the zoning and uses of nearby developed property.
3. With the proposed conditions recommended by staff, the zoning map amendment will enable the area to be developed in a manner consistent with the surrounding area.
4. With conditions requiring transportation improvements, the proposed zoning map amendment will promote the public health, safety, and welfare of the City.
5. The proposed amendment will not create any nonconformities with future development.

Conditions:

1. A traffic study shall be required prior to approval of any development. Any traffic safety measures installed as a result of the development of the subject property shall be installed at

the developer's expense.
2. A buffer yard shall be established commensurate with the depth of the established buffer yard to the west of the subject property along the north property line of the Stone Gate development.
3. Any non-residential use development south of the northern boundary of the Stone Gate development extended, a fifty-foot buffer yard shall be established as required by code. Any multi-family development shall provide buffer yards as required by code.
4. The buffer yard shall be landscaped with a density commensurate to the established buffer yard to the west of the subject property. If the minimum landscaping required by code is installed, a certificate of occupancy may be granted via performance bond for the remaining landscaping which must be installed within the next growing season.
5. Lighting shall consist of LED Dark Sky compliant fixtures not higher than thirty-five feet. The level of lighting shall be reduced to a level necessary to provide security lighting only within one half-hour after of the close of business.
6. Routine use of PA systems or similar devices outside of buildings on the property shall not be permitted.
7. Car washes on the property shall not be located closer than one-hundred twenty-five feet from residential districts, and operate only when the dealership is open for business.
8. Billboards shall be prohibited.
9. In addition to ancillary Auto Dealer uses granted in the C-3 district by Special Use, only C-3 uses which are allowed in the C-T Commercial Transitional Zoning District are permitted south of the northern boundary of the Stone Gate development extended.

Public Input:

Letters were sent to property owners within 200 feet of the proposed request notifying them of the August 7, 2023 neighborhood meeting and August 15, 2023 Plan and Zoning Commission Public Hearing. In addition, a sign was posted on the property notifying the public of the pending application.

The neighborhood meeting was held at Eastern Avenue Library on August 7th at 5:30pm. There were approximately twelve members of the public in attendance. Topics of conversation and concerns raised by abutting homeowners included development of the site for multiple car dealerships, site layout, traffic, access points, site lighting, landscaping, buffering adjacent homes, stormwater management, and potential development of the southern portion of the property.

The Public Hearing was held on August 15, 2023, where neighbors voiced generally similar concerns as those voiced at the neighborhood meeting.

Approval Standards for Map Amendments (Chapter 17.14.040)

The Plan and Zoning Commission recommendation and the City Council decision on any zoning text or map amendment is a matter of legislative discretion that is not controlled by any particular standard. However, in making their recommendation and decision, the Plan and Zoning Commission and the City Council must consider the following standards. The approval of amendments is based on a balancing of these standards.

The attached staff report from the September 5, 2023 Plan and Zoning Commission meeting includes further review of the the rezoning request and approval standards.

Case REZ23-03: Request of 53rd Luxury, LLC on behalf of Ed Speer Construction, Inc. and Sheila M Speer Living Trust to rezone approximately 16 acres of land generally located southeast of 53rd Street and Spring Street (Speer Commercial Park 1st and 2nd Addition) from C-2 Corridor Commercial District and R-MF Multi-Family Residential District to C-3 General Commercial District. [Ward 8]

Background:
The subject property consists of approximately 16 acres of undeveloped land generally located southeast of 53rd Street and Spring Street. The site is adjacent to the Smart Luxury Motors dealership to the west, Hanlin's Creek to the east, and residential neighborhoods to the south.

The applicant, 53rd Luxury LLC, currently operate the Audi, Volkswagen, and Mercedes dealership at the corner of Eastern Avenue and 53rd Street. If a rezoning were approved, the site will be developed for approximately three vehicle dealerships, including Lexus, Hyundai, and Kia. Four buildings are proposed, one for each dealership brand in addition to an office building. The intent is to create a centralized location of car dealerships within Davenport.

This project is related to Case ROW23-04, being the right-of-way vacation of Spring Street, south of 53rd Street. Vacating this section of right-of-way will better facilitate the development of the site. A concept plan has been submitted by the applicant for review.

Why is a Zoning Map Amendment Required?
The subject property is currently split zoned between C-2 Corridor Commercial District and R-MF Multi-Family Residential District. The applicant is petitioning a rezoning to C-3 General Commercial District for the purpose of developing the site for one or more vehicle dealerships. The principal use 'Vehicle Dealership-With Outdoor Storage/Display' is a special use in the C-3 District. If the rezoning request is approved, the applicant will need to apply for a Special Use Permit, which is reviewed and approved by the Zoning Board of Adjustment.

Comprehensive Plan:
Within Existing Urban Service Area: Yes
Within Urban Service Area 2035: Yes

Future Land Use Designation:

1. **Commercial Corridor (CC)** – Well-established corridors located along high-volume major streets dominated by retail and office uses that serve the greater community. Development is generally newer and redevelopment is not anticipated within the 20 year planning horizon. Improvements should focus on façade and site improvements, including pedestrian circulation systems and consolidated/updated signage. (Approximately 5.5 acres)
2. **Residential General (RG)** - Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land

use mix and density, with the exception along edges and transition areas, where higher intensity may be considered. (Approximately 10.5 acres)

Zoning:
The subject property is currently split zoned between the following zoning districts:

1. **C-2 Corridor Commercial District** (Approximately 5.5 acres): This district is intended to address the commercial corridors that are primarily oriented toward a mix of retail, personal service, and office uses along arterial streets and collector streets adjacent to arterials streets in the City. The C-2 District accommodates auto-oriented development – both individual businesses and retail centers – and mixed-use development, with the intent of improving the pedestrian environment along Davenport's commercial corridors.
2. **R-MF Multi-Family Residential District** (Approximately 10.5 acres): This district is intended to accommodate a high-density neighborhood environment characterized by a mixture of housing types including single-family dwellings, semi-detached dwellings, two-family dwellings, townhomes and multi-family dwellings. Limited non-residential uses that are compatible with the surrounding residential neighborhoods may be permitted in the R-MF District.

This district is intended to accommodate higher-intensity commercial development within the City of Davenport that serves both local and regional markets. The C-3 District addresses medium- and large-scale development that may generate considerable traffic and typically requires significant off-street parking. Higher density residential uses are also allowed to facilitate a mixed-use orientation where appropriate.

Technical Review:
City Departments reviewed the proposed Zoning Map Amendment Application for compliance with city ordinances and impacts to regional systems.

Public Input:
Letters were sent to property owners within 200 feet of the proposed request notifying them of the August 7, 2023 neighborhood meeting and August 15, 2023 Plan and Zoning Commission Public Hearing. In addition, a sign was posted on the property notifying the public of the pending application.

The neighborhood meeting was held at Eastern Avenue Library on August 7th at 5:30pm. There were approximately twelve members of the public in attendance. Topics of conversation and concerns raised by abutting homeowners included development of the site for multiple car dealerships, site layout, traffic, access points, site lighting, landscaping, buffering adjacent homes, stormwater management, and potential development of the southern portion of the property.

The Public Hearing was held on August 15, 2023, where neighbors voiced generally similar concerns as those voiced at the neighborhood meeting.

Approval Standards for Map Amendments (Chapter 17.14.040)
The Plan and Zoning Commission recommendation and the City Council decision on any zoning text or map amendment is a matter of legislative discretion that is not controlled by any particular standard. However, in making their recommendation and decision, the Plan and Zoning Commission and the City

Council must consider the following standards. The approval of amendments is based on a balancing of these standards.

a. The consistency of the proposed amendment with the Comprehensive Plan and any adopted land use policies.

Staff Response: The property is designated as both Commercial Corridor and Residential General (RG) in the Davenport +2035 Land Use Plan. Residential General allows for neighborhood compatible uses, such as the proposed use.

It is staff's opinion the proposed amendment is consistent with the Comprehensive Plan and adopted land use policies. An amendment to the Comprehensive Plan is not required with this petition.

b. The compatibility with the zoning of nearby property.

Staff Response: The property to the west is also zoned C-3. Properties to the east are zoned C-T. As conditioned, the land south of the proposed dealership location will be more similar to the C-T zoning district and provide a transition area from the residential to the south of the subject property. As conditioned, the additional buffer yard provides further separation between residential zoning districts and higher intensity commercial uses.

It is staff's opinion the proposed zoning amendment is compatible with the established zoning of nearby property.

c. The compatibility with established neighborhood character.

Staff Response: The subject property is located on a high traffic corridor generally surrounded by commercial and medical/office uses, with multiple-family and single-family zoning and uses adjacent to the southern portion of the property.

It is staff's opinion the proposed zoning amendment is compatible with the established neighborhood character.

d. The extent to which the proposed amendment promotes the public health, safety, and welfare of the City.

Staff Response: The proposed zoning map amendment will allow for similar uses as those already existing in the neighborhood. Police, Fire, and emergency crews will be able to adequately service the subject property should the proposed zoning change be granted. Public health and safety shall be not be impacted.

Traffic:
The most recent IA DOT traffic counts for this section of E 53rd Street 27,500 vehicles per day. Due to the ongoing 53rd Street expansion project there are not recent traffic counts.

Crash data can sometimes indicate if there is a problem not clear from data or from observations. At 53rd Street and Spring Street, there were 13 reported crashes in the last 5 years. Approximately 1

crash per year was an angle-type crash that might be eliminated with a traffic signal. There was also approximately 1 crash per year that was a rear-end type of crash. These types of crashes are expected to increase with a traffic signal. The crash data does not indicate any type of on-going problems.

