Recommendation:

The City Plan and Zoning Commission finds that:

The zoning complies with the future land use map of the comprehensive plan. The City Plan and Zoning Commission accepted the listed findings and forwards Case No. REZ15-10 to the City Council for approval. There are no special conditions. The Commission vote was 9-yes and 0-no (with 0 abstentions). THE PROTEST RATE IS 0.0%.

Relationship to Goals:

Neighborhood Improvement

Background:

The purpose of the proposed rezoning is to zone the property to the appropriate zoning district for the existing use (auto repair center). Removing the nonconforming status allows the petitioner to make signs changes, or other potential future changes to the intensity of the use, without the need for hardship variance requests before the Zoning Board of Adjustment.

PUBLIC HEARING NOTICE
DAVENPORT PLAN & ZONING COMMISSION
TUESDAY – July 14, 2015 5:00 P.M.
COUNCIL CHAMBERS - CITY HALL
226 WEST 4TH STREET – DAVENPORT, IOWA

Case No. REZ15-10: Petition of Tim Shaffer at 3830 West Locust Street to rezone the property from nonconforming R-3 Moderate Density Dwelling District to C-2 General Commercial District. The property is the site of a nonconforming automobile repair facility.

The City Plan and Zoning Commission will conduct a public hearing concerning this matter at **5:00 p.m., Tuesday July 14, 2015** in the **Council Chambers of Davenport City Hall at 226 West 4th Street**, Davenport, Iowa.

This public hearing is the first step in the review/approval process. The City Plan and Zoning Commission will consider (vote on a recommendation) the petition at its regular meeting on Tuesday August 4, 2014, after having conducted the Public Hearing. The Commission's report and recommendation will then be forwarded to the City Council. The City Council will then hold its own public hearing, as required by state law. You should also receive a notice of the City Council's public hearing. For the ordinance to be approved, it must be read/considered at three (3) separate City Council meetings. For the specific dates and times of subsequent meetings, please call the phone number below.

It is your privilege to submit written comments on this petition or to attend the public hearing to express your views, or both. All protests within the 200 foot notice area or the area being considered must be made in writing to be valid. Any written comments to be reported at the Commission's public hearing should be received in the office of Community Planning, City Hall, not later than 12:00 noon, on the day of the public hearing, though protests may be received up through the City Council's public hearing.

Public Hearing for the Ordinance for Case No. REZ15-11, being the petition of Gary Thrapp on behalf of L&G Properties, LLC. for the rezoning of approximately 0.44 acres, more or less, of real property located at 1517 Spring Street, from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development. The purpose of the rezoning is to facilitate the redevelopment of the property into four residential units. (NOTE: PLAN AND ZONING COMMISSION RECOMMENDS DENIAL; THREE-FOURTHS MAJORITY VOTE REQUIRED FOR PASSAGE (8 VOTES)) [5th Ward]

Recommendation:

Plan and Zoning Commission Finding:

1. Although Davenport 2025 designates the subject property Residential General on the Proposed Land Use Designation, which allows for mixed use neighborhoods that are mostly residential, the surrounding area is predominantly single-family residential (the exception is the electrical substation to the east).

The Commission accepted the finding and forwards Case No. REZ15-11 to the City Council with a recommendation for denial. The Commission vote was 8-yes and 1-no with 0-abstention.

THE PROTEST RATE IS 22.9%.

Relationship to Goals:

Neighborhood Improvements.

Background:

The petitioner is seeking to redevelop the property with four residential units. The existing house on the property would be demolished. With the existing "R-4" zoning the property could be built with three (3) single family dwellings with a three (3) lot subdivision. The Planned Unit Development (PUD) affords the developer a density bonus (density of 9.45 dwelling units per acre (maximum)) thereby allowing an additional unit on this property. A concept plan submitted by the petitioner depicts two duplexes with areas for off-street parking.

Staff analyzed properties within the 1,000 foot radius of the subject property. Of the 329 properties within the 1,000 foot radius, only 14 (4.26%) are listed by the City Assessor as two, three or four family conversion, duplex and two-family flat. Of the 329 properties, 252 (76.59%) are listed by the City Assessor as single-family residential. The remaining 63 (19.15%) properties are vacant, institutionally or commercially used. With exception of the electrical substation, the properties surrounding the subject property are single-family residential.

Case No. REZ15-11: Petition of Gary Thrapp on behalf of L&G Properties, LLC. for the rezoning of approximately 0.44 acres (19,200 sq. ft.), more or less, of real property located at 1517 Spring Street, from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development) to facilitate the redevelopment of the property into four residential units.

The property has the following legal description:

Part of the Northwest Quarter of Section 30, Township 78 North, Range 04 East of the 5th P.M. being more particularly described as follows:

Commencing in the West Quarter Corner of Section 30; thence east along the north line of the Northwest Quarter of said Section 30 a distance of 700 feet to the east line of Spring Street as extended northerly to the intersection with the north line of the Northwest Quarter of Section 30; thence south along the east line of Spring Street as extended northerly and Spring Street 936 feet to the point of beginning; thence east 150 feet, thence south 128 feet, thence west 150 feet, thence north along the east line of Spring Street 128 to the point of beginning. Said property contains 19,200 sq. ft., more or less.

The City Plan and Zoning Commission forwards Case No. REZ15-11 to the City Council with a recommendation for denial.

A public hearing on this ordinance will be held before the Committee of the Whole in the Council Chambers, City Hall, Davenport, Iowa on Wednesday, August 19, 2015, 2014 at 5:30 p.m. At the hearing interested parties may appear and be heard regarding the proposed ordinances. PO NO. 1601729 .

Public hearing on the proposed conveyance of Lot 10 of McIntosh's 2nd Addition to Mount Olive Church of God in Christ, Inc. [Ward 3]

Recommendation:
Conduct the Public Hearing.

Relationship to Goals:
Financially Responsible City Government.

Background:
The City acquired Parcel G0038-16, Lot 10 of McIntosh's 2nd Addition located on the northeast corner of West 10th Street and Ripley Street, from the county at no cost for a potential stormwater practice.

