Resolution No. _____

Resolution offered by Alderman R. Dunn.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION accepting work completed under the Modern Woodmen Park Fire Suppression System Replacement project by The Henley Group, LLC of Muscatine, Iowa in the amount of \$1,035,320, CIP #23076.

WHEREAS, the City entered into contract with The Henley Group, LLC of Muscatine, Iowa for the Modern Woodmen Park Fire Suppression System Replacement project; and

WHEREAS, the scope of work included removal of the existing fire suppression system and installation of a new system including overhead piping, fire pump controller, jockey pump, and fire pump; and

WHEREAS, the work of constructing the above-named project has been duly and fully completed by the contractor in accordance with the terms of the contract and accepted by the Engineering & Capital Projects Department; and

WHEREAS, the final cost of the contract was \$1,035,320.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that work completed under the Modern Woodmen Park Fire Suppression System Replacement project by The Henley Group, LLC of Muscatine, Iowa in the amount of \$1,035,320 is hereby accepted.

Passed and approved this 22nd day of May, 2024.

Second Consideration: Ordinance for Case ORD24-02 being the request of the City of Davenport to amend Chapter 17.08 entitled "Uses" of the Municipal Code of Davenport, Iowa by updating the billboard definition and principal use standards. [All Wards]

Recommendation:

Adopt the Ordinance.

Background:

Billboard Moratorium

Recent billboard installations have spurred conversations and questions regarding how to best regulate electronic and static billboards. At its December 13, 2023 meeting, City Council approved a moratorium upon new billboards until June 13, 2024. The purpose of the six-month moratorium was to allow time to study best practices throughout the country and to review potential code amendments. There are currently 73 billboards scattered throughout Davenport's commercial corridors, industrial parks, and downtown.

Plan and Zoning Commission

At its April 16, 2024 meeting, the Plan and Zoning Commission unanimously recommended Case ORD24-02 be forwarded to the City Council with a recommendation for approval subject to the proposed amendments and findings.

Findings

1. The proposed amendment is consistent with the Comprehensive Plan and adopted land use policies.
2. The proposed amendment promotes the public health, safety, and welfare of the City.
3. The proposed amendment is consistent with the intent and general regulations of the Zoning Ordinance.
4. The amendment reflects a change in policy and development trends.
5. The amendment will create additional non-conformities.

Proposed Ordinance Amendment

Based on input from City Council, the Plan and Zoning Commission, and the public, staff has identified a common concern regarding the regulation of electronic billboards. To address these concerns, staff is proposing an Ordinance amendment to better manage the placement and brightness of digital billboards. The attached ordinance amendment creates a set of general billboard regulations, applicable to billboards throughout the City. Separate standards are then

proposed for static and electronic billboards. The regulations for static billboards remain consistent with the current code requirements for distance separation, sign area, setbacks from residential districts, and number of faces allowed per structure. Given the growing concern over electronic billboards, a more restrictive set of requirements is proposed.

Existing nonconforming billboards and those made nonconforming by this ordinance amendment are subject to Section 17.15. The City is not ordering the removal of any billboards with the passage of this ordinance. However, electronic billboards shall comply with the proposed brightness regulations.

The following table outlines identified issues with existing billboards and proposed regulations designed to mitigate these concerns.

#	Identified Concern	Proposed Regulation
1	The C-2 Corridor Commercial District has no principal use setbacks.	Establish a standardized minimum setback of 25-feet from lot lines. A standard setback will preserve required landscaping and greenspace.
2	Commercial corridors in Davenport are over-signed.	Prohibit electronic billboards from the C-2 Corridor Commercial District.
3	Electronic billboards are visible from greater distances than traditional static billboards. Therefore, multiple electronic billboards may be visible from one location.	Increase separation distances between electronic billboards from 1,500 feet to 3,000 feet.
4	The scale and intensity of electronic billboards have greater impacts than static signs.	Limit the maximum advertising area of electronic billboards to 400 square feet, instead of 672 square feet.
5	Billboards detract from the character of residential neighborhoods.	Increase the distance electronic billboards can be constructed from residential districts from 150 feet to 600 feet.
6	Multiple electronic displays on a single structure create potential traffic safety issues.	Reduce the number of electronic billboards on a structure from 4 to 2. Allow only 1 electronic billboard to be visible from any one street direction.
7	The intensity and brightness of billboards creates a distraction for motorists and a nuisance to abutting properties.	Establish lighting requirements for static and electronic billboards to prevent glare and distraction to motorists and neighboring properties. Regulate the brightness of electronic billboards to require a dimming capability for changes in ambient light.