By requiring a traffic study, city staff will have the information needed to determine what level of traffic safety measures are required in order to balance the needs for the development and traffic flow on 53rd Street. The following information has been provided by Engineering:
1. There will be left turn lanes in both directions on 53rd Street at Spring Street as part of the ongoing 53rd Street expansion project.
2. No right turn lanes are shown in the 53rd Street project plans. While a car dealership is unlikely to generate enough traffic to warrant a right turn lane, if the developer is installing the turn lane at their expense, the city would not object to its construction.
3. While there are benefits to traffic signals, a traffic signal causes delays, increases emissions, and increases rear-end crashes. If the traffic study determines a traffic signal is not warranted, Engineering Staff is not supportive of a traffic signal installation/ If a traffic signal is warranted as a result of this development, the developer would be required to install the signal at their expense.

Stormwater: Stormwater for this development will be addressed by utilizing the regional detention basin within the subject property and stormwater detention and water quality will be part of the site plan and civil review of the development. In addition, as part of the 53rd Street expansion project currently underway, stormwater detention was installed under 53rd Street to address stormwater collected by 53rd Street that is eventually released into Hanlin's Creek.

e. The suitability of the property for the purposes for which it is presently zoned, i.e. the feasibility of developing the property in question for one or more of the uses permitted under the existing zoning classification.

Staff Response:
The land along 53rd Street is a heavily used arterial corridor. As such, higher end uses, such as those allowed by the C-3 district should be permitted for orderly development and consistency with development needs.

It is staff's opinion that the proposed zoning map amendment will enable the area to be developed in a manner consistent with Davenport's neighborhoods and commercial corridors.

f. The extent to which the proposed amendment creates nonconformities.

Staff Response: The proposed rezoning will not create any nonconformities.

Dimensional standards, such as lot area, lot width, setbacks, building coverage, and impervious surface will be addressed during the site plan/development process.

It is staff’s opinion that the proposed amendment will not create any nonconformities as the property is developed.

Staff Recommendation:
Staff recommends Case REZ23-03 be forwarded to the City Council with a recommendation for approval subject to the listed findings and conditions.

Findings:

1. The zoning map amendment is consistent with the Davenport +2035 Land Use Plan, which identifies the property as Commercial Corridor and Residential General.
2. The proposed zoning map amendment to C-3 General Commercial District is compatible with the zoning and uses of nearby developed property.
3. With the proposed conditions recommended by staff, the zoning map amendment will enable the area to be developed in a manner consistent with the surrounding area.
4. With conditions requiring transportation improvements, the proposed zoning map amendment will promote the public health, safety, and welfare of the City.
5. The proposed amendment will not create any nonconformities with future development.

Conditions:

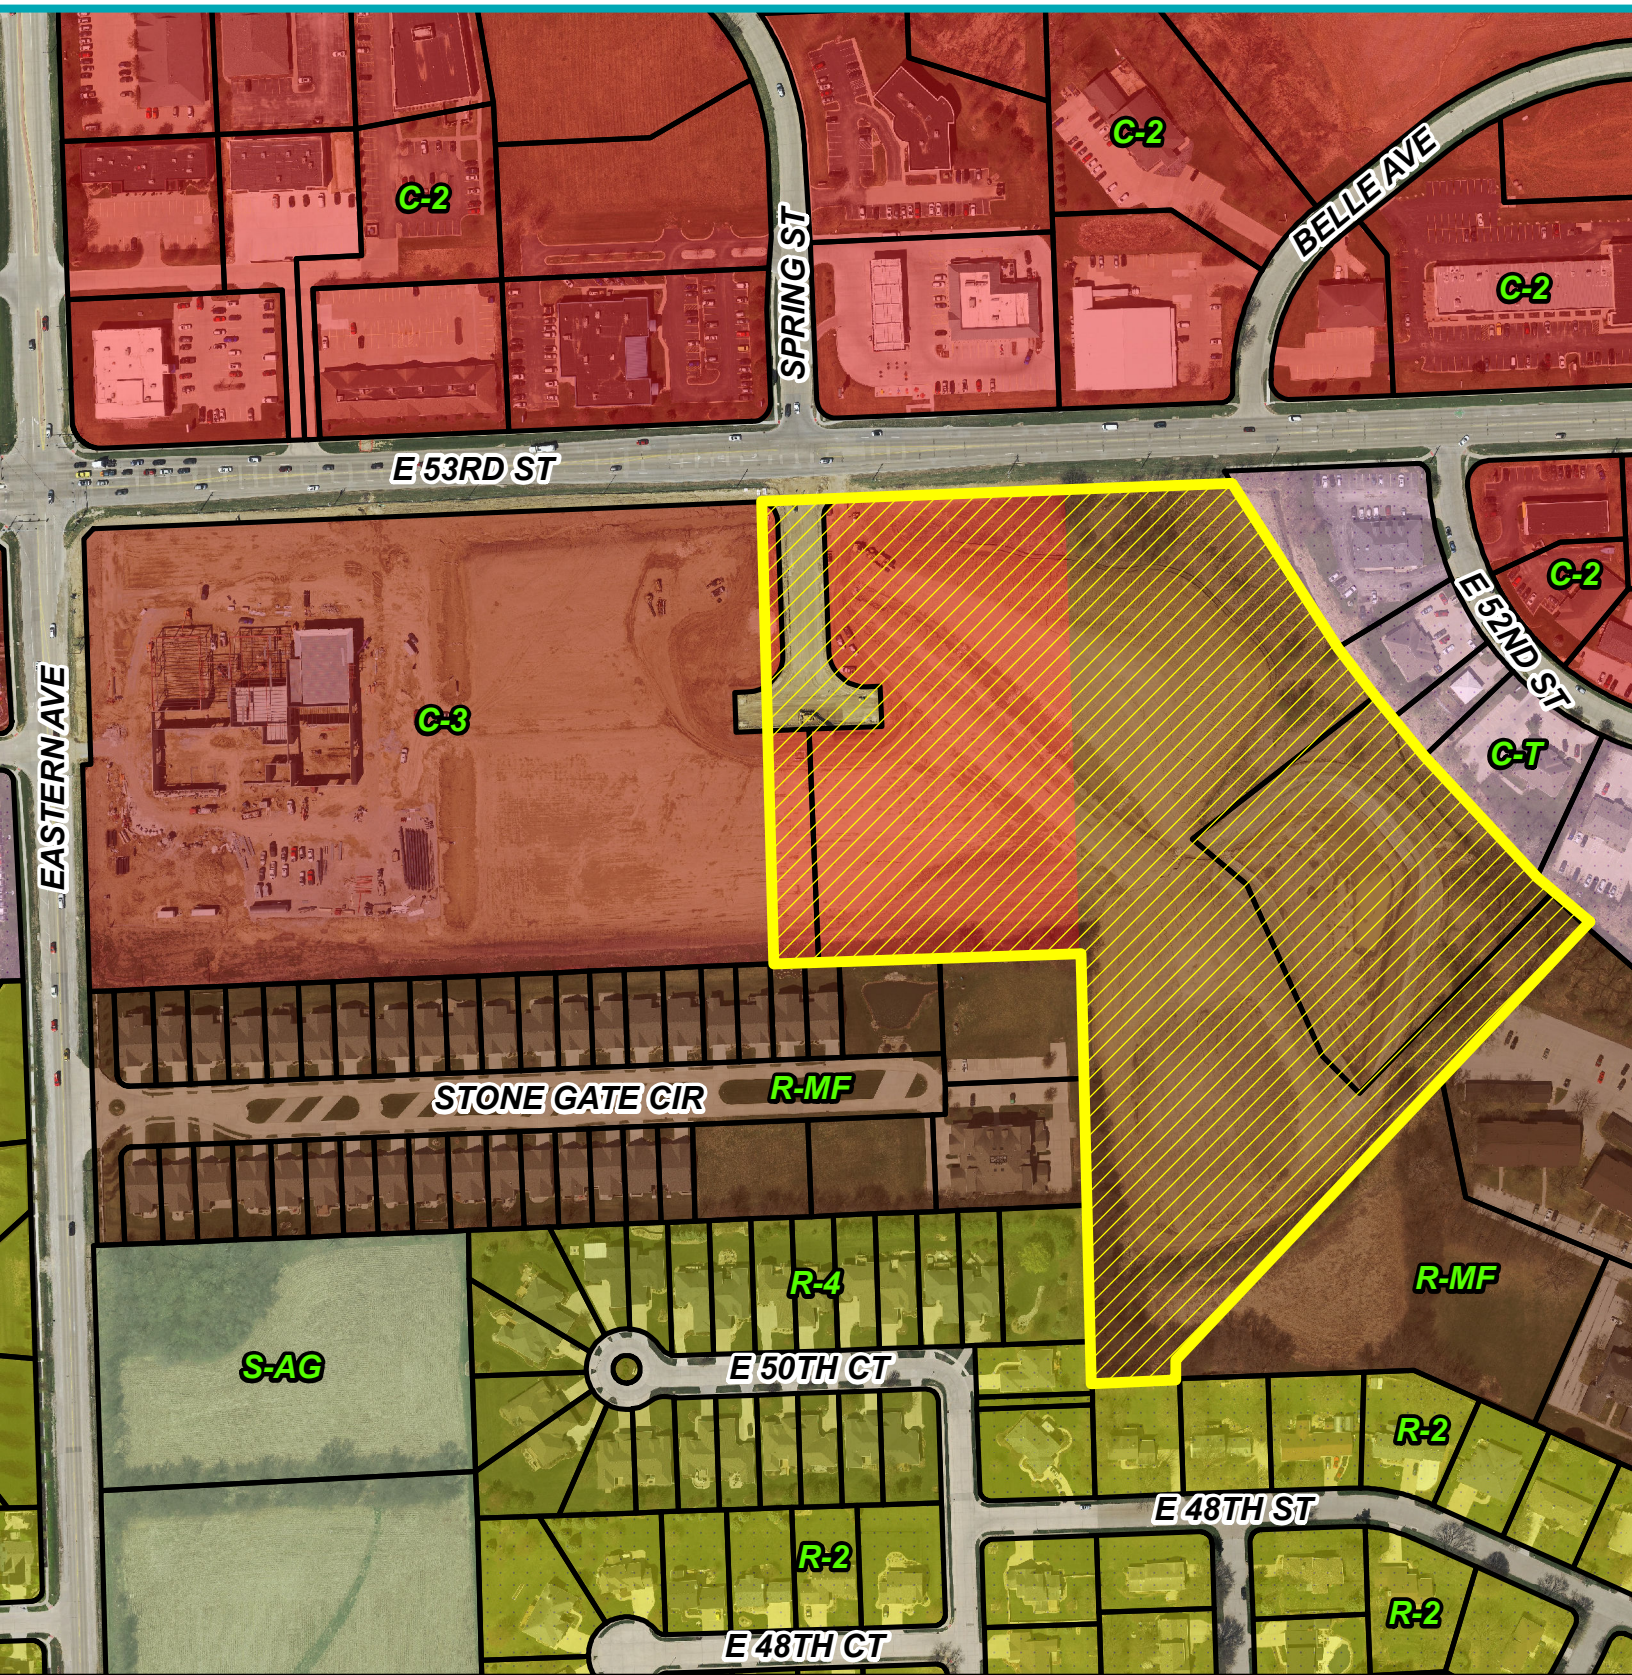

1. A traffic study shall be required prior to approval of any development. Any traffic safety measures installed as a result of the development of the subject property shall be installed at the developer's expense.
2. A buffer yard shall be established commensurate with the depth of the established buffer yard to the west of the subject property along the north property line of the Stone Gate development.
3. Any non-residential use development south of the northern boundary of the Stone Gate development extended, a fifty-foot buffer yard shall be established as required by code. Any multi-family development shall provide buffer yards as required by code.
4. The buffer yard shall be landscaped with a density commensurate to the established buffer yard to the west of the subject property. If the minimum landscaping required by code is installed, a certificate of occupancy may be granted via performance bond for the remaining landscaping which must be installed within the next growing season.
5. Lighting shall consist of LED Dark Sky compliant fixtures not higher than thirty-five feet. The level of lighting shall be reduced to a level necessary to provide security lighting only within one half-hour after of the close of business.
6. Routine use of PA systems or similar devices outside of buildings on the property shall not be permitted.
7. Car washes on the property shall not be located closer than one-hundred twenty-five feet from residential districts, and operate only when the dealership is open for business.
8. Billboards shall be prohibited.
9. In addition to ancillary Auto Dealer uses granted in the C-3 district by Special Use, only C-3 uses which are allowed in the C-T Commercial Transitional Zoning District are permitted south of the northern boundary of the Stone Gate development extended.

Rezoning Request

Case REZ23-03: Request of 53rd Luxury, LLC on behalf of Ed Speer Construction, Inc. and Sheila M Speer Living Trust to rezone approximately 16 acres of land generally located southeast of 53rd Street and Spring Street (Speer Commercial Park 1st and 2nd Addition) from C-2 Corridor Commercial District and R-MF Multi-Family Residential District to C-3 General Commercial District. PUBLIC HEARING NOTICE | PLAN AND ZONING COMMISSION

To: All property owners within 200 feet of the subject property generally located southeast of 53rd Street and Spring Street.

Neighborhood Meeting
Date: 8/7/2023 Time: 5:30 PM Location: Eastern Avenue Library | 6000 Eastern Avenue

Plan & Zoning Commission Public Hearing Meeting
Date: 8/15/202 Time: 5:00 PM Location: Council Chambers | City Hall | 226 West 4th Street

What is this About?
This notice is being sent to inform you that a neighborhood meeting and a public hearing will be held for a Rezoning Request. The subject property is currently zoned C-2 Corridor Commercial District and R-MF Multi-Family Residential District. The property owner is requesting a rezoning to C-3 General Commercial District to develop the site for one or more motor vehicle dealerships, including outdoor storage.

Request/Case Description
Case REZ23-03: Request of 53rd Luxury, LLC on behalf of Ed Speer Construction, Inc. and Sheila M Speer Living Trust to rezone approximately 16 acres of land generally located southeast of 53rd Street and Spring Street (Speer Commercial Park 1st and 2nd Addition) from C-2 Corridor Commercial District and R-MF Multi-Family Residential District to C-3 General Commercial District. [Ward 8]

What are the Next Steps after the Neighborhood Meeting and Public Hearing?
The Plan and Zoning Commission will hold a formal public hearing at their meeting on August 15, 2023. The Plan and Zoning Commission will vote (provide a recommendation) to the City Council at their meeting on September 5, 2023. The Commission's recommendation will be forwarded to the City Council, which will then hold its own public hearing. You will receive a notice of the City Council's public hearing. For the specific dates and times of subsequent meetings, please contact the case planner below.

Would You Like to Submit an Official Comment?
As a neighboring property owner, you may have an interest in commenting on the proposed request via email or in person at the public hearing. Send written comments to planning@davenportiowa.com (no later than 12:00 PM *one day before* the public hearing) or to: Planning, 1200 E 46th St, Davenport IA 52807.

All documents related to the meeting (agenda included) are at "Search Minutes & Agendas": www.cityofdavenportiowa.com/boards Mondays before the meeting/public hearing.

Do You Have Any Questions?
If you have any questions or if accommodations are needed for any reason, please contact the planner assigned to this project (Scott Koops) at scott.koops@davenportiowa.com or 563-328-6701. Interpretive services are available at no charge. Servicios interpretativos libres estan disponibles. TTY: (563) 326-6145