The city was unable to gain control of surrounding parcels and by itself Lot 10 is too small for a stormwater practice. Mount Olive Church of God in Christ, Inc. has petitioned the city for this parcel to build a parking lot to address their parking needs.

Mount Olive Church of God in Christ, Inc. proposes to acquire the property from the City for \$1.

Public Hearing on the proposed plans, specifications, form of contract and estimate of cost for the FY 2016 Brick Street Base Reconstruction Project. [Wards 1 & 3]

Recommendation:

Hold the hearing.

Relationship to Goals:

Upgrade City Infrastructure & Public Facilities.

Background:

This project rehabilitates brick streets within the City of Davenport. The bricks are removed, set aside, sub base is removed and replaced and then the existing bricks are relayed. Also included in this project are repairs to existing and installation of new curbs, gutters and ADA ramps as needed.

The six (6) streets proposed, cost pending, for this year's program are as follows:

1. East 5th Street between Pershing Avenue and Iowa Street.
2. South Ohio Avenue between McKinley Avenue and Rockingham Road.
3. West 12th Street between Main Street and Brady Street.
4. Taylor Street between 4th Street to 5th Street.
5. Madison Street between 9th Street to 10th Street.
6. East 7th Street between Pershing Avenue and Iowa Street.

The estimated cost to complete the proposed improvements is \$503,000 funded by the increased fuel tax fund.

Background:

The purpose of the proposed rezoning is to zone the property to the appropriate zoning district for the existing use (auto repair center). Removing the nonconforming status allows the petitioner to make signs changes, or other potential future changes to the intensity of the use, without the need for hardship variance requests before the Zoning Board of Adjustment.

COUNCIL CHAMBERS - CITY HALL
226 WEST 4TH STREET – DAVENPORT, IOWA

Case No. REZ15-10: Petition of Tim Shaffer at 3830 West Locust Street to rezone the property from nonconforming R-3 Moderate Density Dwelling District to C-2 General Commercial District. The property is the site of a nonconforming automobile repair facility.

The City Plan and Zoning Commission will conduct a public hearing concerning this matter at **5:00 p.m., Tuesday July 14, 2015** in the **Council Chambers of Davenport City Hall at 226 West 4th Street**, Davenport, Iowa.

This public hearing is the first step in the review/approval process. The City Plan and Zoning Commission will consider (vote on a recommendation) the petition at its regular meeting on Tuesday August 4, 2014, after having conducted the Public Hearing. The Commission's report and recommendation will then be forwarded to the City Council. The City Council will then hold its own public hearing, as required by state law. You should also receive a notice of the City Council's public hearing. For the ordinance to be approved, it must be read/considered at three (3) separate City Council meetings. For the specific dates and times of subsequent meetings, please call the phone number below.

It is your privilege to submit written comments on this petition or to attend the public hearing to express your views, or both. All protests within the 200 foot notice area or the area being considered must be made in writing to be valid. Any written comments to be reported at the Commission's public hearing should be received in the office of Community Planning, City Hall, not later than 12:00 noon, on the day of the public hearing, though protests may be received up through the City Council's public hearing.

Subject:

First Consideration: Ordinance for Case No. REZ15-11, being the petition of Gary Thrapp on behalf of L&G Properties, LLC. for the rezoning of approximately 0.44 acres, more or less, of real property located at 1517 Spring Street, from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development. The purpose of the rezoning is to facilitate the redevelopment of the property into four residential units. (NOTE: PLAN AND ZONING COMMISSION RECOMMENDS DENIAL; THREE-FOURTHS MAJORITY VOTE REQUIRED FOR PASSAGE (8 VOTES)) [5th Ward]

Recommendation:

Plan and Zoning Commission Finding:

1. Although Davenport 2025 designates the subject property Residential General on the Proposed Land Use Designation, which allows for mixed use neighborhoods that are mostly residential, the surrounding area is predominantly single-family residential (the exception is the electrical substation to the east).

The Commission accepted the finding and forwards Case No. REZ15-11 to the City Council with a recommendation for denial.

The Commission vote was 8-yes and 1-no with 0-abstention.

THE PROTEST RATE IS 22.9%.

Relationship to Goals:

Neighborhood Improvements.

Background:

The petitioner is seeking to develop the property with four residential units. The existing house on the property would be demolished. With the existing "R-4" zoning the property could be built with three (3) single family dwellings with a three (3) lot subdivision. The Planned Unit Development (PUD) affords the developer a density bonus (density of 9.45 dwelling units per acre (maximum)) thereby allowing an additional unit on this property. A concept plan submitted by the petitioner depicts two duplexes with areas for off-street parking.

Staff analyzed properties within the 1,000 foot radius of the subject property. Of the 329 properties within the 1,000 foot radius, only 14 (4.26%) are listed by the City Assessor as two, three or four family conversion, duplex and two-family flat. Of the 329 properties, 252 (76.59%) are listed by the City Assessor as single-family residential. The remaining 63 (19.15%) properties are vacant, institutionally or commercially used. With exception of the electrical substation, the properties surrounding the subject property are single-family residential.

At its regular meeting of August 4, 2015, the City Plan and Zoning Commission considered Case No. REZ15-08, being the petition of Gary Thrapp on behalf of L&G Properties, LLC. for the rezoning of approximately 0.44 acres, more or less, of real property located at 1517 Spring Street, from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development. FINAL STAFF REPORT

Meeting Date: August 4, 2015
Request: Zoning Map Amendment (Rezoning) from R-4 to R-4 PUD
Address: 1517 Spring Street
Case No.: REZ15-11
Applicant: Gary Thrapp on behalf of L&G Properties, LLC.

Recommendation:

Staff recommends that the Plan and Zoning Commission forward case REZ15-11 to the City Council with a recommendation for denial.

Introduction:

Petition of Gary Thrapp for the rezoning of .44 acres, more or less, of real property located at 1517 Spring Street from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development to facilitate residential development (four units).

