First Consideration: Ordinance amending Schedule V of Chapter 10.96 entitled "Four-Way Stop Intersections" by adding Eastern Avenue at Elm Street. [Ward 5]

Recommendation:

Adopt the Ordinance.

Background:

While the Elm Street Bridge was closed, this intersection was changed so that traffic on Eastern Avenue had the right-of-way. With so little cross-street traffic, it was best to keep the traffic on Eastern Avenue moving. The bridge is scheduled to reopen in November so the intersection should go back to a four-way stop, which was warranted before the bridge closed. Solar-powered stop signs with LED lights outlining the signs will be installed so drivers notice the change in traffic control.

First Consideration: Ordinance amending Schedule VII of Chapter 10.96 entitled "No Parking" by adding Ripley Street along the east side from 2nd Street north to the alley. [Ward 3]

Recommendation:

Adopt the Ordinance.

Background:

A request was made by the nearby businesses to add parking along the east side of Ripley Street between 2nd and 3rd Streets. There are too many driveways south of the alley to add any parking there, but there is room to add parallel parking north of the alley. This Ordinance will supersede the existing Ordinance which doesn't allow any parking along the east side of this block.

Subject:

First Consideration: Ordinance amending Schedule VII of Chapter 10.96 entitled "No Parking" by adding Main Street along the west side from Palmer Drive south 580 feet. [Ward 3]

Recommendation:

Adopt the Ordinance.

Background:

This parking change was requested by Central High School to help ease congestion and enhance safety to the area between Palmer Drive and 20 feet south of the driveway to their southernmost parking lot. This extends the current no parking area.

Resolution approving the plans, specifications, form of contract, and estimate of cost for the Goose Creek Shared Use Trail project from 53rd Street to 59th and Brady, CIP #28019. [Ward 7 & 8]

Recommendation:

Adopt the Resolution.

Background:

This project will extend the existing Goose Creek Trail from south of 53rd Street northward along Goose Creek to the Brady Street Frontage Road at 59th Street. From the northerly end it will connect to the planned Veterans Memorial Parkway Trail extension.

This project has received a Federal Aid grant from Iowa's Transportation Alternative Program (TAP) in the amount of \$1,138,000. The grant will reimburse the City for 80% of eligible costs or a maximum of the grant amount.

The project is scheduled to be bid by the Iowa Department of Transportation in October 2021 with construction to be completed before the end of the CY 2022 construction season. Funding for this project is established within CIP #28019. The current estimate of cost is \$1,432,387.

Resolution approving the plans, specifications, form of contract and estimate of cost for the Prospect Park Sewer Separation project, CIP #30057. [Ward 5]

Recommendation:

Adopt the Resolution.

Background:

This project addresses inflow and infiltration to the sanitary sewer system. By separating storm sewer flow from sanitary sewers the amount of flow to the Water Pollution Control Plant is reduced.

The separation of the combined sewer system is needed to comply with the Iowa Department of Natural Resources (IDNR) Administrative Consent Order.

This program is a combined effort by the Sewer and Engineering Divisions of the Public Works Department. The sewer separation project is a result of inflow and infiltration studies and inspections by City staff.

The project estimate is \$512,130.30 and budgeted in CIP #30057.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION amending the resolution assessing alley resurfacing projects for the north-south alley between Farnam and LeClaire from Garfield to Columbia and the east-west alley between Glaspell and Schricker from Pine to Belmont completed in the fall of 2019, CIP #35038.

WHEREAS, heretofore and in strict compliance with Chapter 384 of the Code of Iowa, 2021, as amended, this Council did, pursuant to the Resolution of Necessity duly adopted, order the construction of the FY 2017 Alley Resurfacing Program, Part 2 such improvement having been duly completed, the work accepted and the Engineers having filed the final assessment schedule, which has been fully considered by this Council;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport that

Section 1. That the Final Assessment Schedule filed by the Engineers covering the FY 2017 Alley Resurfacing Program, Part 2 is hereby amended as follows:

Section 4 is hereby revised from an annual interest rate of 9 percent to 2 percent as shown in Section 4. The original assessment schedule and all remaining sections of this resolution are to remain the same as resolution 2020-09.

Sections 5 and 6 were completed with Resolution 2020-09.