Public Input

A notice of Public Hearing was published in the *Quad-City Times* informing the community of the April 2, 2024 Plan and Zoning Commission Public Hearing. No members of the public were in attendance at the Public Hearing. City staff has been communicating with several billboard companies regarding the potential Ordinance amendments. A representative from Huntington

Billboard Company attended the April 16, 2024 Plan and Zoning Commission meeting and stated the proposed regulations appear to be minor.

ORDINANCE NO. _____

AN ORDINANCE FOR CASE ORD24-02 BEING THE REQUEST OF THE CITY OF DAVENPORT TO AMEND CHAPTER 17.08 ENTITLED "USES" OF THE MUNICIPAL CODE OF DAVENPORT, IOWA BY UPDATING THE BILLBOARD DEFINITION AND PRINCIPAL USE STANDARDS.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. That Subsection 17.08.030(E) entitled "Principal use standards" of the Municipal Code of Davenport, Iowa be and the same is hereby amended to read as follows:

E. Billboard

1. General regulations for billboards:

- a. Billboard structures are prohibited if visible from an interstate highway.
- b. Billboard structures are prohibited on properties listed on the Davenport Register of Historic Places.
- c. Billboards are prohibited within required landscaping areas, as outlined in Section 17.11.
- d. The maximum height of a billboard is 45 feet.
- e. Billboards shall be setback a minimum of 25 feet from lot lines.
- f. Billboard distance separation shall be measured from the closest points of each billboard structure. This is measured in a straight line along either side of the right-of-way of the street.

2. The following additional standards apply to static billboards:

- a. All static billboards must be separated by a minimum distance of 1,500 feet.
- b. The maximum sign area of a static billboard is 672 square feet plus an extension area from the single continuous perimeter not to exceed 153 square feet.
- c. Billboards with a sign area of up to 300 square feet must be a minimum of 100 feet from any residential district. Billboards with a sign area of over 300 square feet must be a minimum of 150 feet from any residential district. This is measured in a straight line along either side of the right-of-way of the street.
- d. Up to four static billboard sign faces are allowed on one billboard structure. A "V" arrangement is permissible, however, no more than two static billboard sign faces can be visible from any one street direction.
- e. Any billboard illumination shall be designed, located, shielded, and directed to prevent

the casting of glare or direct light upon roadways and surrounding properties, and prevent the distraction of motor vehicle operators or pedestrians in the public right-of-way.

3. The following additional standards apply to electronic billboards:
- a. Electronic billboards are prohibited in the C-2 Corridor Commercial District.
 - b. All electronic billboards must be separated by a minimum distance of 3,000 feet.
 - c. The maximum sign area of an electronic billboard is 400 square feet.
 - d. Electronic billboards shall be a minimum of 600 feet from any residential district. This is measured in a straight line along either side of the right-of-way of the street.
 - e. Up to two electronic billboard sign faces are allowed on one billboard structure. A "V" arrangement is permissible, however, no more than one electronic billboard sign face can be visible from any one street direction.
 - f. Electronic billboards cannot change more than once every eight seconds. Static images with no animation are required and the transition from one image to the next must occur in one second or less.
 - g. An electronic display must contain a default mechanism to show a "full black" image or turn the sign off in case of malfunction, or must be manually turned off within 12 hours of a reported malfunction.
 - h. The maximum brightness is limited to 5,000 nits when measured from the billboard's face at its maximum brightness, during daylight hours, and 200 nits when measured from the billboard's face at its maximum brightness between dusk and dawn, i.e., the time of day between sunset and sunrise. The billboard must have an ambient light meter and automatic or manual dimmer control that produces a distinct illumination change from a higher allowed illumination level to a lower allowed level for the time period between one-half hour before sunset and one-half hour after sunrise. All existing billboards shall meet the maximum brightness provision within twelve months of the adoption of the ordinance.