AREA CHARACTERISTICS:

Zoning Map

 Subject Property

Land Use Map

 Subject Property

Background:**Comprehensive Plan:**

Within Existing Urban Service Area: Yes

Within Urban Service Area 2025: Yes

Proposed Land Use Designation: Residential General. Designates mixed-use neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services as well as other neighborhood uses like schools, churches, corner stores, etc.

Relevant Goals to be considered in this Case: Neighborhood Improvements

The proposed use would comply with the Davenport 2025 proposed land use section.

Zoning:

The subject property and properties to north, east, west and south are zoned "R-4" Moderate Density District.

Technical Review:

Streets. The subject rezoning area is located along the east side of Spring Street (a local street). There is no alley for access to the rear of the property.

Storm Water. Storm water catch basins are located in the intersection of Spring Street with Kirkwood Boulevard. Construction Site Erosion & Sediment Control (COSESCO) permitting would be required.

Sanitary Sewer. Sanitary sewer service is located in Spring Street.

Other Utilities. This is an urban area and normal utility services are available.

Emergency Services. The property is located less than ¼ mile from Fire Station No. 4, which is located at 1805 E. Locust Street.

Parks/Open Space. The proposed rezoning does not impact any existing or planned parks or public open spaces.

Public Input:

Notices were sent to the 21 property owners within 200 feet of the subject property notifying of them of the July 14, 2015 Plan and Zoning Commission Public Hearing. Objection letters were received from 9 property owners within the 200 foot notification radius. Objections raised include: only want single-family; bad track record with tenants; increased traffic; lack of current property maintenance; and increased water runoff.

A neighborhood meeting was held on Tuesday July 7th. Approximately a dozen neighbors were in attendance. Generally, neighboring property owners were against the rezoning with comments being consistent with objection letters received by the City.

Discussion:

The petitioner is seeking to develop the property with four residential units. The existing house on the property would be demolished. With the existing "R-4" zoning the property could be built with three (3) single family dwellings with a three (3) lot subdivision. The property contains 19,200 square feet and requires 6,000 square feet of lot area for a single family dwelling in the existing "R-4" zoning (density of 7.26 dwelling units per acre). The Planned Unit Development (PUD) affords the developer a density bonus (density of 9.45 dwelling units per acre (maximum)) thereby allowing an additional unit on this property. A concept plan submitted by the petitioner depicts two duplexes with areas for off-street parking.

Concept Plan submitted by the Petitioner

Notably, the Residential General Proposed Land Use Designation allows for mixed use neighborhoods that are mostly residential. As mentioned, the subject and surrounding properties are zoned "R-4" Moderate Density Dwelling District. In order to determine the compatibility of the proposed use within this residential area, City staff evaluated properties within 1000 feet of subject property.

Of the 329 properties within the 1,000 foot radius, only 14 (4.26%) are listed by the City Assessor as two, three or four family conversion, duplex and two-family flat. Of the 329 properties, 252 (76.59%) are listed by the City Assessor as single-family residential. The remaining 63 (19.15%) properties are vacant, institutionally or commercial used. With

exception of the electrical substation, the properties surrounding the subject property are single-family residential. Therefore, it is staff's opinion that two duplexes would be incompatible with the area. One could take the position that duplexes would be compatible along East 13th Street adjacent to Spring Street.

-  Multiple Family within 1000 Feet of Subject Property
 Subject Property
 1000 Foot Radius

Staff Recommendation:

Finding:

1. Although *Davenport 2025* designates the subject property Residential General on the Proposed Land Use Designation, which allows for mixed use neighborhoods that are mostly residential, the surrounding area is predominantly single-family residential (the exception is the electrical substation to the east).

Staff recommends that the Plan and Zoning Commission forward case REZ15-11 to the City Council with a recommendation for denial.

Comments: Gary has not been a good land lord, with the property he has now, he placed Toronto that were not responsible. Four units with no parking is inappropriate. They will try and place Section 8. And I never have a family of Section 8, who are not the true renters, as long as the money comes in. Let Gary build a nice single story home and move in. Then he will care about the neighborhood. I've lived here 50 years. This is not for the betterment of the neighborhood.

RE: Petion Of Gary Thrapp (REZ15-11)

I, Cheryl Johnson, Homeowner of 1518 Spring St. OPPOSE the Re-Zoning of property 1517 Spring St.

Mr. Thrapp wants to demolish the existing single family dwelling and contract 2 duplexes in a single family neighborhood. Mr Thrapp has owned the said property approximately 15 years and the only time that he has done any improvements to the property are when his tenants move out, not while they living on property. He states that he does improvements, but they are the bare minimum, the Soffit and Fascia has been falling off for at least 10 years and have Squirrels and Racoons living in the attic at least that long. There have been at least 3 different tenants that have lived there in that time and they had the opportunity at those vacant times to fix the problem but has never been done. When a tenant vacates, he takes approximately 3 months to work on the structure, but the only work done is carpet replacement, painting and new appliances,(which are not new purchase, but used and placed in the home.

My property was purchased new in 1957 by my parents and has always been in my family, we have seen said dwelling deteriate over the years and the lack of LandLord involvement. Making the property into a 4 family dwelling is not going to improve the neighborhood, it will just make it worse. With the history of the tenants that the Thrapp's have accepted, they will just multiply our problems by 4.

All of the houses in our neighbor hood are single family dwellings, and yes a couple of them are rentals which also we have problems with those tenants, and they also because of the lack of involvement from their landlord.

The Thrapp's did nothing when there were problems, I don't even think they were aware of the times when there were phone calls to the police, or the Humane society. They were not aware when the last tenants had someone living in a tent in the back yard for 3 weeks, the garbage that was always in the yard and blowing around the neighborhood, or that the couple had 5 dogs, 4 cats, snakes a bird and mice and rats. That tenant also parked his vehicle in the back yard, which was an older vehicle and I'm sure had leaks that are now in the land.