Section 2. That after full consideration, appraisalment and apportionment of the special benefits conferred upon the property shown in said schedule of said improvements, this Council finds that the said property is specially benefited by said improvements in the amounts as shown on said schedule and that the said amounts are in proportion to the special benefits conferred upon the property by said improvements, are not in excess of such benefits and are not in excess of 25% of the actual value of the lots, parts of lots and parcels of ground shown in said schedule; and

Section 3. That the Final Assessment Schedule be and the same is hereby approved and confirmed and that there be and there is hereby assessed and levied as a special tax against and upon each of the lots, parts of lots and parcels of land that the owner or owners thereof are liable to assessment for the cost of said improvements shown in said schedule, the respective sums expressed in figures set opposite to each of the same on account of the cost of the construction of said improvements; and said assessments against said lots and parcels of ground are hereby declared to be in proportion to the special benefits conferred upon the said property by the said improvements and not in excess thereof, and not in excess of 25% of the value of the same; and

Section 4. That assessments may be paid in full without interest within thirty days after the date of the first notice of the final assessment schedule, and thereafter all unpaid special assessments will draw annual interest at 2 percent computed to the December 1st next following the due dates of respective installments, and each installment will be delinquent on September 30th following its due date, and will draw additionally the same delinquent interest and the same penalties as ordinary taxes. Any property owner may elect to pay one-half of any annual installment of principal and

interest of a special assessment in advance, with the second semi-annual payment of ordinary taxes collected in the year preceding the due date of such installment. The number of installments into which said assessments greater than \$100.00 are to be divided shall be ten (10) and the interest for all unpaid installments shall be at the current interest rate adopted by the city percent per annum, the first installment being due and payable on July 1, 2020 and succeeding installments, with interest on the whole unpaid amount shall become due on July 1st, annually thereafter and shall be paid at the same time and in the same manner as the September semi-annual payment of ordinary taxes; and

Section 5. That the Deputy Clerk is hereby authorized and directed to certify and file the final assessment schedule, herein referred to, with the County Treasurer of Scott County, and the City Clerk shall thereupon give notice of such certification and filing by publication once each week for two successive weeks in the Quad City Times, a legal newspaper printed wholly in the English language, published at least once weekly and of general circulation in Davenport, Iowa, the first publication to be not more than fifteen days after the date of filing of the final schedule, and the Deputy Clerk shall mail said notice by certified mail to each property owner whose property is subject to assessment for said improvement, as shown by the records in the office of the County Auditor of Scott County, Iowa, said notice to be mailed on or before the second publication of said notice, all in accordance with Chapter 384 of the 2021 Code of Iowa, as amended.

Section 6. That such notice shall be in form substantially as follows:

See attached notice.

Section 7. That each and all of the deficiencies which appear on the final assessment schedule with respect to the benefited property are hereby confirmed and conditionally levied to the extent that such deficiencies may be subsequently assessed against each lot under Section 384.63 of the Code of Iowa, 2019, as amended.

Section 8. That the Deputy Clerk is hereby authorized and directed to certify and file a listing of said deficiencies with the Scott County Treasurer who shall record them in a separate book entitled "Special Assessment Deficiencies" and to the Chief Building Inspector, being the City Official charged with the responsibility of issuing building permits in the City, who shall notify the Council when a private improvement is subsequently constructed on any lot subject to a deficiency. The certificate to the aforementioned Scott County Treasurer shall include a legal description of each lot.

Section 9. That all resolutions or parts of resolutions in conflict herewith be and the same are hereby repealed, to the extent of such conflict.

Resolution authorizing the Assistant City Administrator/Public Works Director to sign Transit Ride Reimbursement Program agreements with various organizations and education institutions. [All Wards]

Recommendation:

Adopt the Resolution.

Background:

The Transit Ride Reimbursement Program is available for various educational institutions and other organizations. The Program provides transportation via Citibus fixed routes at a reduced rate to qualifying individuals who possess proper identification issued by each entity. In turn, the City invoices each organization based the ridership numbers agreed to in each agreement.

Resolution authorizing the submission of an application to Federal Recreational Trails (FRT) program for grant assistance with the construction of the Nahant Marsh Trail System project. [Ward 1]

Recommendation:

Adopt the Resolution.

Background:

The City of Davenport is submitting an application in conjunction with the Nahant Marsh Education Center to the Federal Recreational Trails (FRT) program for the enhancement and construction of the Nahant Marsh Education Center Trail System project. The total grant request is \$320,000.00. Nahant Marsh will provide matching funds required for the grant (minimum of 20% of the total amount requested), estimated at 24.7% and equaling \$79,000.00. The funds are secured as a result of capital fundraising efforts and contributions.

This is the second phase of a project that will connect the Mississippi River Trail (MRT) to Nahant Marsh and to neighborhoods in the southwest Davenport area, in addition to other Davenport trail systems. The total trail length will be approximately 1.6 miles. Phase II (this phase) will be 1.1 miles in length and will provide users a safe, ADA accessible trail separate from busy, unsafe roadways. It will be designed for both pedestrian and cycle usage. The trail will straddle land owned by both the City of Davenport and Nahant Marsh.

Resolution authorizing the conveyance of City-owned parcels F0047-03 and F0047-28 to Kenneth Wilmington of 519 East 9th Street and former owner of parcel F0047-03. [Ward 3]

Recommendation:

Adopt the Resolution.

Background:

Mr. Kenneth Wilmington, resident of 519 East 9th Street, is petitioning the City of Davenport to convey City-owned property, parcels F0047-03 and F0047-28, to him for \$100.00 for each parcel totaling \$200.00. These parcels are developable but hold no value for the operations of the City. Mr. Kenneth Wilmington lost parcel F0047-03 to tax sale in 2008 when he was unable to meet the tax obligations due to health issues. The health issues have been resolved.

