Second Consideration: Ordinance for Case REZ18-18: Request by Ahmed Ismail, for WK Development, to rezone 0.83 acres, more or less, of property located immediately northwest of the intersection of Elsie Avenue and West Kimberly Road from R-5M Medium Density Residential to C-2, General Commercial District. [Ward 2]

**COMMITTEE OF THE WHOLE RECOMMENDS SUSPENSION OF THE RULES AND
PASSAGE ON SECOND CONSIDERATION**

Recommendation:

Adopt the Ordinance.

Background:

Proposal is to allow commercial development. Property is located between commercial development both to the east and west.

Comprehensive Plan

-

The property is located within the Urban Service Boundary

The Future Land Use Map designates this property as RG, Residential.

Residential General (RG) - Designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher intensity may be considered.

The property is located adjacent to property designated as RC, Regional Commercial.

Regional Commercial (RC) - The most intense commercial areas that have service boundaries that extend beyond the City limits of Davenport. Areas designated RC should be located at the intersections of major streets and have good access to interstate and other highways. Typical uses include big box retail and large office complexes; although some residential, service and institutional uses may also be located within RC. Most people will drive or take transit to areas designated RC. However, good pedestrian systems should serve these areas and focus on connectivity from the street, through parking lots and between individual uses with connectivity to nearby neighborhoods being less important.

Technical Review

-

Comments received have been incorporated into the conditions below.

Public Input

Signs were posted on the property on November 21.

A neighborhood meeting was held on December 10. No members of the public attended.

Discussion

This property is one of very few residentially zoned parcels along west Kimberly Road. It is immediately west of the new Genesis Clinic. The intersection of West Kimberly and Elsie is signalized and can accommodate additional traffic. The long-term viability of these properties as residential can be questioned.

Staff believes that this property would be attractive as a commercial development site, and has the opportunity to generate additional interest in commercial development in this corridor.

At its January 15, 2019 meeting, the Plan and Zoning Commission accepted the findings and forwarded this case to the City Council for approval.

Findings

Property is located on an edge of an area designated as RG, Residential General, in the Comprehensive Plan.

Property is located between commercially zoned property.

The Elsie Avenue intersection is signalized and can accommodate additional commercial traffic.

Conditions

1. Iowa Department of Transportation will need to be contacted for work along Highway.
2. Extension of right of way line from west property along Kimberly may need to be dedicated.
3. No parking along west side Elsie along proposed commercial development
4. Access to proposed development shall be no closer to Kimberly intersection than the north line of existing 3916 Elsie address.

Section 4. The CFO/Assistant City Administrator is hereby designated as the Bond Registrar and Paying Agent for the Series 2019 Bonds and may be hereinafter referred to as the “Bond Registrar” or the “Paying Agent”.

All of the interest on the Series 2019 Bonds is payable semiannually on the first day of June and December in each year, commencing December 1, 2019. Payment of interest on the Series 2019 Bonds shall be made in lawful money of the United States of America to the registered owners appearing on the bond registration books of the City at the close of business on the fifteenth day of the month next preceding the interest payment date and shall be paid to the registered owners at the addresses shown on such registration books. Principal of the Series 2019 Bonds shall be payable in lawful money of the United States of America to the registered owners or their legal representatives upon presentation and surrender of the Series 2019 Bond or Bonds at the office of the Paying Agent.

The City reserves the right to call for redemption prior to maturity the Series 2019 Bonds maturing in the years 2028 to 2034, inclusive, in whole or from time to time in part, in one or more units of \$5,000, on June 1, 2027, or on any date thereafter prior to and in any order of maturity (and within a maturity by lot), upon terms of par and accrued interest. If less than all of the Series 2019 Bonds of any like maturity are to be redeemed, the particular part of those Series 2019 Bonds to be redeemed shall be selected by the Registrar by lot. The Series 2019 Bonds may be called in part in one or more units of \$5,000.