They were not aware that the police had to be called because of one of the families had a teenager that walked around the neighborhood wearing only a towel for hours, and anybody could see his private parts,(right next door to where there was a 4 and 9 year old girls playing outside).

The parking situation has always been a problem at this section of Spring St. There is no off

street parking at 1517. The street is only 3 vehicles wide,(24 ft.) and traveled on regularly by the Fire Department located 2 blocks away. Vehicles are 7 to 8 ft. wide and the firetruck is 10ft. wide. If someone is not illegally parked on the curb, the firetruck cannot get by. The previous tenant and I both had 8 ft. wide trucks and they would always park right across from my truck. Adding the driveways to the new duplexes would not help because very rarely do you have a family with only one vehicle, or if there are visitors, they would have to park in the street, which a rental just up the street always has 2 to 4 vehicles visiting everyday. I'm sure if the fire department was asked, they would agree because they have had a vehicle towed because of the issue. The firetrucks use this as an emergency route, but it is not one. I don't know how they were able to illegally tow our vehicle that was parked legally.

Mr.Thrapp stated to us at the neighborhood meeting,(July 7th,2015) he conducted on the property with a representative from the city that "Americana Park used to be known as Cocaine Alley, I purchased units and remodeled them and turned the neighborhood around" American Park has always had problems and always will, he didnt turn anything around as far as crime is concerned.

He used the example of the new duplexes around the area of 49th and Eastern Ave as getting the correct tenants. 2 things wrong with that statement, 1. Those are condos, not rentals. 2. those are not in central Davenport. That is not a fair comparison with the income levels and cost of homes in those 2 areas.

Re: Petition of Gary Thrapp (REZ15-11)

When we moved into our house in 2007, I wasn't sure of what kind of neighborhood we were moving into. The house next door to us, Gary Thrapp's property at 1517 Spring St., was rundown as were a couple other houses on the block, but most were nice little ranch style houses well taken care of. All of the homes are single family homes.

We have been there seven and a half years, and my reservations about my neighborhood has turned into a love for our neighbors. My children play with their children in each others homes. As parents, we can trust each other with our kids. Even the other neighbors, whom I wasn't familiar with until Mr. Thrapp's meeting on July 7th, are friendly and keep their homes in good repair, so I like them too. With a fourplex going in, I worry about tenants moving in and out. Parking will be a problem if any visitors are had with the narrow street.

I learned in the meeting on July 7th that he has owned 1517 Spring Street for fifteen years, and he also told us he charges \$850 rent. He also plans on charging that for each unit in his fourplex. He told us in that meeting that his improvements to Americana turned that place around. I disagree, and I don't want that next door to me. Is it going to be section 8 housing?

This meeting, being about whether Gary and Annette Thrapp should be allowed to rezone and build four rental units at 1517 Spring Street, should also be about what said property will look like in fifteen years. So we should look at the last fifteen and decide how it will be.

My first time meeting them was when the last renters moved in, approximately three years ago. they had mowed and had a campfire burning with their new tenants and I joined them around the fire. I was nice, but I made my grievences about the last two renters trash getting thrown on the ground outside the back door or on the front porch for animals to get into and me to pick up later.

They assured me they had no idea, they'd be on it from here on out.

I then asked why it only got mowed once a month. Mr. Thrapp said the renters were responsible for the mowing. I told them the last renters told me their push mower was broke.

"I had no idea" was Mr. Thrapps reply.

Then they told me they lived up the road, so you think they'd have some idea.

Squirrels have lived in the soffits for as long as we've been in our home. When the last renters lived there, so did a family of raccoons in the attic. I went over and told the woman by the name of Laura about it and she said she knew because she could hear them scratching around up there.

"Did you tell the landlord," I asked.

"They're calling someone," Laura said.

When I saw them moving out, I went over to talk to Laura. She said they were still up there, almost three years later, scratching away.

"I don't know how you do it. I'd be scared," I said, trying to lighten the mood.

She told me how they made it hard to sleep at night. In another attempt at laughter, I said "At least you're moving."

She said they were going to live in their car and started crying. Then I realized why nothing was done about their trash. Nothing was done about the raccoons in the attic. The only thing done was rent collection.

Sincerely,

Benjamin Toher

Case No. REZ15-11: Petition of Gary Thrapp for the rezoning of .44 acres, more or less, of real property located at 1517 Spring Street from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development to facilitate residential development (four units).

The City Plan and Zoning Commission will conduct a public hearing concerning this matter at **5:00 p.m., Tuesday July 14, 2015** in the **Council Chambers of Davenport City Hall at 226 West 4th Street**, Davenport, Iowa.

This public hearing is the first step in the review/approval process. The City Plan and Zoning Commission will consider (vote on a recommendation) the petition at its regular meeting on Tuesday August 4, 2015. The Commission's report and recommendation will then be forwarded to the City Council. The City Council will then hold its own public hearing, as required by state law. You should also receive a notice of the City Council's public hearing. For the ordinance to be approved, it must be read/considered at three (3) separate City Council meetings. For the specific dates and times of subsequent meetings, please call the phone number below.

It is your privilege to submit written comments on this petition or to attend the public hearing to express your views, or both. All protests within the 200 foot notice area or the area being considered must be made in writing to be valid. Any written comments to be reported at the Commission's public hearing should be received in the office of Community Planning, City Hall, not later than 12:00 noon, on the day of the public hearing, though protests may be received up through the City Council's public hearing.

They will try and place Section 8. And I never have a family of Section 8, who are not the true renters, as long as the money comes in. Let Gary build a nice single story home and move in. Then he will care about the neighborhood. I've lived here 50 years. This is not for the betterment of the neighborhood.

The idea of having an apartment building or any complex apartment on Spring Street will cause problems with our parking, getting into & from our driveway and with our peace. Spring Street is a narrow street as it is and putting a building apartment complexes will put a strain on our residents and also for the handicapped. We rather see houses built like the ones on Spring Street

Re: Petition of Gary Thrapp (REZ15-11)

When we moved into our house in 2007, I wasn't sure of what kind of neighborhood we were moving into. The house next door to us, Gary Thrapp's property at 1517 Spring St., was rundown as were a couple other houses on the block, but most were nice little ranch style houses well taken care of. All of the homes are single family homes.

