Further, in the event of flooding, rent shall be abated during that time period the leased premises are declared to be unfit for occupancy by any authorized public authority.

20. ASSIGNMENT AND SUBLETTING

The Tenant shall not assign this Lease, or any interest therein, and shall not sublet the Leased Premises or any part thereof, or any right or privilege appurtenant thereto, or permit any other person (the agent and servants of the Tenant excepted) to occupy or use the Leased Premises, or any portion thereof without first obtaining the written consent of the Landlord, which shall not be unreasonably withheld. Consent by the Landlord to one assignment, subletting, occupation, or use by another person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person. Consent to an assignment shall not release the original named Tenant from liability which has accrued or occurred prior to the date of assignment. If the Landlord does not release the Tenant from liability, the Landlord shall give the Tenant notice of defaults by assignee and an opportunity to cure the same. Any assignment or subletting without the prior written consent of the Landlord shall be void, and shall, at the option of the Landlord, terminate this Lease. Neither this Lease nor any interest therein shall be assignable, as to the interest of the Tenant, by operation of law without the prior written consent of the Landlord. The Landlord shall give the Tenant prior notice of the assignment of this Lease and/or any interest of the Landlord therein.

21. DEFAULT, RE-ENTRY REMEDIES

If the Tenant shall fail to pay any part of the rent herein provided, or any other sum required by this Lease to be paid to the Landlord at the times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed, and such failure to perform other covenants shall continue for Thirty (30) Days after written notice thereof from the Landlord to the Tenant, then the Landlord, besides other rights or remedies it may have, shall have the immediate right of re-entry and may remove all persons and property from the Leased Premises without liability to any person for damages sustained by reason of such removal. Such property may be removed and stored in a public warehouse or elsewhere at the cost of, and for the account of, the Tenant.

22. DEFAULT, COSTS, AND ATTORNEY FEES

If the Tenant shall fail to pay any part of the rent herein provided, or any other sum required by this Lease to be paid to the Landlord at the times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed, then the Tenant shall be responsible for payment of all reasonable costs and attorney fees of the Landlord that result from the Landlord pursuing its rights and remedies.

23. SALE OF LEASED PREMISES BY LANDLORD

In the event of any sale of the Leased Premises, or assignment of this Lease by the Landlord, the Landlord shall give the Tenant prior notice of any such sale or assignment. The Landlord shall be relieved of liability under the Lease only in the event that the new Landlord agrees to the Lease and to not disturb the Tenant.

24. REIMBURSEMENT

A. All covenants and terms herein contained to be performed by the Tenant shall be performed by the Tenant at its expense, and if the Landlord shall pay any sum of money or do any act which requires the payment of money by reason of the failure, neglect, or refusal of the Tenant to perform such covenant or term, the sum or sums of money so paid by the Landlord shall be considered as additional rental and shall be payable by the Tenant to the Landlord on the first of the month next succeeding such payment, together with interest at the maximum rate permitted by law from the date of payment.

B. All covenants and terms herein contained to be performed by the Landlord shall be performed by the Landlord at its expense, and if the Tenant shall pay any sum of money or do any act which requires the payment of money by reason of the failure, neglect, or refusal of the Landlord to perform such covenant or term after written notice by the Tenant, the sum or sums of the money so paid by the Tenant shall be considered as rental and shall be deducted by the Tenant from the rent on the first of the month next succeeding such payment.

25. WAIVER

No covenant, term, or condition of this Lease shall be waived except by written waiver of the Landlord, and the forbearance or indulgence by the Landlord in any regard whatsoever shall not constitute a waiver of the covenant, term, or condition to be performed by the Tenant to which the same shall apply, and until complete performance by it of such covenant, term, or condition, the Landlord shall be entitled to invoke any remedy available under this Lease or by law despite such forbearance or indulgence. The waiver by the Landlord of any breach or term, covenant, or condition hereof shall apply to, and be limited to, the specific instance involved, and shall not be deemed to apply to any other instance or to any subsequent breach of the same or any other term, covenant, or condition hereof.

26. SUCCESSORS IN INTEREST

The covenants herein contained shall, subject to the provisions as to assignment, subletting, and sale of Leased Premises, apply to and bind the heirs, successors, executors, administrators, and assigns of all the parties hereto; and all of the parties shall be jointly and severally liable hereunder.

27. PARTIAL INVALIDITY

If any term, covenant, condition, or provision of this Lease is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

28. TIME

Time is of the essence with regard to performance of any obligations under this Lease.

29. EMINENT DOMAIN

A. If the whole of the Leased Premises shall be acquired or condemned by eminent domain for any public or quasi-public use or purpose, then the term of this Lease shall cease and terminate as of the date of title vesting in such proceeding, and all rentals shall be paid up to that date, and the Tenant shall have no claim against the Landlord for the value of any unexpired term of this Lease.

B. If any part of the Leased Premises shall be acquired or condemned by eminent domain or public or quasi-public use or purpose, and in the event that such partial taking or condemnation shall render the Leased Premises unsuitable for the business of the Tenant, which shall be at the Tenant's reasonable discretion, then the term of this Lease shall cease and terminate as of the date of title vesting in such proceeding and the Tenant shall have no claim against the Landlord for the value of any unexpired term of this Lease. In the event the Tenant determines the Leased Premises are not suitable, then it shall be relieved from further obligation of this Lease.

C. In the event of any condemnation or taking as hereinbefore provided, whether whole or partial, the Landlord and Tenant shall each be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to its respective interests in any condemnation proceeding.

D. Nothing herein shall be construed to preclude the Tenant from prosecuting any claim directly against the condemning authority in such condemnation proceedings for loss of business or depreciation to, damage to, or cost of removal of, or for value of stock, trade fixtures, furniture, or other personal property belonging to the Tenant.

30. MISCELLANEOUS

A. The Tenant shall be responsible to pay for Tenant's proportionate share of the Real Estate Taxes of the Leased Premises and any personal property taxes assessed on the equipment or fixtures owned by the Tenant. Tenant is solely responsible to keep itself informed of the assessment and collection of taxes.

B. The Landlord shall be responsible and pay for all snow removal, exterior landscaping, and all other exterior maintenance of the building and public areas surrounding the Leased premises. Tenant shall remove snow from the wooden deck on the south side of the building. The Tenant shall be responsible, however, for the interior and exterior window cleaning of the Leased Premises.

C. The Tenant is hereby provided the exclusive use of the space agreed to on the first floor of the Freight House building and accepts it as is, where is condition.

D. The Tenant is responsible for obtaining and renewing all licenses and permits necessary for its operation. The Tenant shall comply with all Federal, State, or local rules and regulations applicable to its operation.

31. GENERAL

A. This Lease shall be construed in accordance with the laws of the State of Iowa.

B. This Lease, and any exhibits attached hereto, sets forth all the covenants promises, agreements, conditions, or undertakings, either oral or written, between the Landlord and Tenant. Except as herein otherwise provided, no subsequent alteration, amendment, change, or addition to this Lease shall be binding upon the Landlord or Tenant unless reduced to writing and signed by both parties.

C. If the Landlord or Tenant herein shall be more than one party, then the obligations of such party or parties shall be joint and several.

D. The Landlord and Tenant acknowledge reliance on its own judgment and advice and counsel of its own attorney in interpreting this Agreement, and not in any manner on the other party.

IN WITNESS WHEREOF, the parties hereto have duly executed this lease in duplicate the day and year above written.