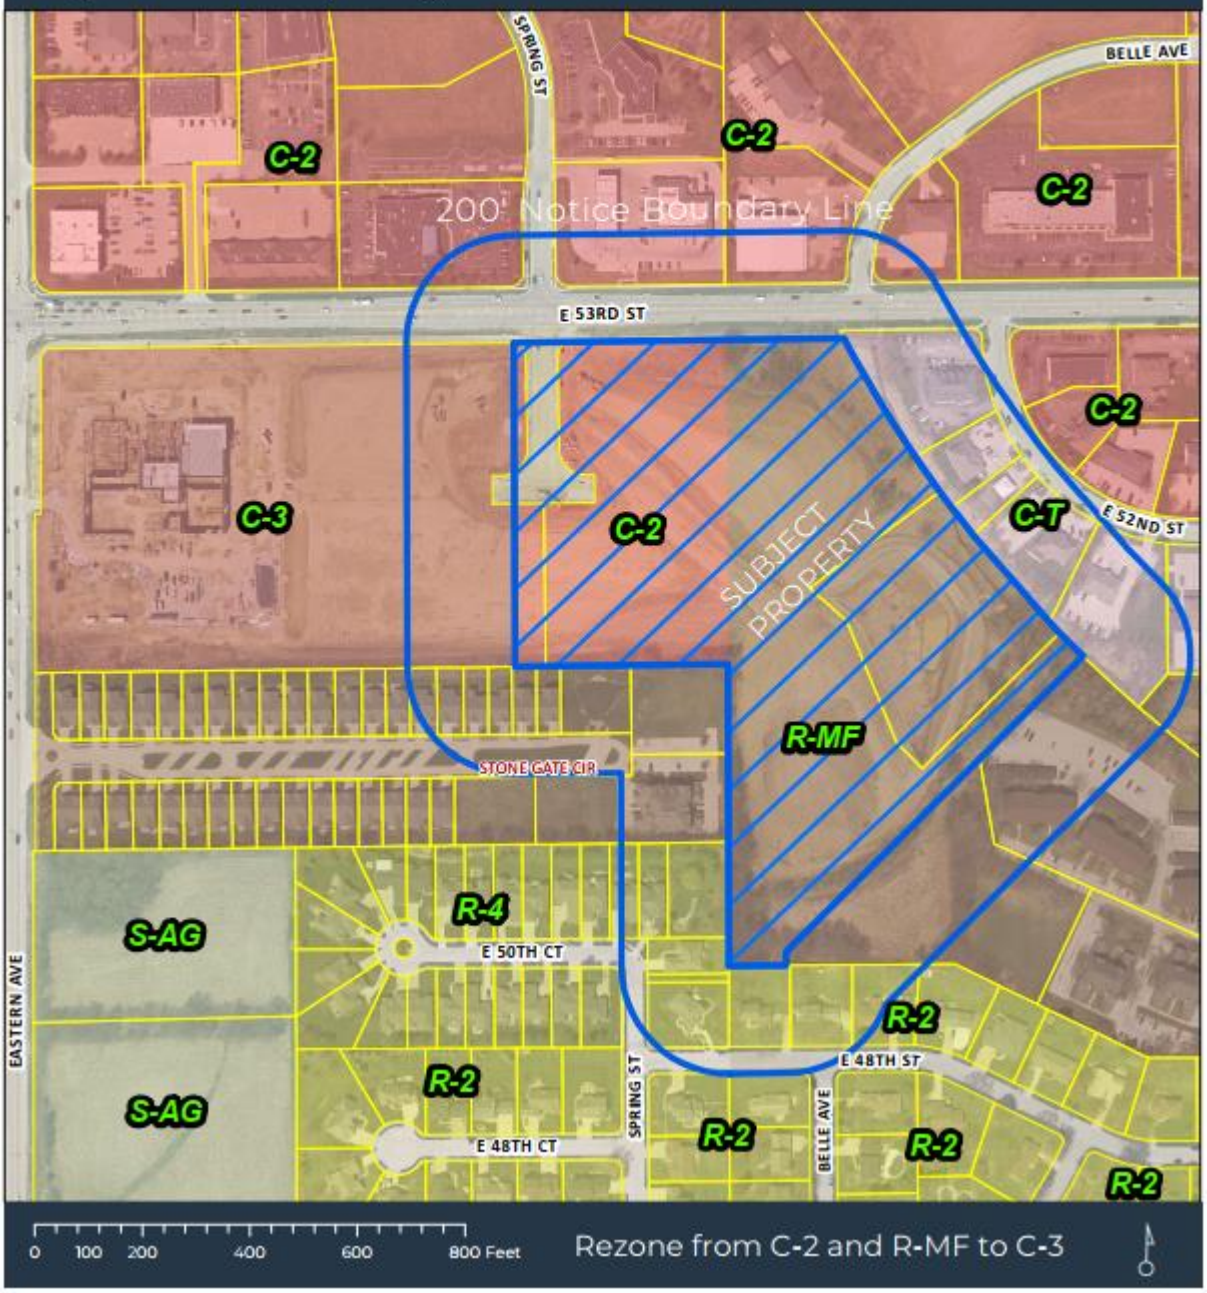

Please note items may be removed or tabled to a future hearing date at the request of the Applicant or Commission/Board. Those interested in verifying case actions and/or tablings, please contact Planning at 563-326-6198 or planning@davenportiowa.com for updates.

MINUTES OF NEIGHBORHOOD MEETING

Case No: REZ23-03; ROW23-04
Date: Monday, August 7, 2023
Time: 5:30 PM
Location: Eastern Avenue Library, 6000 Eastern Avenue, Davenport, Iowa

John Hofmeyer, IV opened the meeting and identified the city personnel present: Judith Lee, 8th Ward Alderwoman; Kyle Gripp, At-Large Alderman; JJ Condon, At-Large Alderman, and Inghram, Planning and Zoning Commission Chair. Werderitch, Koops, and Berley from the city were also present at the meeting.

Developer gave its presentation as follows:

> Michael Leep, Jr., President of applicant/developer, provided information and background on the applicant/developer.
>
> Chip Walker, architect for applicant/developer, made a presentation regarding the preliminary design proposal for the development including three motor vehicle dealerships and supporting buildings.
>
> Eric Cannon, engineer for applicant/developer, made a presentation regarding steps taken to address stormwater runoff and environmental considerations at the site.

The floor was open for questioning and a general discussion was had. Multiple attendees asked questions regarding the following general topics:

1. Why applicant/developer was rezoning the whole parcel for C-3 zoning if only using the northern portion. Applicant/developer advised that there are no current plans to develop the southern portion of the parcel.

2. Whether C-3 zoning would allow development of the southern portion of the parcel for multi-family apartments if rezoned to C-3. City staff advised that multi-family apartments are a permitted use in the C-3 zoning.

3. Stormwater runoff to the east. Applicant/developer advised that all stormwater runoff would be handled through a comprehensive stormwater retention and mitigation system utilizing the existing reservoir and that decisions would be made after detailed analysis to determine the best course of action. Applicant/developer advised further that the site would not utilize “sheet” drainage and would instead utilize inlet (drains) that would take stormwater to the reservoir.

4. An attendee asked about drainage from the Stone Gate Cir. development to the SW, across the property to the reservoir. Another attendee identified that there was a culvert that takes water across between the two reservoirs. Applicant/developer did not provide an opinion on this.

5. A question was presented regarding lighting of the site and spillage. Applicant/developer discussed dark-sky initiatives and the technology that allows new lighting systems to mitigate, if not prevent, light pollution and spillage beyond the property boundaries.

When there were no further questions, John Hofmeyer, IV closed the meeting. City staff took a list of the neighborhood attendees.

Subject:
First Consideration: Ordinance for Case ROW23-04 being the request of 53rd Luxury, LLC to vacate approximately 25,900 square feet of improved Spring Street right-of-way located south of East 53rd Street. [Ward 8]

Recommendation:
Hold the Hearing.

Background:
The petitioner has requested a vacation for the portion of Spring Street located south of 53rd Street. The area to be vacated is approximately 25,900 square feet (.59 acres). The purpose of the vacation is to better facilitate development of the abutting property for one or more vehicle dealerships. This project is closely related to Case REZ23-03, being the rezoning of abutting property to C-3 General Commercial District. The Plan and Zoning Commission reviewed Case ROW23-03 at its September 5, 2023 meeting and have recommended approval, subject to the following findings and condition. The vote was unanimous.

Findings:

1. The existing public right-of-way is not required for City purposes.
2. A utility easement would preserve the rights for utility providers to maintain existing and future infrastructure.

Condition:

1. All existing utilities located in the right-of-way which are subject to vacation shall be granted a blanket utility and access easement for the maintenance of such utilities.

Comprehensive Plan:

Within Existing Urban Service Area: Yes
Within Urban Service Area 2035: Yes

Future Land Use Designation:

The abutting property is currently designated as Commercial Corridor in the Davenport +2035 Future Land Use Map. Commercial Corridor (CC)

Abutting Zoning:

The abutting property is currently zoned C-2 Corridor Commercial District to the east and C-3 General Commercial District to the west of the subject right-of-way.

Technical Review:

The following technical review comments were received from City Departments and utility companies:

- Streets: If vacated, the street will be converted into a private driveway for a shared business access from 53rd Street.
- Natural Resources/Storm Water: No issues with the proposed vacation. Stormwater sewer is located within the ROW. A blanket utility and access easement is necessary until any infrastructure is relocated with the proposed development.
- Sanitary Sewer: There is no sewer infrastructure within the subject right-of-way. Future development is anticipated to connect to the existing sanitary sewer main on East 53rd Street.
- Other Utilities: No comments were received.

Public Input:

Letters were sent to property owners within 200 feet of the proposed request notifying them of the August 7, 2023 neighborhood meeting and August 15, 2023 Plan and Zoning Commission Public Hearing.

The neighborhood meeting was held at Eastern Avenue Library on August 7th at 5:30pm. The purpose of the neighborhood meeting was to discuss both the right-of-way vacation and rezoning of abutting property. There were approximately twelve members of the public in attendance. No comments specific to the vacation request were received.

The vacation of public right-of-way is a two step process:

1. Determine if the right-of-way is needed for public purposes.
2. Negotiate and determine terms of conveyance to adjacent property owners.

Public Hearing Notice | Plan and Zoning Commission

Date: 8/15/2023
Time: 5 PM

Location: Council Chambers | City Hall | 226 W. 4th ST.
Subject: Public Hearing for a Right-Of-Way Vacation

To: All property owners within 200 feet of the Spring Street right-of-way located south of 53rd Street.

What is this About?
This notice is being sent to inform you that a public hearing will be held for a request to vacate alley right-of-way. The purpose of the vacation request is to facilitate development.

Request/Case Description
Case ROW23-04: Request of 53rd Luxury, LLC to vacate the unimproved Spring Street right-of-way located south of East 53rd Street. [Ward 8]

What are the Next Steps after the Public Hearing?
The Plan and Zoning Commission will hold a formal public hearing at their meeting on August 15, 2023. The Plan and Zoning Commission will vote (provide a recommendation) to the City Council at their meeting on September 5, 2023. The Commission's recommendation will be forwarded to the City Council which will then hold its own public hearing. You will receive a notice of the City Council's public hearing. The City Council will ultimately decide if the property is no longer needed for City purposes, and is eligible for vacation. At that point, the City Attorney's office will negotiate with adjacent property owners to determine the appropriate way to convey the property, and possibly, purchase price. For the specific dates and times of subsequent meetings, please contact the case planner below.

Would You Like to Submit an Official Comment?
As a neighboring property owner you may have an interest in commenting on the proposed request via email or in person at the public hearing. Send written comments to planning@davenportiowa.com (no later than 12:00 PM one day before the public hearing) or to: Planning, 1200 E 46th St, Davenport IA 52807.