A letter was sent July 9, 2021 to Keith March, owner of 509 East 9th Street, the property adjacent to the east of City parcels F0047-03 and F0047-28, asking if he is interested in purchasing City parcels F0047-03 and F0047-28 and to state said interest before August 4. As of August 9 staff had not received a response from Keith March.

Per Iowa law, a city must hold a Public Hearing prior to conveying its interest in real property. Said Hearing was held at the September 1, 2021 Committee of the Whole Meeting.

Dear Brian,

We would like to apply for a noise variance until midnight on Saturday, October 16th for a concert to be held in the Fair Center for an Oktoberfest here at the Mississippi Valley Fairgrounds. Although the concert is indoors, we would like to be able to open the big roll up doors if it is a nice night out for air circulation and to allow for more social distancing. The concert will feature Saving Abel and Kid Kentucky.

We look forward to your written reply. Please let me know if there are any questions.

Motion approving the process and procedures for snow removal to ensure the safety and welfare of residents and visitors during winter weather events. [All Wards]

Recommendation:

Pass the Motion.

Background:

This Motion outlines the high level procedures for residential snow removal, ticketing and enforcement, towing, and downtown snow pick-up/disposal from the curb line during and following a snow event.

The City of Davenport Public Works Department is an accredited agency and has a comprehensive snow removal plan. The following is a summary of the objectives and methodology. The objective of Davenport's Snow & Ice Control Program is to clear street surfaces sufficiently to support safe and efficient travel, commerce, and emergency response using available resources. Alleys are only cleared when necessary to support solid waste services for these reasons.

The snow removal proposal is as follows:

Posted Snow Routes will be plowed anytime one-quarter inch or more of accumulating snow falls and no melting is expected to occur.

Residential Roads will be plowed and salted as needed, if:

- Accumulating ice and no melting is expected,
- More than two inches of accumulating snow is expected, or
- Back-to-back events will result in two or more inches of accumulating snow.
-

Enforcement of Ordinance 10.28.020 (Ticketing). Vehicles parked on snow routes, including downtown pickup, during a declared emergency will be ticketed and may be towed with no forgiveness.

All property owners and managers, including downtown, that push snow into the streets will be fined, Section 12.56.010 of the Davenport Municipal Code.

Snow will be removed from the curb line and parking lanes in the Downtown and Hilltop Campus areas following snow events, or back-to-back snow events, resulting in four more inches of accumulating snow. This special pickup will occur after residential zones are cleared. The designated area for Downtown pick-up is 5th to River Drive from LeClaire to Gaines and for the Hilltop Campus, pick-up is Harrison St from 5th to Locust.

Due to the number of driveways along City streets and limited resources, Public Works is unable to remove snow from the end of driveways by citizen complaint.

Background:

An Invitation to Bid was issued on August 27, 2021 and sent to vendors. On September 8, 2021 the Purchasing Division opened and read one responsive and responsible bid. See bid tabulation attached.

This blower will be removed and sent for repairs/rebuild to meet Iowa DNR discharge permit requirements. The blower provides air to the activated sludge basins. This blower is original equipment to Water Pollution Control Plant. A new blower would be two to three times as much as a rebuild.

Funding for this repair is from the Water Pollution Control Plant Maintenance Machinery & Equipment account 51151975 520226. The funds are from the Sewer Fund.

Motion awarding the contract for talent development consulting services to Paradyne Consulting Works, LLC of Santa Rosa Valley, California. [All Wards]

Recommendation:

Pass the Motion.

Background:

On January 15, 2021, a Request for Proposals was issued and sent to vendors. On February 12, 2021, the Purchasing Division opened and read sixteen (16) proposals. See attached bid tabulation.

As part of the adopted City Administrator's workplan and in alignment with the City's strategic initiatives for CY 2021, talent and organizational development has been identified as a strategic focus for the next two years.

An evaluation committee, consisting of four staff members, evaluated all proposals on the following criteria:

1. Ability, experience, qualifications, expertise of personnel assigned to the City's account - 20%,
2. Service provider's demonstrated proposal and expertise in performing the services required - 40%,
3. Quality and thoroughness of proposal - 20%, and
4. Proposed pricing - 20%.

The top five companies scoring over 80% were interviewed by the evaluation committee, and reference checks were conducted. Council previously approved a contract with a vendor in May 2021. After further review, that vendor was determined not to be a good fit for the needs of the organization. Additional review was conducted, and Paradyne Consulting Works, LLC was determined to be the vendor that could most comprehensively deliver talent development and training services to the City of Davenport.

This contract is for a 1 year term, and authorizes the city to sign an additional 1 year option, in an amount not to exceed \$90,000 cumulatively. The funding will be distributed from each department.