Section 2. That Section 17.08.050 entitled "Use definitions" of the Municipal Code of Davenport, Iowa be and the same is hereby amended to read as follows:

Billboard. A permanent sign directing attention to a specific business, product, service, entertainment event, activity, or other commercial activity that is not sold, produced, manufactured, furnished, or conducted at the property upon which the sign is located. Static billboards display a fixed advertisement face, where the face is not changeable within seconds or minutes, but where a change of face have to be re-erected and affixed to the structure. Electronic billboards are digital displays that can be changed within seconds or minutes by a remote or automatic means.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance

are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Resolution No. 2023-513

Resolution offered by Alderman Gripp.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION placing a moratorium upon new billboard construction until June 13, 2024.

WHEREAS, the City of Davenport regulates the uses and special uses of its zoning districts; and

WHEREAS, recent billboard installation has spurred additional conversations and questions on how to best regulate electronic and static billboards; and

WHEREAS, the City of Davenport wishes to study the best practices around the country; and

WHEREAS, this six-month period would allow time for code amendments to be vetted and proposed for adoption.

NOW THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Davenport, Iowa that a moratorium is hereby imposed upon new billboard construction until June 13, 2024.

Passed and approved this 13th day of December, 2023.

Case ORD24-02: Request of The City of Davenport to amend Section 17.08 of the Zoning Ordinance regarding billboard regulations. [All Wards]

Recommendation:

Staff recommend the Plan & Zoning Commission forward Case ORD24-02 to the City Council with a recommendation for approval, subject to the proposed amendments and findings.

Findings:

1. The proposed amendment is consistent with the Comprehensive Plan and adopted land use policies.
2. The proposed amendment promotes the public health, safety, and welfare of the City.
3. The proposed amendment is consistent with the intent and general regulations of the Zoning Ordinance.
4. The amendment reflects a change in policy and development trends.
5. The amendment will create additional nonconformities.

Background:

Billboard Moratorium:

Recent billboard installations have spurred conversations and questions regarding how to best regulate electronic and static billboards. At its December 13, 2023 meeting, City Council approved a moratorium upon new billboards until June 13, 2024. The purpose of the six-month moratorium was to allow time to study best practices throughout the country and to review potential code amendments. There are currently 73 billboards scattered throughout Davenport's commercial corridors, industrial parks, and the downtown.

Proposed Ordinance Amendment:

Based on input from City Council, the Plan and Zoning Commission, and the public, staff have identified a common concern regarding the regulation of electronic billboards. To address these concerns, staff is proposing an ordinance amendment to better manage the placement and brightness of digital billboards. The attached ordinance amendment creates a set of general billboard regulations, applicable to billboards throughout the City. Separate standards are then proposed for static and electronic billboards. The regulations for static billboards remain consistent with the current code requirements for distance separation, sign area, setbacks from residential districts, and number of faces allowed per structure. Given the growing concern over electronic billboards, a more restrictive set of requirements is proposed.

Existing nonconforming billboards and those made nonconforming by this ordinance amendment are subject to Section 17.15. The City is not ordering the removal of any billboards

with the passage of this ordinance. However, electronic billboards shall comply with the proposed brightness regulations.

The following table outlines identified issues with existing billboards and proposed regulations designed to mitigate these concerns.

#	Identified Concern	Proposed Regulation
1	The C-2 Corridor Commercial District has no principal use setbacks.	Establish a standardized minimum setback of 25-feet from lot lines. A standard setback will preserve required landscaping and greenspace.
2	Commercial corridors in Davenport are over-signed.	Prohibit electronic billboards from the C-2 Corridor Commercial District.
3	Electronic billboards are visible from greater distances than traditional static billboards. Therefore, multiple electronic billboards may be visible from one location.	Increase separation distances between electronic billboards from 1,500 feet to 3,000 feet.
4	The scale and intensity of electronic billboards have greater impacts than static signs.	Limit the maximum advertising area of electronic billboards to 400 square feet, instead of 672 square feet.
5	Billboards detract from the character of residential neighborhoods.	Increase the distance electronic billboards can be constructed from residential districts from 150 feet to 600 feet.
6	Multiple electronic displays on a single structure create potential traffic safety issues.	Reduce the number of electronic billboards on a structure from 4 to 2. Allow only 1 electronic billboard to be visible from any one street direction.
7	The intensity and brightness of billboards creates a distraction for motorists and a nuisance to abutting properties.	Establish lighting requirements for static and electronic billboards to prevent glare and distraction to motorists and neighboring properties. Regulate the brightness of electronic billboards to require a dimming capability for changes in ambient light.