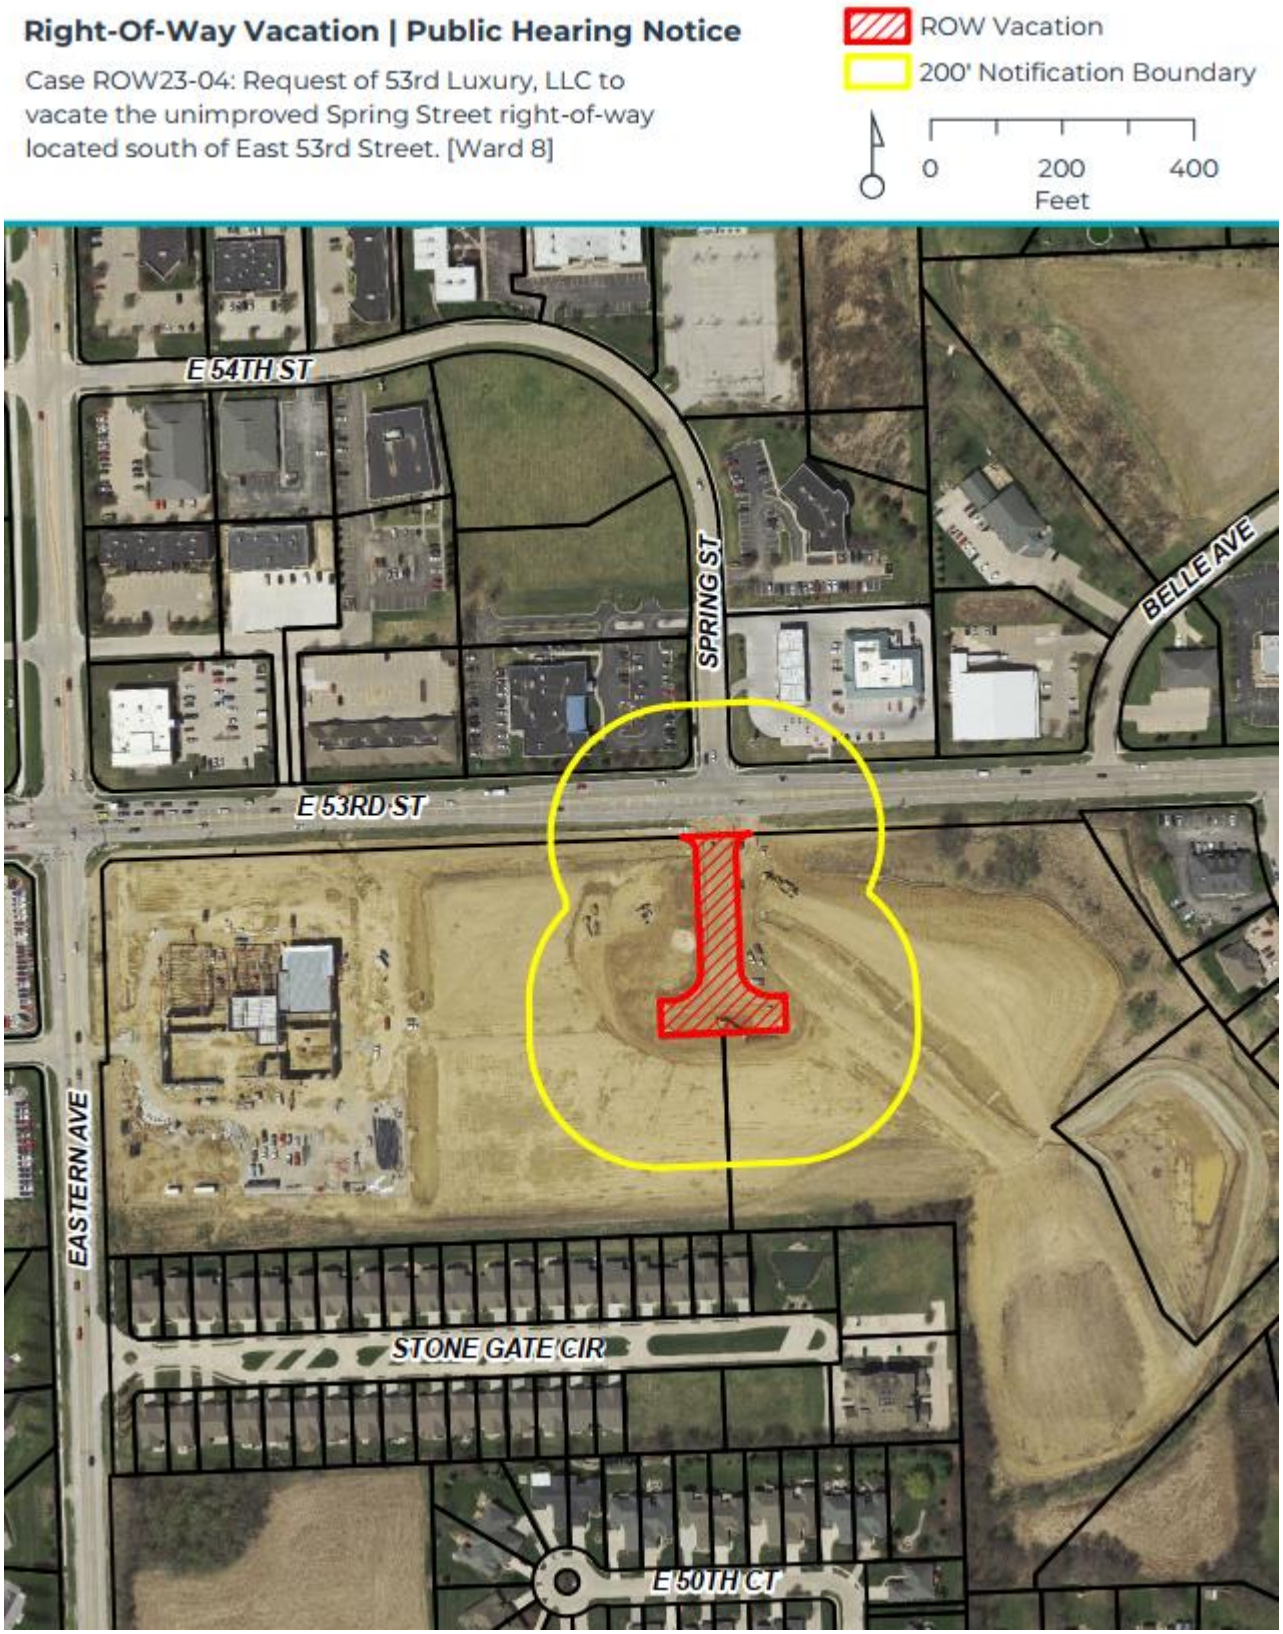

All documents related to the meeting (agenda included) are at "Search Minutes & Agendas": http://www.cityofdavenportiowa.com/boards Mondays before the meeting/public hearing.

Do You Have Any Questions?
If you have any questions or if accommodations are needed for any reason, please contact the planner assigned to this project (Laura Berkley) at laura.berkley@davenportiowa.com or 563-888-3553. Interpretive services are available at no charge. Servicios interpretativos libres estan disponibles. TTY: (563) 326-6145

Please note items may be removed or tabled to a future hearing date at the request of the Applicant or Commission/Board. Those interested verifying case actions and/or tablings, please contact Planning at 563-326-6198 or planning@davenportiowa.com for updates.

First Consideration: Ordinance amending Schedule VII No Parking of Chapter 10.96 entitled "Schedules" of the Municipal Code of Davenport, Iowa by adding Jefferson Avenue along the west side from East 38th Street north to the dead end thereto. [Ward 7]

Recommendation:
Adopt the Ordinance.

Background:
This section of Jefferson Avenue is between 20 feet to 24 feet wide. Travel is difficult when vehicles are parked on both sides of the street. When there are events at the Davenport Community School District property south of Jefferson Avenue, vehicles are often parked on both sides. The No Parking zone will be 340 feet long.

First Consideration: Ordinance amending Schedule XI Resident Parking of Chapter 10.96 entitled “Schedules” of the Municipal Code of Davenport, Iowa by adding Scott Street along the west side from Rusholme Street to Lombard Street and along the east side from Rusholme Street south 355 feet thereto. [Ward 4]

Recommendation:
Adopt the Ordinance.

Background:
Due to the proximity to St. Ambrose University, the west side of the 2200 block of Scott Street and 2231 and 2227 on the east side of Scott Street already have resident parking only. This Ordinance will add the rest of the residences on the east side of the street, except for 2203 Scott Street on the end. All the residents that currently do not have resident parking only were contacted and asked if they were in favor of, or opposed to, resident parking only. There was no response from residents at 2211 and 2203 Scott Street. The rest of the residents were in favor of resident parking only. The zone will be increased by 240 feet and this new Ordinance will replace the existing one.

Central Homecoming Parade

The Homecoming Parade and Route are set!
In an effort to make the route as safe as possible for our students, we encourage anyone with a residence on our parade route to move any vehicles off of the street on **Thursday, October 12th between 6 - 7pm**.