We have been there seven and a half years, and my reservations about my neighborhood has turned into a love for our neighbors. My children play with their children in each others homes. As parents, we can trust each other with our kids. Even the other neighbors, whom I wasn't familiar with until Mr. Thrapp's meeting on July 7th, are friendly and keep their homes in good repair, so I like them too. With a fourplex going in, I worry about tenants moving in and out. Parking will be a problem if any visitors are had with the narrow street.

I learned in the meeting on July 7th that he has owned 1517 Spring Street for fifteen years, and he also told us he charges \$850 rent. He also plans on charging that for each unit in his fourplex. He told us in that meeting that his improvements to Americana turned that place around. I disagree, and I don't want that next door to me. Is it going to be section 8 housing?

This meeting, being about whether Gary and Annette Thrapp should be allowed to rezone and build four rental units at 1517 Spring Street, should also be about what said property will look like in fifteen years. So we should look at the last fifteen and decide how it will be.

My first time meeting them was when the last renters moved in, approximately three years ago. they had mowed and had a campfire burning with their new tenants and I joined them around the fire. I was nice, but I made my grievences about the last two renters trash getting thrown on the ground outside the back door or on the front porch for animals to get into and me to pick up later.

They assured me they had no idea, they'd be on it from here on out.

I then asked why it only got mowed once a month. Mr. Thrapp said the renters were responsible for the mowing. I told them the last renters told me their push mower was broke.

"I had no idea" was Mr. Thrapps reply.

Then they told me they lived up the road, so you think they'd have some idea.

Squirrels have lived in the soffits for as long as we've been in our home. When the last renters lived there, so did a family of raccoons in the attic. I went over and told the woman by the name of Laura about it and she said she knew because she could hear them scratching around up there.

"Did you tell the landlord," I asked.

"They're calling someone," Laura said.

When I saw them moving out, I went over to talk to Laura. She said they were still up there, almost three years later, scratching away.

"I don't know how you do it. I'd be scared," I said, trying to lighten the mood.

She told me how they made it hard to sleep at night. In another attempt at laughter, I said "At least you're moving."

She said they were going to live in their car and started crying. Then I realized why nothing was done about their trash. Nothing was done about the raccoons in the attic. The only thing done was rent collection.

Sincerely,

Benjamin Toher

Case No. REZ15-11: Petition of Gary Thrapp for the rezoning of .44 acres, more or less, of real property located at 1517 Spring Street from "R-4" Moderate Density Dwelling District to "R-4 PUD" Moderate Density Dwelling District Planned Unit Development to facilitate residential development (four units).

The City Plan and Zoning Commission will conduct a public hearing concerning this matter at **5:00 p.m., Tuesday July 14, 2015** in the **Council Chambers of Davenport City Hall at 226 West 4th Street**, Davenport, Iowa.

This public hearing is the first step in the review/approval process. The City Plan and Zoning Commission will consider (vote on a recommendation) the petition at its regular meeting on Tuesday August 4, 2015. The Commission's report and recommendation will then be forwarded to the City Council. The City Council will then hold its own public hearing, as required by state law. You should also receive a notice of the City Council's public hearing. For the ordinance to be approved, it must be read/considered at three (3) separate City Council meetings. For the specific dates and times of subsequent meetings, please call the phone number below.

It is your privilege to submit written comments on this petition or to attend the public hearing to express your views, or both. All protests within the 200 foot notice area or the area being considered must be made in writing to be valid. Any written comments to be reported at the Commission's public hearing should be received in the office of Community Planning, City Hall, not later than 12:00 noon, on the day of the public hearing, though protests may be received up through the City Council's public hearing.

Resolution of support for Strategic Behavioral Health, LLC to construct a 72 bed psychiatric hospital in Scott County, Iowa. [All Wards]

Recommendation:
Approve the resolution.

Relationship to Goals:
Added emphasis on economic development.

Background:
Strategic Behavioral Health, LLC (SBH) is a private company based in Memphis, TN. SBH owns and operates a total of eight inpatient psychiatric hospitals and residential treatment facilities throughout the United States. In addition they have three facilities under development.

Through a detailed selection process, SBH has identified Scott County as an area that has a demonstrated need for additional mental health facilities. The anticipated service area would include Scott, Clinton, Muscatine, Cedar and Jackson counties. SBH's facility would include children and adolescent psychiatric beds. There are currently no children and adolescent beds in the five county Iowa region.

The hospital is anticipated to be over 52,000 square feet and employ up to 250 new high paying positions.

Resolution offered by Alderman _____.

RESOLVED by the City Council of the City of Davenport.

Resolution of support for Strategic Behavioral Health, LLC to construct a 72 bed psychiatric hospital in Scott County, Iowa.

WHEREAS, Strategic Behavioral Health, LLC (SBH, LLC) is requesting a Certificate of Need for the construction, development, and establishment of a 72 bed, 52,260 square foot Psychiatric Hospital to be located in Scott County, IA; and

WHEREAS, The service area of the proposed Psychiatric Hospital will be Scott County, Clinton County, Muscatine County, Cedar County and Jackson County in Iowa serving psychiatric and chemical dependency patients; and

WHEREAS, Representatives from SBH, LLC have met in person with City Leaders to discuss the nature of the project in great detail, including the scope of services and population to be treated; and

WHEREAS, The City believes there to be a need for the proposed 72 additional inpatient psychiatric beds; The City believes this project to be financially feasible; and The City believes that this project will contribute to the orderly development of healthcare planning within its designated services area and throughout the State of Iowa; and

WHEREAS, There are zero children and adolescent inpatient psychiatric beds available in the proposed five county service area. There are no other free-standing inpatient Psychiatric Hospitals in the same proposed service area; and

WHEREAS, Large portions of the population must travel outside the area in order to receive needed health care, increasing both costs as well as probability of a less than desirable outcome; and

WHEREAS, There is a large and growing need for psychiatric health care in the five county service area.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Davenport, Iowa requests that the Certificate of Need be approved so that SBH, LCC can help fill the demand of quality psychiatric care in our service area and provide up 250 new, high paying jobs while providing lower cost psychiatric health care to the State.