Approval Standards for Text Amendments

1. The consistency of the proposed amendment with the Comprehensive Plan and any adopted land use policies.
2. The extent to which the proposed amendment promotes the public health, safety, and welfare of the City.
3. The consistency of the proposed amendment with the intent and general regulations of this Ordinance.
4. Whether the proposed amendment corrects an error or omission, adds clarification to

existing requirements, or reflects a change in policy or change in development trends or technology.

5. The extent to which the proposed amendment creates nonconformities.

Public Input:

A Notice of Public Hearing was published in the Quad City Times informing the community of the April 2, 2024 Plan and Zoning Commission Public Hearing. No members of the public were in attendance at the public hearing. City Staff have been communicating with several billboard companies regarding the potential ordinance amendments. Staff will apprise the Commission of any correspondence at the April 16, 2024 Plan and Zoning Commission Public Hearing.

CHAPTER 17.08.	USES
Section 17.08.010	General Use Regulations
Section 17.08.020	Use Matrix
Section 17.08.030	Principal Use Standards
Section 17.08.040	Temporary Use Standards
Section 17.08.050	Use Definitions

Section 17.08.010 General Use Regulations

- A.** No structure or land may be used or occupied unless allowed as a permitted or special use within the zoning district.
- B.** All uses must comply with any applicable federal and state requirements, and any additional federal, state, or city ordinances.
- C.** Any use that is not included in the use matrix and cannot be interpreted as part of a use within the matrix is prohibited in all districts.
- D.** A site may contain more than one principal use, so long as each principal use is allowed in the district. Each principal use is approved separately. In certain cases, uses are defined to include ancillary uses that provide necessary support and/or are functionally integrated into the principal use.
- E.** All uses must comply with the use standards of Section 17.08.030, as applicable, as well as all other regulations of this Ordinance and the City.

Section 17.08.020 Use Matrix

- A.** Table 17.08-1: Use Matrix identifies the principal and temporary uses allowed within each zoning district. Cells are color-coded for ease of review only; the letter indicated in the cell controls over any errors in color-coding.
- B.** Uses allowed in the R-3 and R-3C Districts are those listed in Table 17.08-1 for the R-3 District. Uses allowed in the R-4 and R-4C Districts are those listed in Table 17.08-1 for the R-4 District.
- C.** P indicates that the use is permitted by-right in the district. S indicates that the use is a special use in the district and requires special use approval. If a cell is blank, the use is not allowed in the district.
- D.** In the case of temporary uses, a T indicates the temporary use is allowed in the district and may require approval of a temporary use permit per the standards of Section 17.08.040.
- E.** For accessory uses, see Chapter 17.09.
- F.** See Section 17.04.020 for additional use restrictions in the R-3, R-3C, R-4, and R-4C Districts.
- G.** See Section 17.05.020 for additional use restrictions in the C-V District.

P indicates a use is permitted by-right in the district. S indicates a use is a Special Use in the district and requires Zoning Board approval. Blank cells indicate a use is not allowed.

Section 17.08.030 Principal Use Standards

Where applicable, principal uses are required to comply with all use standards of this section, whether a permitted or special use, in addition to all other regulations of this Ordinance.

E. Billboard

1. Billboard locational restrictions are as follows:
 - a. Billboard structures are prohibited if visible from an interstate highway.
 - b. Billboard structures are prohibited on properties listed on the Davenport Register of Historic Places.
 - c. Billboards with a sign area of up to 300 square feet must be a minimum of 100 feet from any residential district. Billboards with a sign area of over 300 square feet must be a minimum of 150 feet from any residential district. This is measured in a straight line along either side of the right-of-way of the street.
2. The maximum sign area of a billboard is 672 square feet plus an extension area from the single continuous perimeter not to exceed 153 square feet.
3. The maximum height of a billboard is 45 feet.
4. Billboards must meet principal building setbacks.
5. All billboards must be separated by a minimum distance of 1,500 feet.
6. Up to four billboard sign faces are allowed on one billboard structure. A "V" arrangement is permissible, however, no more than two billboard sign faces can be visible from any one street direction.
7. Billboards are permitted to be electronic billboards but must comply with the following:
 - a. Electronic billboards cannot change more than once every eight seconds. Static images with no animation are required and the transition from one image to the next must occur in one second or less.
 - b. An electronic display must contain a default mechanism to show a "full black" image or turn the sign off in case of malfunction, or must be manually turned off within 12 hours of a reported malfunction.