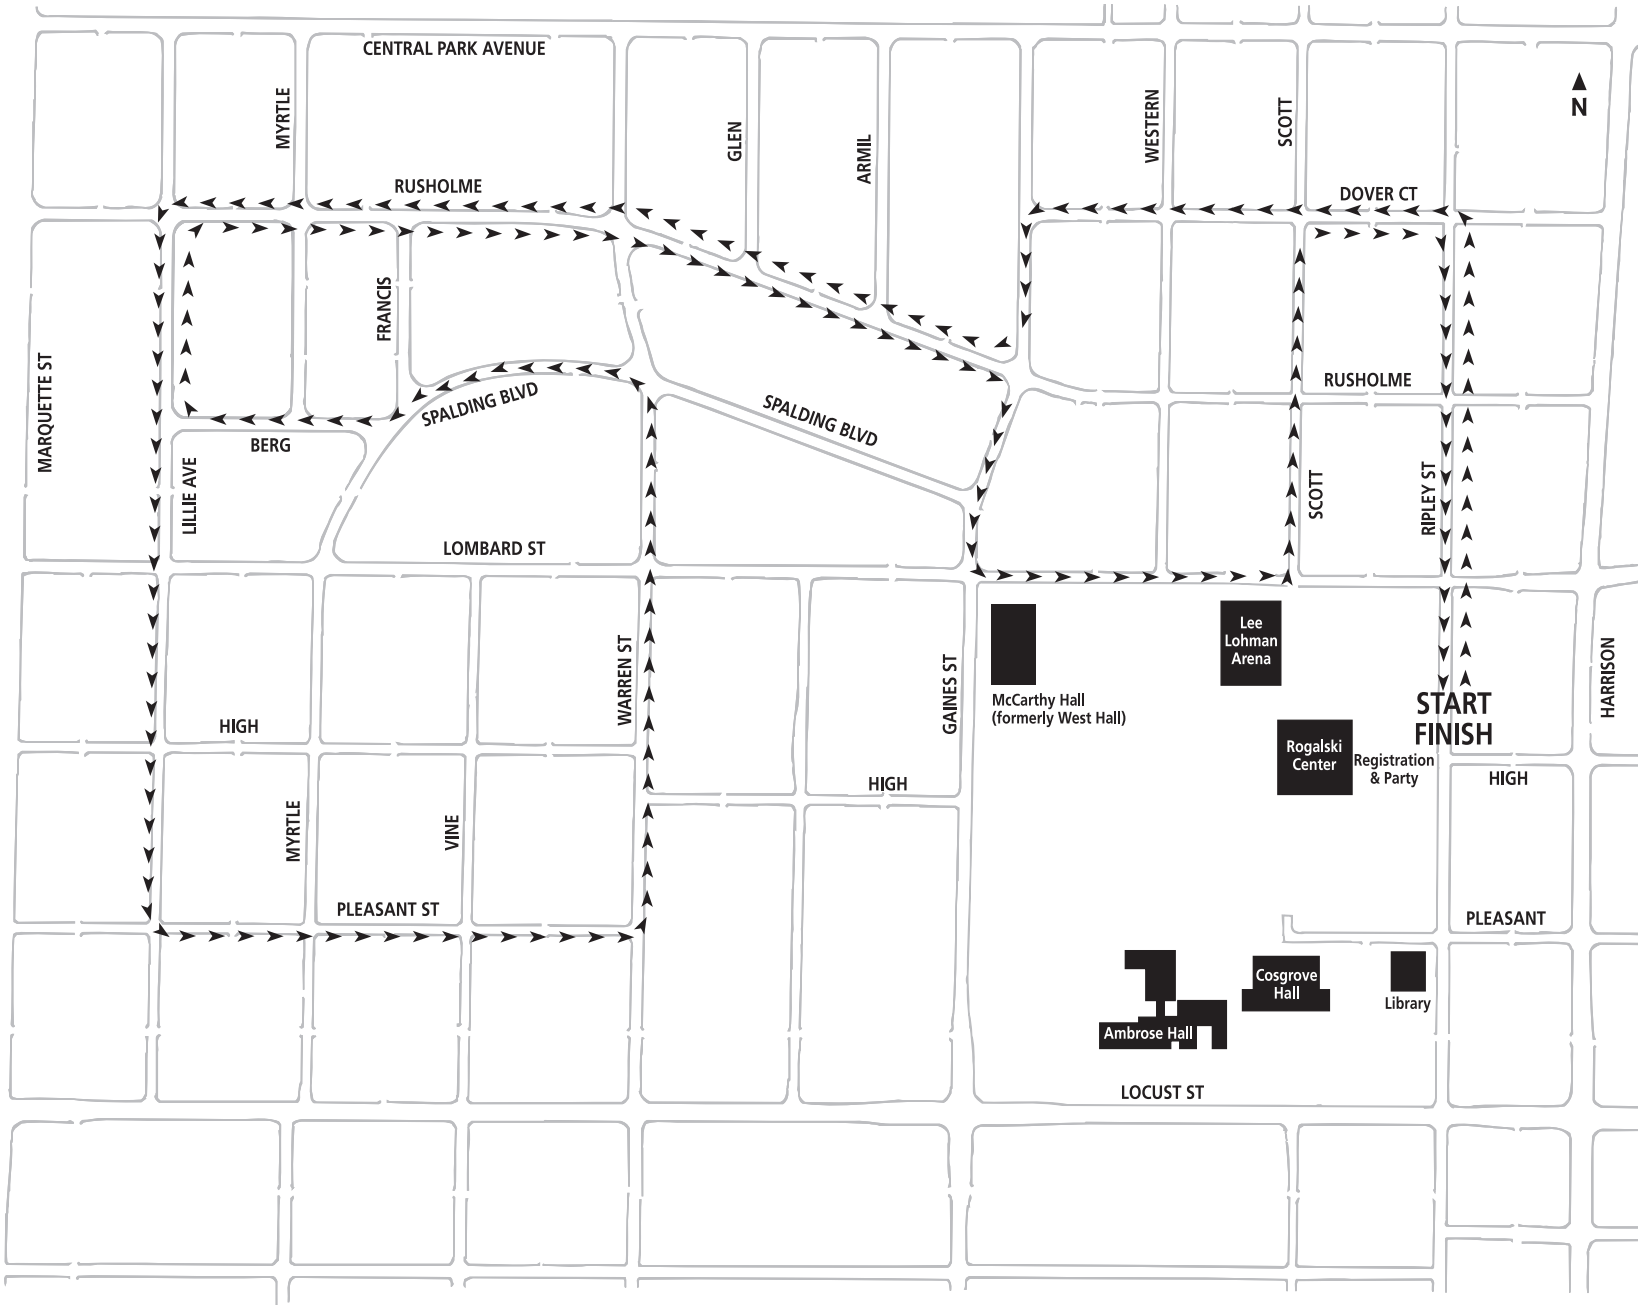

The route for the parade will be:

- 18th Street going east from McKinley
- Fernwood south to Forest Rd
- Forest Rd North to Middle Rd
- Middle Rd west to Woodland St

We would also love to have you come out and support the Blue Devils along the route, ending with a Pep Rally at McKinley.

Please come out and Enjoy the Festivities!