RESOLUTION offered by Alderman Ambrose

RESOLVED by the City Council of the City of Davenport.

RESOLUTION granting permission to Central Scott Telephone to install Buried Communications Cable within public right-of-way in the City of Davenport along Hillandale Road from Northwest Boulevard to Research Parkway.

WHEREAS, Central Scott Telephone (The Owner) has submitted a request to construct buried communications cable within public right-of-way in the City of Davenport. Line 2015-F9 will be installed along the northerly side of Hillandale Road from Northwest Boulevard to Research Parkway, a distance of approximately 1,700 feet; and

WHEREAS, the Engineering Division as well as IT and Legal Departments of the City of Davenport, Iowa (the "City") have reviewed said plans and recommend permission be granted for the installation, as described, subject to conditions.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA: that permission is hereby granted to The Owner to install buried communications cable in accordance with the attached plans subject to the following conditions which shall be accepted in writing by The Owner

1. That The Owner shall hold the City harmless, defend and indemnify it from any and all liability for claims of any nature arising from the granting of this authorization of the activities or work performed by The Owner as a consequence thereof, or as the result of the damage, interruption or any other matters relating to the cable and connection therewith or as a result thereof, except as otherwise limited by the provisions of paragraph 9, and that The Owner hold harmless, defend and indemnify the City from any such claims. Further, that The Owner shall name the City and its employees as additional insureds on its liability insurance coverage in limits to be set from time to time by the City Council and initially set at \$1 million each year.
2. That The Owner shall pay all costs for the construction and maintenance of their cable.
3. That The Owner shall coordinate all traffic control required for this project with the Traffic Engineering Division of the Public Works Department and shall be responsible for all costs related to traffic control.
4. That, at the direction of the City Council, The Owner shall remove and replace, relocate, or otherwise adjust said cable in order to provide for the maintenance, construction, or reconstruction of any City owned utility or public improvements within the City of Davenport, Iowa, or, for any other reasonable public cause determined at the discretion of the City Council of Davenport.
5. That all excavations for laying pipes, cable or lines shall be made in such a manner as will not interfere with any gas, sewer, water or other pipes or infrastructure theretofore laid and so as to avoid, so far as possible, obstructing any street or alley or the drainage thereof,

and said streets, avenues and alleys shall be promptly repaired and restored to a condition as good as the same were in prior to the laying of said pipes and any pavement or other surfacing removed shall be repaired and restored with the same kind of material as was used in the construction of the pavement or other surfacing so removed. Settling in any street, avenue or alley caused by such excavations shall be promptly repaired by The Owner and all repairs and replacements shall be to the satisfaction of the City officials; but before opening or making any excavation with in any street or alley rights of way, The Owner shall secure from said City a written permit to do so, except in case of emergency, which permit said City shall issue to The Owner upon reasonable terms and conditions. The Owner shall be responsible for payment of the Standard Excavation Permit Fees established by City Council prior to receiving said permit. The permit fee includes a \$1.00 per foot Disruption Fee where applicable.

6. That the contractor performing the work shall comply with all City Ordinances covering the work, including permits and bonding.
7. That The Owner shall contract with a "One Call" utility notification service for receiving notice on the location of the cable for the time the cable shall be in place and in service.
8. That The Owner shall be responsible for obtaining necessary legal consent and permission from railroad companies, the Iowa Department of Transportation, private and public agencies and other persons or organizations that have a legal interest, and this Resolution is subject to such permission, consent and clearance being obtained from such entities.
9. Unless caused by gross negligence or willful, intentional or malicious conduct by city employees, The Owner releases the City and its employees for and from any and all liability for any damage or interruption, or of any other nature directly or indirectly related to the existence of the cable and related facilities, which at any time occur in the future.
10. The Owner will provide the City of Davenport as built drawings in an electronic format suitable to the City of the entire route.

Passed and approved this 26th day of August, 2015

BE IT FURTHER RESOLVED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA: That the City Engineer is authorized to issue a permit for construction of said cable when the applicable terms and conditions have been met.

Resolution No. _____

Resolution offered by Alderman Ray Ambrose

RESOLVED by the City Council of the City of Davenport.

RESOLUTION assessing the cost of weed cutting at various lots and tracts of real estate.

WHEREAS, that the following lots or tracts of real estate situated in the City of Davenport, and the owners, thereof, be hereby assessed the amounts set forth, and the same being the cost of weed cutting on said lots or tracts.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport that the City treasurer be and is hereby ordered to collect the same as ordinary taxes to-wit.

BE IT FURTHER RESOLVED: If any amount assessed against property herein does not exceed \$500.00, such assessment must be made in 1 annual payment; if amount assessed exceeds \$500.00, such assessment may be in 10 annual installments; in the manner and with the same interest rate provided for assessment against benefited property under the State Code of Iowa as amended with the current interest rate of 9%. All assessments bear interest at the current rate of 9%.

Resolution No. _____

Resolution offered by Alderman Ray Ambrose

RESOLVED by the City Council of the City of Davenport.

RESOLUTION assessing the cost of snow removal from sidewalks at various lots and tracts of real estate.

WHEREAS, that the following lots or tracts of real estate situated in the City of Davenport, and the owners, thereof, be hereby assessed the amounts set forth, and the same being the cost of snow removal from sidewalk at various lots and tracts of real estate.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport that the City treasurer be and is hereby ordered to collect the same as ordinary taxes to -wit.

BE IT FURTHER RESOLVED: If any amount assessed against property herein does not exceed \$500.00, such assessment must be made in 1 annual payment; if amount assessed exceeds \$500.00, such assessment may be in 10 annual installments; in the manner and with the same interest rate provided for assessment against benefited property under the State Code of Iowa as amended with the current interest rate of 9%. All assessments bear interest at the current rate of 9%.