Section 17.08.050 Use Definitions

All uses within Table 17.08-1 are defined in this section. Certain uses are defined to be inclusive of many uses. When a use meets a specific definition, it is regulated as such and is not regulated as part of a more inclusive use category.

Billboard. A permanent sign directing attention to a specific business, product, service, entertainment event, activity, or other commercial activity that is not sold, produced, manufactured, furnished, or conducted at the property upon which the sign is located.

**Proposed Billboard Regulations
Plan & Zoning Commission Meeting 4-16-2024**

Section 17.08.050 Definition of General Terms

Billboard. A permanent sign directing attention to a specific business, product, service, entertainment event, activity, or other commercial activity that is not sold, produced, manufactured, furnished, or conducted at the property upon which the sign is located. Static billboards display a fixed advertisement face, where the face is not changeable within seconds or minutes, but where a change of face have to be re-erected and affixed to the structure. Electronic billboards are digital displays that can be changed within seconds or minutes by a remote or automatic means.

Section 17.08.030 Principal Use Standards

E. Billboard

1. General regulations for billboards:
 - a. Billboard structures are prohibited if visible from an interstate highway.
 - b. Billboard structures are prohibited on properties listed on the Davenport Register of Historic Places.
 - c. Billboards are prohibited within required landscaping areas, as outlined in Section 17.11.
 - d. The maximum height of a billboard is 45 feet.
 - e. Billboards shall be setback a minimum of 25 feet from lot lines.
 - f. Billboard distance separation shall be measured from the closest points of each billboard structure. This is measured in a straight line along either side of the right-of-way of the street.
2. The following additional standards apply to static billboards:
 - a. All static billboards must be separated by a minimum distance of 1,500 feet.
 - b. The maximum sign area of a static billboard is 672 square feet plus an extension area from the single continuous perimeter not to exceed 153 square feet.
 - c. Billboards with a sign area of up to 300 square feet must be a minimum of 100 feet from any residential district. Billboards with a sign area of over 300 square feet must be a minimum of 150 feet from any residential district. This is measured in a straight line along either side of the right-of-way of the street.
 - d. Up to four static billboard sign faces are allowed on one billboard structure. A "V" arrangement is permissible, however, no more than two static billboard sign faces can be visible from any one street direction.
 - e. Any billboard illumination shall be designed, located, shielded, and directed to prevent the casting of glare or direct light upon roadways and surrounding properties, and prevent the distraction of motor vehicle operators or pedestrians in the public right-of-way.
3. The following additional standards apply to electronic billboards:
 - a. Electronic billboards are prohibited in the C-2 Corridor Commercial District.
 - b. All electronic billboards must be separated by a minimum distance of 3,000 feet.
 - c. The maximum sign area of an electronic billboard is 400 square feet.
 - d. Electronic billboards shall be a minimum of 600 feet from any residential district. This is measured in a straight line along either side of the right-of-way of the street.
 - e. Up to two electronic billboard sign faces are allowed on one billboard structure. A "V" arrangement is permissible, however, no more than one electronic billboard sign face can be visible from any one street direction.
 - f. Electronic billboards cannot change more than once every eight seconds. Static images with no animation are required and the transition from one image to the next must occur in one second or less.

- g. An electronic display must contain a default mechanism to show a "full black" image or turn the sign off in case of malfunction, or must be manually turned off within 12 hours of a reported malfunction.
- h. The maximum brightness is limited to 5,000 nits when measured from the billboard's face at its maximum brightness, during daylight hours, and 200 nits when measured from the billboard's face at its maximum brightness between dusk and dawn, i.e., the time of day between sunrise and sunset. The billboard must have an ambient light meter and automatic or manual dimmer control that produces a distinct illumination change from a higher allowed illumination level to a lower allowed level for the time period between one-half hour before sunset and one-half hour after sunrise.

5/22/2024

Subject:

First Consideration: Ordinance for Case ROW24-02 being the request of the City of Davenport, Iowa to vacate a portion of Lorton Place between Lorton Avenue and Lombard Court. [Ward 6]

Recommendation:

Adopt the Ordinance.