SAU KILLER BEE

26th Annual 5k & Bumble Rumble || October 21, 2023

October 21, 2023 * Davenport, IA *

Good Afternoon,

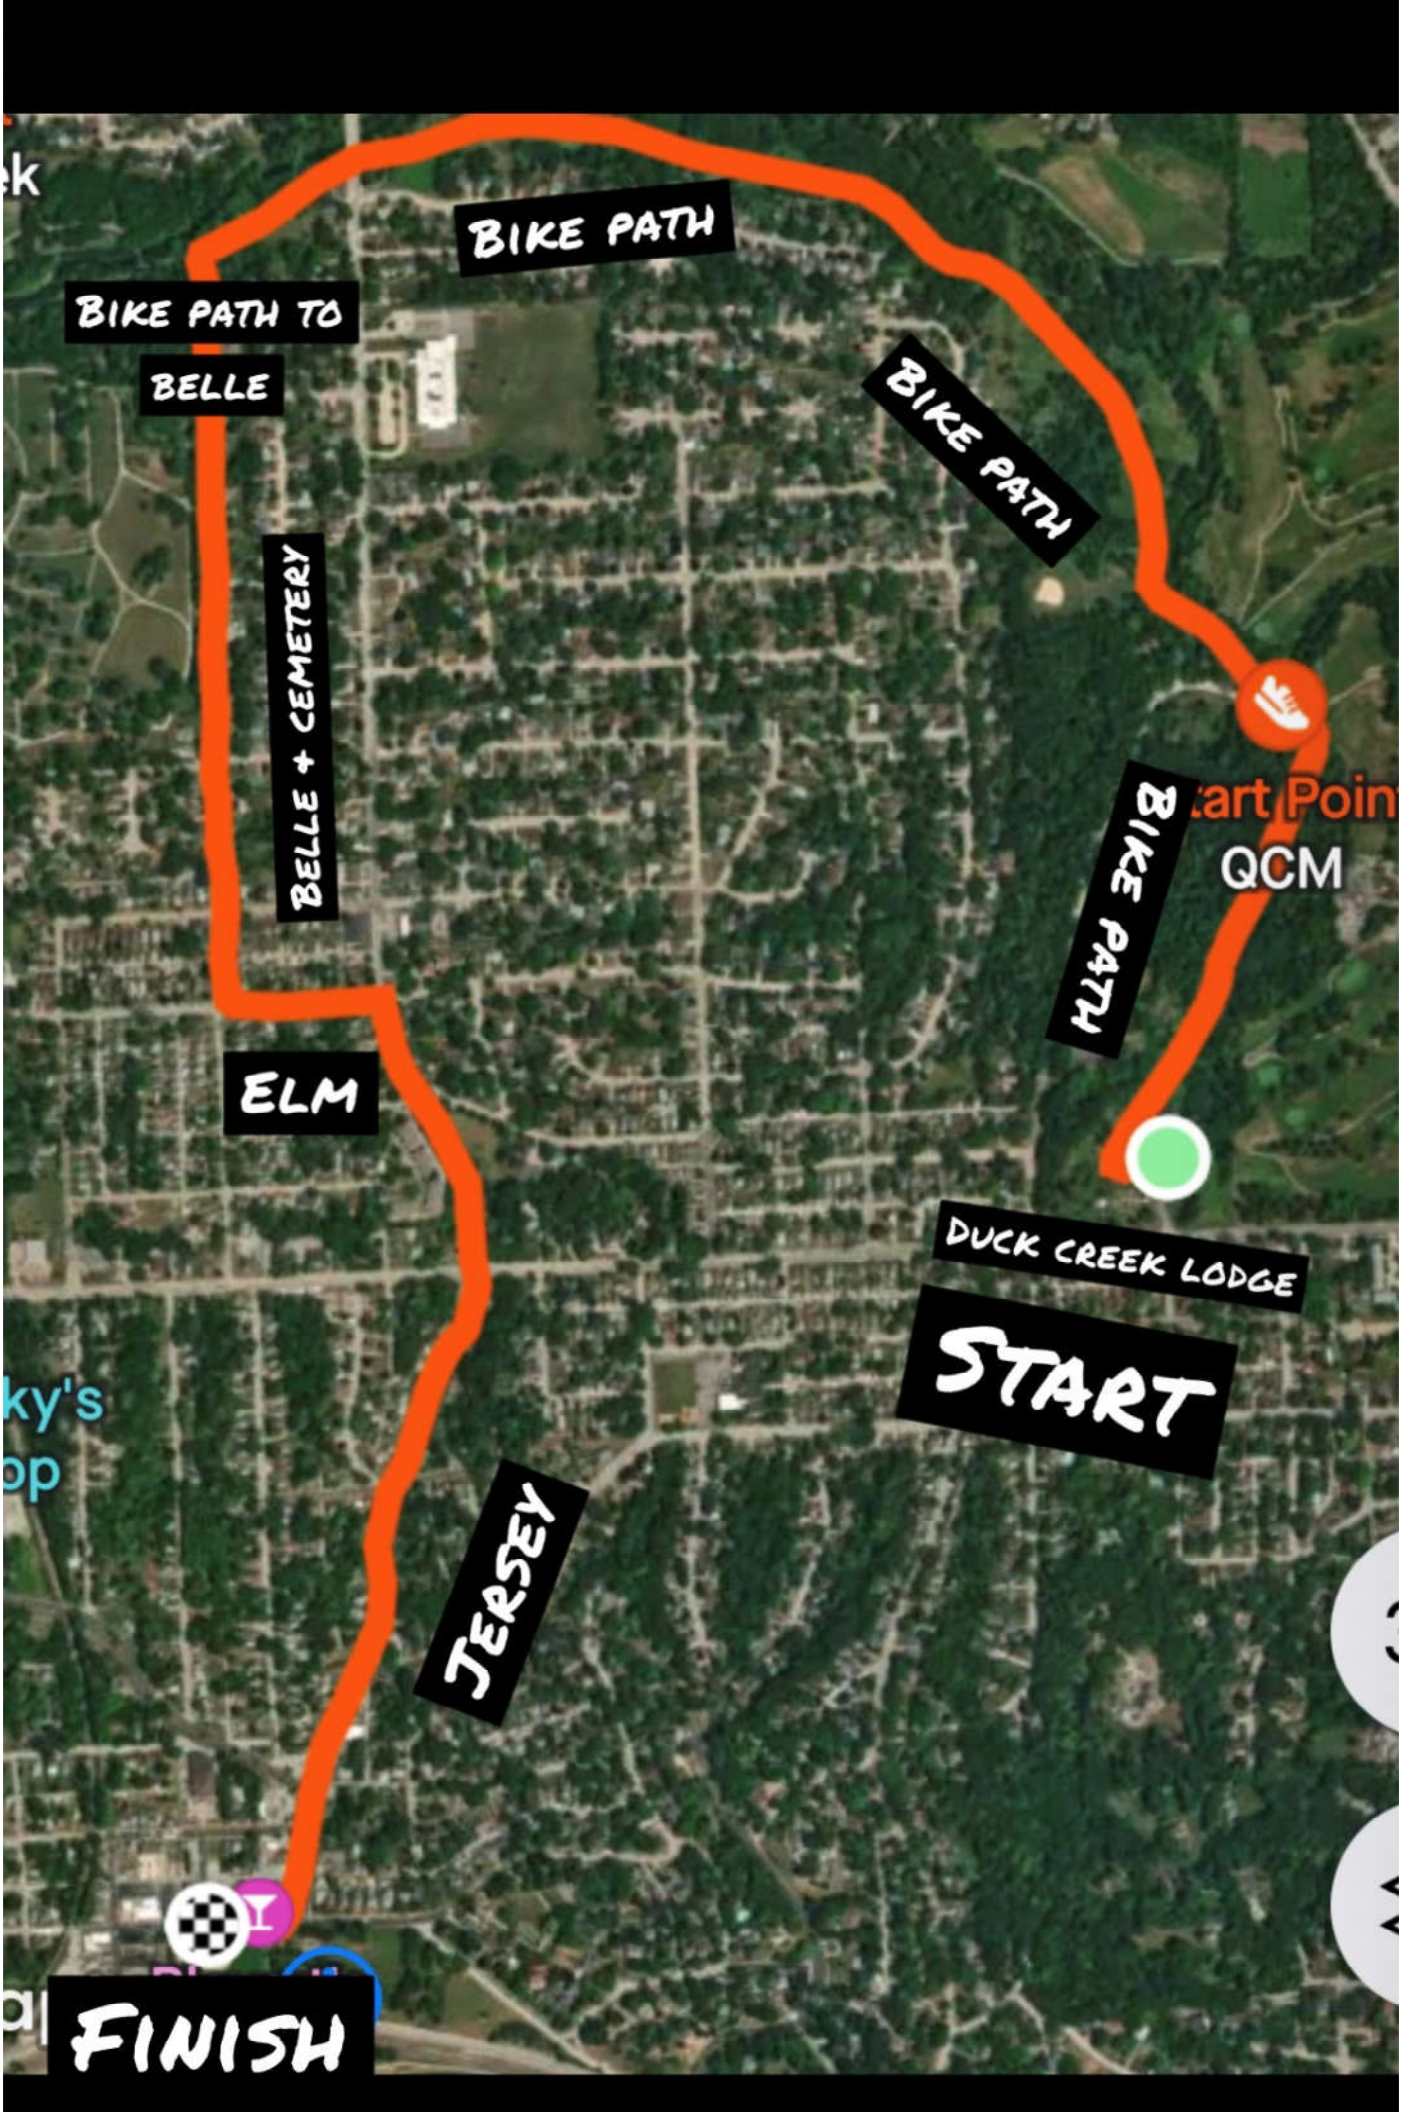

The Inaugural SAU Killer Bee 5K Race will take place on the morning of Saturday, October 21

2023. The participants will be running on the surrounding roads of the St Ambrose Campus, and just a small portion of your neighborhood, The race course will start and finish on campus and run through

the residential areas to the northwest. (See map at left.) Because this may affect your ability to travel certain neighborhood streets, we wanted to give you early notice of our plans. **We anticipate that the**

course will only be closed to traffic from approximately 7:45 to 9:45 am, with police protection at all major intersections. This annual run/walk is an exciting event for St. Ambrose and we hope you will catch the spirit of excitement by either participating in the race or showing your support along the course. If you have questions or concerns, contact Alumni Relations at 333-6290.

Thank you.

Hello Neighbor

On Saturday, October 28th a Halloween Themed 5K called ***The Village Zombie Run*** will be running by your house from the approximate time of 10-10:45am. This is a family-friendly, community-centric event ending in the Village of East Davenport. Part of the proceeds will support the 3D Breast Cancer Screening Fund by Trinity Health Foundation.

We would love your help to bring some spooky fanfare to the runners that morning. Any Halloween decor on your house or simply being outside cheering the runners on would be greatly appreciated. FYI: Volunteers will be present at each intersection to get people in and out when it is safe to do so.

For any questions please email the Race Director:

Brian Doerrfeld @ bdoerrfeld@yahoo.com.

Written objections to this temporary closure can be submitted to Brian Krup, Deputy City Clerk, at Brian.Krup@davenportiowa.com.

Resolution accepting work completed under the Hillandale Road and Northwest Boulevard and West 76th Street and Northwest Boulevard (RISE #RM-1827(689)--9D-82) Intersection Improvements project by Langman Construction, Inc of Rock Island, Illinois in the amount of $1,007,590.28, CIP #35058. [Wards 2 & 8]

Recommendation:
Adopt the Resolution.

Background:
Project work included the furnishing of all labor, materials, equipment and services necessary for the Hillandale Road and Northwest Boulevard and West 76th Street and Northwest Boulevard intersections improvements. Work on Hillandale Road and Northwest Boulevard intersection included the widening of the west approach (83rd St) to add a dedicated left-turn lane, the removal and installation of the eastbound traffic signal and mast arm, the installation of additional left-turn signal heads on all four poles, and other related construction. Work on West 76th Street and Northwest Boulevard involved complete reconstruction of the west approach including the addition of a dedicated left-turn lane, removal of the median, the construction of a new access to the business on the south (gas station/McDonald's), installation of a traffic signal, and other related construction.

The project was eligible for a State of Iowa Revitalize Iowa's Sound Economy "RISE" grant. The RISE grant refunded the City for eligible project costs.

The project was completed in accordance with the City of Davenport and Iowa DOT requirements with a final amount of $1,007,590.28 from account #35058.

Resolution approving the plans, specifications, form of contract, and estimate of cost for the North Utah Avenue Bridge Over Duck Creek Replacement project, CIP #21011. [Wards 1 & 2]

Recommendation:
Adopt the Resolution.

Background:
The purpose of this project is to replace the North Utah Avenue Bridge over Duck Creek. The project will consist of removal and disposal of all existing bridge components and will be replaced with a new slab bridge meeting modern design requirements. Federal aid will reimburse the City 100% of the eligible construction costs up to $1,000,000 in total reimbursement. The estimated cost of the project is $1,556,144.50 and is included in CIP #21011.