If less than the entire principal amount of any Series 2019 Bond in a denomination of more than \$5,000 is to be redeemed, the Registrar will issue and deliver to the registered owner thereof, upon surrender of such original Series 2019 Bond, a new bond or bonds, in any authorized denomination, in a total aggregate principal amount equal to the unredeemed balance of the original Series 2019 Bond. Notice of such redemption as aforesaid identifying the bond or bonds (or portion thereof) to be redeemed shall be sent by electronic means or mailed by certified mail to the registered owners thereof at the addresses shown on the City’s registration books not less than 30 days prior to such redemption date. Any notice of redemption may

contain a statement that the redemption is conditioned upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Series 2019 Bonds so called for redemption, and that if funds are not available, such redemption shall be cancelled by written notice to the owners of the Series 2019 Bonds called for redemption in the same manner as the original redemption notice was sent. All of such Series 2019 Bonds as to which the City reserves and exercises the right of redemption and as to which notice as aforesaid shall have been given and for the redemption of which funds are duly provided, shall cease to bear interest on the redemption date.

The Series 2019 Bonds shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor and attested with the official manual or facsimile signature of the Deputy City Clerk, and shall be fully registered bonds without interest coupons. In case any officer whose signature or the facsimile of whose signature appears on the Series 2019 Bonds shall cease to be such officer before the delivery of the Series 2019 Bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery.

The Series 2019 Bonds shall be fully registered as to principal and interest in the names of the owners on the registration books of the City kept by the Bond Registrar. Each Series 2019 Bond shall be transferable only upon the registration books of the City upon presentation to the Bond Registrar, together with either a written instrument of transfer satisfactory to the Bond Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Series 2019 Bonds shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

The Series 2019 Bonds shall not be valid or become obligatory for any purpose until the Certificate of Authentication thereon shall have been signed by the Bond Registrar.

Section 5. Notwithstanding anything above to the contrary, the Series 2019 Bonds shall be issued initially as Depository Bonds, with one fully registered Series 2019 Bond for each maturity date, in aggregate principal amounts equal to the amount of principal maturing on each such date, and registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). On original issue, the Series 2019 Bonds shall be deposited with DTC for the purpose of maintaining a book-entry system for recording the ownership interests of its participants and the transfer of those interests among its participants (the "Participants"). In the event that DTC determines not to continue to act as securities depository for the Series 2019 Bonds or the City determines not to continue the book-entry system for recording ownership interests in the Series 2019 Bonds with DTC, the City will discontinue the book-entry system with DTC. If the City does not select another qualified securities depository to replace DTC (or a successor depository) in order to continue a book-entry system, the City will register and deliver replacement bonds in the form of fully registered certificates, in authorized denominations of \$5,000 or integral multiples of \$5,000, in accordance with instructions from Cede & Co., as nominee for DTC. In the event that the City identifies a qualified securities depository to replace DTC, the City will register and deliver replacement bonds, fully registered in the name of such depository, or its nominee, in the denominations as

set forth above, as reduced from time to time prior to maturity in connection with redemptions or retirements by call or payment, and in such event, such depository will then maintain the book-entry system for recording ownership interests in the Series 2019 Bonds.

Ownership interest in the Series 2019 Bonds may be purchased by or through Participants. Such Participants and the persons for whom they acquire interests in the Series 2019 Bonds as nominees will not receive certificated Series 2019 Bonds, but each such Participant will receive a credit balance in the records of DTC in the amount of such Participant's interest in the Series 2019 Bonds, which will be confirmed in accordance with DTC's standard procedures. Each such person for which a Participant has an interest in the Series 2019 Bonds, as nominee, may desire to make arrangements with such Participant to have all notices of redemption or other communications of the City to DTC, which may affect such person, forwarded in writing by such Participant and to have notification made of all interest payments.

The City will have no responsibility or obligation to such Participants or the persons for whom they act as nominees with respect to payment to or providing of notice for such Participants or the persons for which they act as nominees.