Resolution entering into an agreement between the Waste Commission of Scott County ("Commission"), a 28E entity under the Code of Iowa, and the City of Davenport, Iowa ("City"), a Commission member and a governmental subdivision under the laws of the State of Iowa, to implement Single Stream Recycling within Scott County. [All Wards]

Recommendation:

Approve the resolution and sign the agreement.

Relationship to Goals:

Improve green and blue infrastructure.

Background:

The Scott County Waste Commission, through its members, has adopted a resolution to implement single stream recycling in Scott County. The purpose is to increase the diversion of recyclable materials from its landfill and so such recyclable materials can be further processed, reused and/or repurposed.

The City has committed to provide Davenport's residents with new recycling carts connected to this initiative. To help purchase these carts, the Scott County Waste Commission will enter into a written agreement with Closed Loop Fund, LP to purchase the carts at zero percent interest over a ten year period. The City of Davenport will take possession of 34,775 carts, representing 71.7% of the total purchase of \$2.725 million. To that end, the City will be responsible for 120 monthly payments in the amount of \$16,281.87.

To make the City's payment, the City will forgo all profits generated by the sale of recyclables delivered to the Commission until the loan is paid in full. After that point, the City will receive 50% of profit after an \$80/ton processing fee.

Resolution offered by Alderman Justin:

RESOLVED by the City Council of the City of Davenport.

RESOLUTION entering into an agreement between the Waste Commission of Scott County ("Commission"), a 28E entity under the Code of Iowa, and the City of Davenport, Iowa ("City"), a Commission member and a governmental subdivision under the laws of the State of Iowa to implement Single Stream Recycling within Scott County.

WHEREAS, the Commission through its members has adopted a resolution to implement single stream recycling in Scott County to increase the diversion of recyclable materials from its landfill and so such recyclable materials can be further processed, reused and/or repurposed; and

WHEREAS, the City currently provides municipal curbside pickup of recyclables to its residents, and in order to facilitate and assist its residents in converting to single stream recycling and so as to further enhance recycling utilization by its residents, the City has committed to provide residents with single stream recycling carts from which all collected recyclables will be delivered to the Commission for processing; and

WHEREAS, the City has requested the Commission to assist in procurement of single stream recycling carts which shall become the property of the City upon delivery; and

WHEREAS, to assist its members, including the City, with the acquisition of single stream recycling carts, the Commission has become aware of the availability of Two Million Seven Hundred Twenty-Five Thousand Dollars (\$2,725,000.00) to purchase the necessary carts for Commission members from Closed Loop Fund, LP ("Closed Loop"). It is the intent of the Commission to borrow said funds from Closed Loop at zero percent (0%) interest over the period of ten (10) years; and

WHEREAS, in reliance upon the covenants below, the Commission shall enter a written Agreement with Closed Loop, to borrow Two Million Seven Hundred Twenty-Five Thousand Dollars (\$2,725,000.00) (the "Loan"), the proceeds of which shall be used to purchase single stream recycling carts for the benefit of the City and other Commission members; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Davenport, that the attached single stream recycling agreement is approved in accordance with the conditions provided within this document.

SINGLE STREAM RECYCLING AGREEMENT

This Agreement is entered into this _____ day of _____, 2015, between the Waste Commission of Scott County ("Commission"), a 28E entity under the Code of Iowa, and the City of Davenport, Iowa ("City"), a Commission member and a governmental subdivision under the laws of the State of Iowa.

RECITALS

1. The Commission through its members has adopted a resolution to implement single stream recycling in Scott County to increase the diversion of recyclable materials from its landfill and so such recyclable materials can be further processed, reused and/or repurposed.

2. The City currently provides municipal curbside pickup of recyclables to its residents, and in order to facilitate and assist its residents in converting to single stream recycling and so as to further enhance recycling utilization by its residents, the City has committed to provide residents with single stream recycling carts from which all collected recyclables will be delivered to the Commission for processing.

3. The City has requested the Commission to assist in procurement of single stream recycling carts which shall become the property of the City upon delivery.

4. To assist its members, including the City, with the acquisition of single stream recycling carts, the Commission has become aware of the availability of Two Million Seven Hundred Twenty-Five Thousand Dollars (\$2,725,000.00) to purchase the necessary carts for Commission members from Closed Loop Fund, LP ("Closed Loop"). It is the intent of the Commission to borrow said funds from Closed Loop at zero percent (0%) interest over the period of ten (10) years.

5. In reliance upon the covenants below, the Commission shall enter a written Agreement with Closed Loop, to borrow Two Million Seven Hundred Twenty-Five Thousand Dollars (\$2,725,000.00) (the "Loan"), the proceeds of which shall be used to purchase single stream recycling carts for the benefit of the City and other Commission members.

AGREEMENT

A. The Commission shall purchase a total of Forty-Eight Thousand Five Hundred (48,500) carts, together with the necessary equipment, assembly, and delivery at a price not to exceed Two Million Seven Hundred Twenty-Five Thousand Dollars (\$2,725,000.00) utilizing proceeds from a loan from Closed Loop.

B. The City shall take possession of Thirty-Four Thousand Four Hundred Eighty-Four (34,775) carts which is Seventy-One point Seven percent (71.7%) of the total carts purchased by the Commission and shall disperse the same to households within the City for use

in single stream recycling, as well as replacements and additions, which possession shall at all times be subject to the first lien on the carts granted to Closed Loop under the Commission's Term Loan Facility Agreement with Closed Loop being entered into contemporaneously herewith in order to secure the obligations of the Commission to Closed Loop thereunder. The City hereby acknowledges and agrees that all of its rights to the carts are subject and subordinate to the security interest of Closed Loop therein.

C. The City as owner of the carts shall insure or otherwise protect the carts from casualty loss, destruction, or threat.