Background:

The City is petitioning that a portion of Lorton Place, between Lorton Avenue and Lombard Court, be vacated. This is in conjunction with a roadway reconstruction project designed to improve safety, address deteriorated pavement, and mitigate drainage problems at the intersection. The proposed configuration brings the intersection into compliance with the Iowa Statewide Urban Design and Specifications (SUDAS). The intention is to convey the vacated right-of-way to the abutting property at 2227 Lorton Avenue. The land will become a landscaped front yard with a new driveway paved to provide access to Lorton Avenue. The area to be vacated is approximately 4,548 square feet or 0.1 acres.

At its April 30, 2024 meeting, the Plan and Zoning Commission unanimously recommended Case ROW24-02 be forwarded to the City Council with a recommendation for approval subject to the listed findings and condition.

Findings

1. Vacating the right-of-way facilitates a roadway reconstruction project that improves safety, addresses deteriorated pavement conditions, and mitigates drainage problems at the intersection.
2. Based on the design for the roadway reconstruction, the existing public right-of-way is not required for city purposes.
3. A utility easement would preserve the rights for utility providers to maintain existing and future infrastructure.

Condition

1. All existing utilities located within the right-of-way, which are subject to vacation, shall be granted a blanket utility and access easement for the maintenance of such utilities.

The staff report from the April 30, 2024 Plan and Zoning Commission meeting is attached.

ORDINANCE NO. _____

AN ORDINANCE FOR CASE ROW24-02 BEING THE REQUEST OF THE CITY OF DAVENPORT, IOWA TO VACATE A PORTION OF LORTON PLACE BETWEEN LORTON AVENUE AND LOMBARD COURT.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. The following described units of Scott County, Iowa real estate are hereby vacated (abandoned). The property has the following legal description:

Part of Lorton Place located in The Third Annex to Fairhaven, an addition to the City of Davenport, Scott County, Iowa being more particularly described as follows:

Commencing at the Southwest corner of Lot 1 of said Third Annex to Fairhaven, said corner is also on the east right of way line of a public roadway designated as Lorton Avenue;

Thence, North 01 degrees 39 minutes 18 seconds West, 10.00 feet on said east right of way line to the Point of Beginning;

Thence, North 01 degrees 39 minutes 18 seconds West, 174.48 feet continuing on said east right of way line to the beginning of a concave curve to the southeast, said curve having a radius of 5.00 feet, a central angle of 106 degrees 41 minutes 53 seconds to the right, and a chord that bears North 51 degrees 41 minutes 39 seconds East, 8.02 feet;

Thence on said curve 9.31 feet to a point on the south right of way line of a public roadway designated as Lombard Court;

Thence, South 74 degrees 57 minutes 24 seconds East, 76.03 feet on said south right of way line to the beginning of a non-tangent curve :on cave to the southeast, said curve having a radius of 20.00 feet, a central angle of 78 degrees 17 minutes 13 seconds to the left, and a chord that bears South 65 degrees 53 minutes 59 seconds West, 25.25 feet.

Thence on said curve 27.33 feet;

Thence, South 26 degrees 45 minutes 23 seconds West, 74.61 feet to the beginning of a concave curve to the east, said curve having a radius of 171.22 feet, a central angle of 28 degrees 37 minutes, 32 seconds to the left, and a chord that bears South 12 Degrees 18 minutes 12 seconds West, 84.66 feet;

Thence on said curve 85.54 feet to the point of beginning.

The above-described parcel contains 4,548 square feet. Bearings are based on the Iowa Real Time Network (IARTN) Iowa South Zone State Plane Coordinate System (2011 Adj.)

Section 2. At its April 30, 2024 meeting, the Plan and Zoning Commission recommended Case ROW24-02 be forwarded to the City Council with a recommendation for approval subject to the listed findings and condition.

Findings

1. Vacating the right-of-way facilitates a roadway reconstruction project that improves safety, addresses deteriorated pavement conditions, and mitigates drainage problems at the intersection.
2. Based on the design for the roadway reconstruction, the existing public right-of-way is not required for City purposes.
3. A utility easement would preserve the rights for utility providers to maintain existing and future infrastructure.

Conditions

1. All existing utilities located within the right-of-way, which are subject to vacation, shall be granted a blanket utility and access easement for the maintenance of such utilities.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

EFFECTIVE DATE. This ordinance shall be in full force and effective after its final passage and publication as by law provided.