As used herein, the term "Beneficial Owner" shall hereinafter be deemed to include the person for which the Participant acquires an interest in the Series 2019 Bonds.

DTC will receive payments from the City, to be remitted by DTC to the Participants for subsequent disbursement to the Beneficial Owners. The ownership interest of each Beneficial Owner in the Series 2019 Bonds will be recorded on the records of the Participants whose ownership interest will be recorded on a computerized book-entry system kept by DTC.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the City to DTC, and DTC shall forward (or cause to be forwarded) the notices to the Participants so that the Participants can forward the same to the Beneficial Owners.

Beneficial Owners will receive written confirmations of their purchases from the Participants acting on behalf of the Beneficial Owners detailing the terms of the Series 2019 Bonds acquired. Transfers of ownership interest in the Series 2019 Bonds will be accomplished by book entries made by DTC and the Participants who act on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Series 2019 Bonds, except as specifically provided herein. Interest and principal will be paid when due by the City to DTC, then paid by DTC to the Participants and thereafter paid by the Participants to the Beneficial Owners.

Section 6. The form of the Series 2019 Bonds shall be substantially as follows:

Section 9. A certified copy of this ordinance shall be filed with the County Auditor of Scott County, and the County Auditor is hereby instructed to enter for collection and assess the tax hereby authorized. When annually entering such taxes for collection, the County Auditor shall include the same as a part of the tax levy for Debt Service Fund purposes of the City and when collected, the proceeds of the taxes shall be converted into the Debt Service Fund of the City and set aside therein as a special account to be used solely and only for the payment of the principal of and interest on the Series 2019 Bonds hereby authorized and for no other purposes whatsoever. The amounts received by the City as accrued interest shall be deposited into such special account and used to pay interest due on the Series 2019 Bonds on the first interest payment date.

Section 10. The interest or principal and both of them falling due in any year or years shall, if necessary, be paid promptly from current funds on hand in advance of taxes levied and when the taxes shall have been collected, reimbursement shall be made to such current funds in the sum thus advanced.

Section 11. The City has heretofore determined that certain revenues from special funds shall be available for retirement of that portion of the Series 2019 Bonds utilized to defray the costs of certain projects related to such funds. Therefore, such funds may be employed and used to the extent available from year to year for the payment of that portion of the principal of and interest on the Series 2019 Bonds which is applicable to that portion of the total Series 2019 Bond issue applicable to such fund. Each year while any of said Series 2019 Bonds remain outstanding and unpaid, such of said available funds in amounts sufficient to meet the interest on that portion of the Series 2019 Bonds applicable to such fund and to pay the principal becoming due on such portion of the Series 2019 Bonds during each year may be used for that purpose, in accordance with the Series 2019 Bond Financing Plan on file with the CFO/Assistant City Administrator, and in that event, the tax hereinbefore provided for the payment of such interest and principal may be reduced by the amount so used. All interest received by the City as a result of investments under this section in excess of the amount, if any, required to be paid to the United States Government in order to comply with the rebate provisions of the Internal Revenue Code, shall be deposited into or transferred to the Debt Service Fund subaccount referred to herein and used solely and only for the purpose of paying principal of and/or interest on the Series 2019 Bonds. The City hereby covenants and agrees that no such investment shall ever be made so as to cause the interest on the Series 2019 Bonds to become taxable as “arbitrage bonds” pursuant to the provisions of Section 148 of the Internal Revenue Code.

Section 13. The Securities and Exchange Commission (the “SEC”) has promulgated certain amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (the “Rule”) that make it unlawful for an underwriter to participate in the primary offering of municipal securities in a principal amount of \$1,000,000 or more unless, before submitting a bid or entering into a purchase contract for such securities, it has reasonably determined that the issuer or an obligated person has undertaken in writing for the benefit of the holders of such securities to provide certain disclosure information to prescribed information repositories on a continuing basis so long as such securities are outstanding.