D. It is understood and agreed that the Commission will use Fifty percent (50%) of profit after Eighty Dollar (\$80.00) processing fee from the sale of processed recyclables from the City of Davenport, and diverted TIP fees from the recycling facility and landfill which will continue to be billed and paid by the City, together with those of other Commission members, to make One Hundred Twenty (120) monthly payments to the Closed Loop of not less than Twenty-Two Thousand Seven Hundred Eight and 33/100 Dollars (\$22,708.33). However, as the beneficiary and owner of Seventy-One point Seven percent (71.7%) of the Carts purchased with the loan proceeds from the Closed Loop, the City acknowledges that it is responsible for, and does hereby guarantee, payment of Seventy-One point Seven percent (71.7%) of the minimum monthly payment of Twenty-Two Thousand Seven Hundred Eight and 33/100 Dollars (\$22,708.33) or Sixteen Thousand Two Hundred Eighty-One and 87/100 Dollars (\$16,281.87) owed by the Commission to the Closed Loop.

E. The City shall forgo all profits generated by the sale of recyclables delivered to the Commission by the City until such time that the loan from Closed Loop is paid in full, after which time the City shall receive Fifty percent (50%) of the net proceeds from the sale of the recyclables it delivers through single stream recycling to the Commission after payment of an Eighty Dollar (\$80.00) per ton processing fee.

F. This Agreement shall commence on the date the Agreement is executed by both of the parties and shall continue indefinitely, but in no event shall it be terminated, altered, or modified during the first twelve (12) years of its existence without the consent of both the City and the Commission and further, it shall be governed by the laws of the State of Iowa.

G. All parts and provisions of this Agreement are severable and if any part or provision is held invalid, the rest of the Agreement shall remain in full force and effect.

H. The parties hereto acknowledge and agree that Closed Loop is a third party beneficiary hereof.

Resolution authorizing the Waste Commission of Scott County to proceed to issue Solid Waste Disposal Revenue Bonds.

Recommendation:
Approve the resolution.

Relationship to Goals:
Improve green and blue infrastructure.

Background:
As part of the overall implementation of single stream recycling within Scott County, the Scott County Waste Commission needs to undertake a capital improvement project for its Material Recovery System and its Material Recovery Facility. The Scott County Waste Commission, as has been done in the past, has asked Scott County to issue the bonds on its behalf, not to exceed \$9M.

This resolution states that the City shall not become obligated for payment of the Commission's bonds, nor shall they count against or affect the city's debt limit or bonding capacity. In addition, the City agrees that it cannot withdraw from the Commission while the bonds are outstanding without approval and payment of its share of debt or liability.

CITY RESOLUTION

Resolution offered by Alderman Justin:

RESOLVED by the City Council of the City of Davenport.

RESOLUTION Authorizing the Waste Commission of Scott County to proceed to issue Solid Waste Disposal Revenue Bonds

WHEREAS, the City is a member of the Waste Commission of Scott County (the “Commission”), pursuant to a Revised Intergovernmental Agreement under authorization of Chapters 28E, 28F, 28G and 455B of the Code of Iowa (the “Intergovernmental Agreement”); and

WHEREAS, the Commission is proposing to undertake a capital improvement project for its Material Recovery System and its Material Recovery Facility, including, without limitation, building improvements, related material recovery equipment and related land improvements (the “Project”); and

WHEREAS, the Board of Supervisors of Scott County has agreed to issue its not to exceed \$9,000,000 County General Obligation Bonds, in one or more series, (the “County Bonds”) to provide funds for the Project and payment of costs associated with the issuance of the County Bonds, with the understanding that the County Bonds will be paid from the Commission’s net revenues, and on the condition that the Commission issue its not to exceed \$9,000,000 Solid Waste Disposal Revenue Bonds or Note, in one or more series (the “Commission Bonds”) to be held by the County as security for the payment of debt service on the County Bonds; and

WHEREAS, pursuant to Section 5.3 of the Intergovernmental Agreement the Commission has the power and authority to borrow money and issue the Commission Bonds secured by the net revenues of the Commission or other lawful funds and any member of the Commission not consenting to the issuance of the Commission Bonds will not be allowed to utilize the disposal facilities (including the Project) of the Commission except through separate contract; and

WHEREAS, it is deemed necessary and advisable that the City consent to the issuance of the Commission Bonds by the Commission;

NOW, THEREFORE, It Is Resolved by the City Council of the City of Davenport, Iowa, as follows:

Resolution No. _____

Section 1. The City hereby consents to the Waste Commission of Scott County issuing the Commission Bonds and authorizes it to exercise its power to issue the Commission Bonds and take any and all action necessary related thereto, upon such terms as may be determined by the Board of the Commission, in a principal amount not to exceed \$9,000,000, provided that such Commission Bonds shall be payable solely from the net revenues of the Commission and shall not be or become a general obligation of this City or of any other public agency participating in the Commission.

Section 2. The City shall not in any way become obligated for payment of the Commission Bonds nor shall they count against or affect the city's debt limit or bonding capacity.

Section 3. The City acknowledges and agrees that it cannot withdraw from the Commission while the Commission Bonds are outstanding without the approval of the Commission and the payment of its share of any debt or liability for the Commission Bonds as required by Section 7.3 of the Intergovernmental Agreement.

Section 4. All resolutions or parts of resolutions in conflict herewith are hereby repealed.

Motion amending the FY 2016 Budget to include an additional \$1.6 million in additional Road Use Tax revenue to be used for completing various street maintenance CIP projects and an equipment purchase. [All Wards]

Recommendation:

Approve the motion.

Relationship to Goals:

Improve transportation and street network.

Background:

In February of 2015, Iowa's legislature passed a \$0.10 motor fuel tax rate increase. The rate increased from \$0.21/gallon to \$0.31/gallon. The measure was aimed at improving street and bridge infrastructure across the State of Iowa. The \$0.10 increase will provide approximately \$1.6 million in additional revenue to the City of Davenport within the Road Use Tax Fund. The recommendation is to allocate the additional funding to the below projects:

Expenditure Type	Expenditure Item	Amount
CIP	Micro-Surfacing	\$ 724,000