Subject:

Case ROW24-02: Request of the City of Davenport to vacate a portion of Lorton Place, between Lorton Avenue and Lombard Court. [Ward 6]

Recommendation:

Staff recommends the City Plan and Zoning Commission accept the listed findings to vacate the portion of Lorton Place, between Lorton Avenue and Lombard Court, in Case ROW24-02 to the City Council with a recommendation for approval, subject to the following findings and conditions:

Findings:

1. Vacating the right-of-way facilitates a roadway reconstruction project that improves safety, addresses deteriorated pavement conditions, and mitigates drainage problems at the intersection.
2. Based on the design for the roadway reconstruction, the existing public right-of-way is not required for city purposes.
3. A utility easement would preserve the rights for utility providers to maintain existing and future infrastructure.

Condition:

1. All existing utilities located within the Right-of-Way, which are subject to vacation, shall be granted a blanket utility and access easement for the maintenance of such utilities.

Background:

The City is petitioning that a portion of Lorton Place, between Lorton Avenue and Lombard Court, be vacated. This is in conjunction with a roadway reconstruction project designed to improve safety, address deteriorated pavement, and mitigate drainage problems at the intersection. The intention is to convey the vacated right-of-way to the abutting property at 2227 Lorton Avenue. The land will become a landscaped front yard with a new driveway paved to provide access to Lorton Avenue. The area to be vacated is approximately 4,548 square feet or 0.1 acres.

Roadway Reconstruction

The Final Plat of Third Annex to Fairhaven, recorded in 1956, established the existing intersection of Lorton Avenue, Lorton Place, and Lombard Street. Based on modern engineering, traffic, and safety standards, the current configuration of this intersection would not have been approved. The proposed roadway reconstruction project redesigns the intersection to comply with the Iowa Statewide Urban Design and Specifications (SUDAS). The project scope also includes repaving and full depth patching further sections of Lorton Avenue

and Lorton Place.

Removal of this pavement, between Lorton Avenue and Lombard Court, discourages traffic from utilizing Lorton Place as a cut through to access Central Park Avenue. Instead, vehicles are encouraged to utilize Lorton Avenue, a residential collector, as the preferred north-south route.

It appears the landscape island at this intersection was not part of the original construction, rather it was a later addition as evidenced in a 1994 aerial photograph. By vacating the portion of Lorton Place, approximately 3,500 square feet of pavement will be removed and converted to green space. The proposed design is fiscally responsible by reducing infrastructure costs associated with new pavement as well as reducing ongoing maintenance costs including snow plowing and repairs.

The vacation of public right-of-way is a two-step process:

1. Determine if the right-of-way is needed for public purposes.
2. Negotiate and determine terms of conveyance to adjacent property owners. (No Plan and Zoning Commission action is required.)

Comprehensive Plan:

Within Existing Urban Service Area: Yes

Within Urban Service Area 2035: Yes

Future Land Use Designation:

The abutting properties are currently designated as **Residential General** in the Davenport +2035 Future Land Use Map. This land use category designates neighborhoods that are mostly residential but include, or are within one-half mile (walking distance) of scattered neighborhood-compatible commercial services, as well as other neighborhood uses like schools, churches, corner stores, etc. generally oriented along Urban Corridors (UC). Neighborhoods are typically designated as a whole. Existing neighborhoods are anticipated to maintain their existing characteristics in terms of land use mix and density, with the exception along edges and transition areas, where higher of intensity may be considered.

Abutting Zoning:

The abutting properties are currently zoned R-2 Single-Family Residential District, R-3C Single-Family and Two-Family Central Residential District, and R-4C Single-Family and Two-Family Central Residential District.

1. **R-2 Single-Family Residential Zoning District:** This district is intended to accommodate low-density single-family neighborhoods of a more urban character than the R-1 District. Limited non-residential uses that are compatible with the surrounding residential neighborhoods may be permitted in the R-2 District.
2. **R-3C Single-Family and Two-Family Central Residential Zoning District:** This district is intended to preserve and protect Davenport's moderately dense, centrally located, established urban residential neighborhoods. Standards of the R-3C District are intended to ensure that new development is complementary to the existing developed character of these neighborhoods. Limited non-residential uses that are compatible with the surrounding residential neighborhoods may be permitted in the R-3C District.

3. **R-4C Single-Family and Two-Family Central Residential Zoning District:** This district is intended to preserve and protect Davenport's dense, centrally located, established urban residential neighborhoods. Standards of the R-4C District are intended to ensure that new development is complementary to the existing developed character of these neighborhoods. Limited non-residential uses that are compatible with the surrounding residential neighborhoods may be permitted in the R-4C District.