On the date of issuance and delivery of the Series 2019 Bonds, the City will execute and deliver a Continuing Disclosure Certificate pursuant to which the City will undertake to comply with the Rule. The City covenants and agrees that it will comply with and carry out the provisions of the Continuing Disclosure Certificate. Any and all of the officers of the City are hereby authorized and directed to take any and all actions as may be necessary to comply with the Rule and the Continuing Disclosure Certificate.

Section 14. It is the intention of the City that interest on the Series 2019 Bonds be and remain excluded from gross income for federal income tax purposes pursuant to the appropriate provisions of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations in effect with respect thereto (all of the foregoing herein referred to as the “Internal Revenue Code”). In furtherance thereof the City covenants to comply with the provisions of the Internal Revenue Code as they may from time to time be in effect or amended and further covenants to comply with applicable future laws, regulations, published rulings and court decisions as may be necessary to insure that the interest on the Series 2019 Bonds will remain excluded from gross income for federal income tax purposes. Any and all of the officers of the City are hereby

authorized and directed to take any and all actions as may be necessary to comply with the covenants herein contained.

Section 15. All ordinances or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Subject:
Resolution approving 2019 Urban Revitalization Tax Exemption projects.

Recommendation:
Adopt the Resolution.

Background:

The objective of the Urban Revitalization Tax Exemption (URTE) program is to encourage private investment by providing an exemption on the increase in property taxes resulting from improvements. The City presently has two Urban Revitalization areas: Central City and North.

The attached list provides the following information for each property: whether the property is residential, commercial, or industrial; the petitioner's name; the property address; the schedule of exemption chosen; and the cost of the improvements reported by the petitioner on the application form. (The exemption percentage is applied to the actual value of the improvements as determined by the City Assessor. The new assessed value is rarely equal to the cost of the improvements.) The term of the exemption varies according to the schedule selected by the petitioner. In all cases when the exemption period expires, the property will rise to the full taxable value. This year's applications represent a total private investment of over \$121 million spread amongst 78 projects. The attached map shows the location of the URTE projects.

The URTE program continues to be one of the City's best economic development tools. This program directly helps the City's taxpayers by lessening the burden of higher property taxes that often come with improvements.

Recommendation:
Adopt the Resolution.

Background:
Carleton Life Support dba Cobham Mission Systems is a long time manufacturing company in Davenport located at 2734 Rockingham Road. Cobham specializes in the design, development, fabrication, assembly and testing of complex military hardware.

Due to rapid growth Cobham will be making a significant investment into their facility, equipment and research and development estimated to be over \$67 million. This includes the addition of 150 new jobs paying at least \$19.30/hr. The addition of these positions will bring Cobham's total employment to 1002 full time employees.

In support of the project, the City will be offering property tax exemption through the Urban Revitalization Tax Exemption (URTE) program. The value of this exemption is estimated to be approximately \$195,000 over a ten year period. Cobham is also seeking assistance from the State of Iowa's High Quality Jobs program.

The approval of this Resolution documents the following terms:

1. City Council preliminary approval of City participation in the project in support of the company's application to the Iowa Economic Development Authority for financial assistance and serves as the source of any State required local match.

2. Authorizes the Mayor to sign documents as related to the project.

Resolution approving the proposed plans, specifications, form of contract, and estimated cost for the Pump Station 203 Generator & Controls Project CIP #30007. [Ward 6]

Recommendation:
Adopt the Resolution.

Background:

Sanitary sewer pump station PS 203 is located underground at the northeast corner of 18th Street and Marlo Avenue (3002 E. 18th Street). The wet well/dry well currently houses the electronic control panel for the station, where it is exposed to condensation and potential flooding. The condensation causes degradation of the electronic components, and the potential for flooding of the control panel could cause a complete station failure.

This project will relocate the control panel from the wet well/dry well to an above ground location near the alley at 2950 E. 18th Street. In addition, a backup power generator will be installed to provide power to the lift station pumps in the event of a local power outage.