Right-of-way acquisition, construction plans, and specifications have been completed and approved by the Iowa Department of Transportation (DOT). The DOT is scheduled to advertise for and receive bids in November 2023. Construction will begin following the completion of the West 46th Street Bridge over Cardinal Creek Replacement project which is scheduled for fall 2024.

Resolution approving the plans, specifications, form of contract, and estimate of cost for the installation of traffic signals at the intersection of Brady Street at Lombard Street, CIP #38015. [Ward 5]

Recommendation:
Adopt the Resolution.

Background:
This project involves the installation of new traffic signals at the intersection of Brady Street and Lombard Street. Plans and specifications were prepared by City of Davenport staff.

The Iowa Department of Transportation will pay for 55% of the project's cost. The total cost is estimated to be $120,000 so the City's share at that price would be $54,000.

Traffic volumes are high enough to warrant signalization according to the Manual on Uniform Traffic Control Devices. The Iowa DOT has approved the permit to install signals at this intersection. The signal timing will be coordinated with the intersection of Brady at Locust.

Construction is expected to begin next spring and be completed June 2024.

Resolution awarding a five-year contract for transit planning and scheduling software to Optibus, Inc of New York, New York in the amount of $122,781. [All Wards]

Recommendation:
Adopt the Resolution.

Background:
A Request for Proposals was issued on July 19, 2023 and sent to vendors. On August 17, 2023 the Purchasing Division received and opened four (4) proposals.

The proposals were evaluated on the following criteria: (1) Responsiveness of proposal - 10%, (2) Overall experience and past performance - 25%, (3) Functionality and technical capacity - 30%, (4) Pricing – 35%. Following proposal evaluations by the selection committee, the two highest ranking firms were invited to interview. After interviews, the selection committee determined that Optibus, Inc best fits the City's needs for this project.

The contract will be funded through a combination of FTA grant funds and City funds. City funding is from 51352121 520217 | CitiBus Professional Services.

For and in consideration of the sum of One and no/100----------Dollar ($1.00), and other valuable consideration, in hand paid by MIDAMERICAN ENERGY COMPANY, an Iowa corporation, receipt of which is hereby acknowledged, the undersigned owner(s) **The City of Davenport, Iowa, a Municipal Corporation**, its successors and assigns ("Grantor"), does hereby grant to MIDAMERICAN ENERGY COMPANY, its successors and assigns ("Grantee"), a perpetual, non-exclusive easement to construct, reconstruct, operate, maintain, replace or remove electric supply line(s) for the transmission and distribution of electric energy and for communication and electrical controls, including other necessary poles, wires, guys, guy stubs, anchors, including other reasonably necessary equipment incident thereto (collectively "Facilities") upon, over, along, and across certain property described below, together with the right of ingress and egress to and from the same, and all the rights and privileges incident and necessary to the enjoyment of this easement ("Easement Area").

DESCRIPTION OF PROPERTY CONTAINING EASEMENT AREA:

Part of the Southwest Quarter of Section 25 and part of the Northwest Quarter of Section 36, Township 78 North, Range 3 East of the 5th P.M., City of Davenport, Scott County, Iowa.

EASEMENT AREA:

An overhead electric easement described as follows:

Said easement area is generally depicted on Exhibit "A", attached hereto, and made a part hereof.

2. Additionally, Grantee shall have the right to remove from the Easement Area described above, any obstructions, including but not limited to, trees, plants, undergrowth, buildings, fences and structures that interfere with the proper maintenance of said Facilities and equipment.

3. Grantor agrees that it will not construct or place any permanent or temporary buildings, structures, fences, trees, plants, or other objects on the easement area described above, or make any changes in ground elevation without written permission from Grantee indicating that said construction or ground elevation changes will not result in inadequate or excessive ground cover, or otherwise interfere with the Grantee's right to operate and maintain its Facilities, and that no act shall be performed which violates the clearance requirements of the National Electrical Safety Code and/or the rules of the state utility regulatory authority where the Facilities are located.

4. In consideration of such grant, Grantee agrees that it will repair or pay for any damage which may be caused to crops, fences, or other property, real or personal, of the Grantor by the construction, reconstruction, maintenance, operation, replacement or removal of the Facilities (except for damage to property placed subsequent to the granting of this easement) that Grantee determines interferes with the operation and maintenance of the Facilities and associated equipment. The cutting, recutting, trimming and removal of trees, branches, saplings, brush or other vegetation on or adjacent to the Easement Area is expected and not considered damage to the Grantor.

5. Grantor each certifies that it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person" or any other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; and are not engaged in this transaction, directly or indirectly on behalf of, any such person, group, entity or nation. Grantor hereby agrees to defend, indemnify and hold harmless the Grantee from and against any and all claims, damages, losses, risks, liabilities and expenses (including attorney's fees and costs) arising from or related to any breach of the foregoing certification.

6. Each of the provisions of this easement shall be enforceable independently of any other provision of this easement and independent of any other claim or cause of action. In the event of any matter or dispute arising out of or related to this easement, it is agreed between the parties that the law of the jurisdiction and location where this easement is recorded (including statute of limitation provisions) will govern the interpretation, validity and effect of this easement without regard to the place of execution or place of performance thereof, or any conflicts or law provisions. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS EASEMENT. EACH PARTY FURTHER WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED.

7. Grantor hereby relinquishes all rights of dower, homestead and distributive share in and to the property and waives all rights of exemption as to any of the property. Grantor understands that homestead property is in many cases protected from the claims of creditors and exempt from judicial sale; and that by signing this easement, voluntarily gives up any right to this protection for this property with respect to claims based upon this easement.

8. Grantor warrants to Grantee that Grantor holds title to the Easement Area in fee simple and Grantor has good and lawful authority to grant the rights provided in this easement.

1. For and in consideration of the sum of One and no/100------Dollar ($1.00), and other valuable consideration, in hand paid by MIDAMERICAN ENERGY COMPANY, an Iowa corporation, receipt of which is hereby acknowledged, the undersigned owner(s) **The City of Davenport, Iowa, a Municipal Corporation**, its successors and assigns ("Grantor"),does hereby grant to MIDAMERICAN ENERGY COMPANY, its successors and assigns ("Grantee"), a perpetual, exclusive easement to construct, attach, reconstruct, operate, maintain, replace or remove line(s) and facilities for the transportation of natural gas, including but not limited, regulators, meters, valves, blow-offs, pipe fittings, fencing, protective post barriers, support brackets, piping, line markers and other reasonably necessary above or below ground equipment incident thereto (collectively "Facilities") under, upon, and on the surface of the ground, through and across certain property described below, together with the right of ingress and egress to and from the same, and all the rights and privileges incident and necessary to the enjoyment of this easement ("Easement Area").

DESCRIPTION OF PROPERTY CONTAINING EASEMENT AREA:

Part of the Southwest Quarter of Section 20 Township 78 North, Range 4 East of the 5th Principal Meridian, in the City of Davenport, County of Scott, State of Iowa.

EASEMENT AREA:

A gas and gas regulator station described as follows:

Said easement area is generally depicted on Exhibit "A", attached hereto and made a part hereof.

2. Additionally, Grantee shall have the right to remove from the Easement Area described above, any obstructions, including but not limited to, trees, plants undergrowth, buildings, fences, and structures that interfere with the proper maintenance of said Facilities and equipment.

3. Grantor agrees that it will not construct or place any permanent or temporary buildings, structures, fences, trees, plants, or other objects on the Easement Area described above, or make any changes in ground elevation without written permission from Grantee indicating that said construction or ground elevation changes will not result in inadequate or excessive ground cover, or otherwise interfere with the Grantee's right to operate and maintain its Facilities.

4. In consideration of such grant, Grantee agrees that it will repair or pay for any damage which may be caused to crops, fences, or other property, real or personal, of the Grantor by the construction, reconstruction, maintenance, operation, replacement or removal of the Facilities (except for damage to property placed subsequent to the granting of this easement) that Grantee determines interferes with the operation and maintenance of the Facilities and associated equipment. The cutting, recutting, trimming and removal of trees, branches, saplings, brush or other vegetation on or adjacent to the Easement Area is expected and not considered damage to the Grantor.

5. Grantor certifies that it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person" or any other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; and are not engaged in this transaction, directly or indirectly on behalf of, any such person, group, entity or nation. Grantor hereby agrees to defend, indemnify and hold harmless Grantee from and against any and all claims, damages, losses, risks, liabilities and expenses (including attorney's fees and costs) arising from or related to any breach of the foregoing certification.

6. Each of the provisions of this easement shall be enforceable independently of any other provision of this easement and independent of any other claim or cause of action. In the event of any matter or dispute arising out of or related to this easement, it is agreed between the parties that the law of the jurisdiction and location where this easement is recorded (including statute of limitation provisions) will govern the interpretation, validity and effect of this easement without regard to the place of execution or place of performance thereof, or any conflicts or law provisions. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS EASEMENT. EACH PARTY FURTHER WAIVE ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED.

7. Grantor hereby relinquishes all rights of dower, homestead and distributive share in and to the property and waives all rights of exemption as to any of the property. Grantor understands that homestead property is in many cases protected from the claims of creditors and exempt from judicial sale; and that by signing this easement, voluntarily gives up any right to this protection for this property with respect to claims based upon this easement.

8. Grantor warrants to Grantee that Grantor holds title to the Easement Area in fee simple and Grantor has good and lawful authority to grant the rights provided in this easement.