This is the second bid on this project due to the first bids being higher than anticipated.

Recommendation:
Adopt the Resolution.

Background:

The City has held two budget work sessions on the operating and capital budgets. The recommended FY 2020 Budget presented to the Council is balanced, satisfies City Council liquidity policies, and maintains the current tax levy rate at \$16.78 per \$1,000 of taxable valuation. The overall budget for FY 2020 is \$226,693,479 and is up 7.9% from FY 2019.

This budget continues the City's practice of developing two-year budget plans. Two-year budget plans have proven successful in increasing fund balances and providing for long-term budget planning. The six-year Capital Improvement Plan includes more than \$230 million of capital projects.

Under the laws of the State of Iowa, the City is required to adopt an annual budget and certify it to the County Auditor no later than March 15 of each year. The City Administrator's Recommended Budget was presented prior to the required Public Hearing on February 13, 2019.

FY 2020 Proposed Budget Overview

	Adopted FY 2019	Proposed FY 2020
Operating	\$137,524,968	\$144,799,281
Capital	\$40,649,062	\$49,356,669
Debt	\$31,845,974	\$32,537,529
Total	\$210,020,004	\$226,693,479

The FY 2020 Proposed Budget of \$226,693,479 is presented as a balanced and core-competency driven budget and is up 7.9% compared to the FY 2019 Budget. The proposed FY 2020 Budget remains consistent with the following goals and policies established by the City Council:

- The FY 2020 Budget is balanced and maintains the current tax levy rate of \$16.78.
- General Fund unassigned reserve levels are expected to remain within 17-25% of expenditure costs. At the close of FY 2018, unassigned General Fund reserves are at 23.9% of General Fund expenditures. Unrestricted cash across all governmental funds increased 22.68% to \$61.7 million at the close of FY 2018.
- The following user fees will be increased in order to maintain cost-recovery and service-delivery:
 - Sewer Fee = 7.0%
 - Solid Waste Fee = 3.0%
 - Clean Water Fee = 3.0%
- The Proposed Budget is core-competency driven and preserves the current level of service to Davenport residents and the community, including all public safety response.

Taxable value in the City of Davenport will increase by 4.4%, which continues a second year of stronger-than-typical tax base growth. Although tax base growth was strong, the status of the commercial backfill State revenue remains uncertain for a second year.

The FY 2020 Budget continues to reduce the City's dependence on the backfill to fund operations. Because of stronger-than-expected property tax valuation growth and savings from the voluntary early separation program, no decrement list is necessary to balance the General Fund in the upcoming fiscal year.

Total pension costs remained relatively flat for FY 2020, increasing 0.6% to \$9.13M. Health insurance costs continue to rise and are estimated to be 8.0% higher in FY 2020.

The FY 2020 Capital Improvement Budget has increased 21% compared to the FY 2019 Budget. The larger-than-typical increase is caused by the addition of three projects in FY 2020: Disinfection of Treatment Plant Effluent at the Water Pollution Control Plan (\$5M), and the repair of two bridges currently owned privately by the railroad company (\$6.25M).

The Proposed Capital Improvement Budget accomplishes many of the goals established by the Mayor and City Council, including \$34 million in street (\$20M) and sewer projects (\$14M). Some FY 2020 project highlights from the six-year plan are presented below:

- \$5.0M for 53rd Street Reconstruction
- \$4.6M for the High Volume Street Repair Program
- \$1.0M for Main Street Landing improvements
- \$500K for Urban Revitalization
- \$1.0M for Concrete Neighborhood Street Replacement
- \$1.3M for Asphalt Neighborhood Street Repair
- \$700K for Creating Connections Sidewalk Program
- \$5.0M for Disinfection of Treatment Plan Effluent
- \$1.32M for CitiBus Fleet Replacement
- \$150K for Tree Debris Clearing on Streams