Technical Review:

The following technical review comments were received from City Departments and Utility Companies:

1. Streets: This intersection was identified for reconstruction due to deteriorated pavement conditions, drainage problems, safety concerns, and traffic issues. Vacating the section of Lorton Place, between Lorton Avenue and Lombard Court, facilitates the reconstruction of the intersection. Unlike the existing configuration, the proposed intersection design will comply with Iowa Statewide Urban Design and Specifications (SUDAS).
2. Storm Water: The roadway reconstruction project will improve the drainage at the intersection of Lorton Avenue, Lorton Place, and Lombard Court. Two new storm water intakes are proposed on Lombard Court. The grading of the intersection will be designed to convey rain water towards the intakes, which will improve the puddling of water that occurs during rain events.
3. Sanitary Sewer: An 8" public sanitary sewer extends along the length of Lorton Place proposed for vacation. The sewer line will not be removed as part of the road reconstruction project. Staff is requesting a 20-foot wide sewer easement be established to preserve future access to the line. Turf will be installed over the sewer following the removal of pavement. It will be the responsibility of the abutting property owner to maintain this area free of structures.
4. Other Utilities: There is a utility pole located within the landscape island at the center of the intersection. This will remain within the existing public right-of-way. A public utility easement will be established to preserve the right for utility companies to access the infrastructure within the vacated right-of-way.
5. Parks/Open Space: The vacated right-of-way will be converted into green space. The intention is to convey the land to the abutting property owner at 2227 Lorton Avenue. The land will be privately owned and maintained.

Public Input:

Letters were sent to property owners within 200 feet of the proposed request notifying them of the April 16, 2024 Plan and Zoning Commission Public Hearing. To date, planning staff have received one written response from an abutting property owner in favor of the vacation. The comment is attached to this report.

Several neighboring property owners were in attendance at the public hearing to raise concerns over the proposed road reconstruction project. Topics discussed included drainage problems, traffic impacts, status of the landscape island within the right-of-way, and pavement conditions on adjacent residential streets.

Prior to the design of the project, engineering staff reached out to a neighborhood representative who discussed the removal of the landscaped island with volunteers who have been maintaining the area. No objections were raised at that time. Any additional correspondence will be shared at the April 30, 2024 Plan and Zoning Commission meeting.

CONVEYANCE PROCEDURE:
CITY COUNCIL POLICY ON SALE OF PUBLIC PROPERTY

P&Z STAFF SHALL HOLD A PUBLIC HEARING AND PREPARE A REPORT BEFORE THE
PLAN AND ZONING COMMISSION REGARDING REQUESTS FOR R.O.W VACATION;
THE COMMISSION SHALL PROVIDE A RECOMMENDATION TO CITY COUNCIL.

SHOULD CITY COUNCIL APPROVE THE R.O.W. VACATION
THE FOLLOWING PROCEDURE WILL COMMENCE FOR THE CONVEYANCE (SALE)
OF LAND TO ADJACENT PROPERTY OWNERS NEAR THE VACATED R.O.W.

APPLICANTS SHALL WORK WITH THE CITY LEGAL DEPARTMENT AT 563.326.7735
TO COMPLETE THE LAND CONVEYANCE OF VACATED R.O.W. PRIOR TO USE OF THE LAND

WHEREAS, THE Davenport City Council wishes to establish an orderly and efficient process for the conveyance and disposal of real property, including lots and abandoned streets and alleys, the following procedures are hereby established to facilitate the sale of real property:

1. The Petitioner files an application for conveyance and pays a one-time, non-refundable \$400.00 filing fee. The application shall include a statement of intended use, a legal description and location of the property, the square feet of the land, plat drawing of the property and must be signed by the Petitioner.
2. If the petition involves public right-of-way, the matter shall be referred to the City Plan and Zoning Commission.
3. Staff shall review the following factors in determining what constitutes fair market value for the property:
 - a. the location, size, shape, grade and zoning of the land;
 - b. the assessed valuation of adjacent or contiguous property;
 - c. recent sales of land in the same area.
4. In the event staff deems it advisable or necessary, the City shall request the Petitioner, at Petitioner's expense, to provide a fair market value appraisal of the property.
5. Staff shall determine a price per square foot based upon the above stated factors. In any event, the minimal fee on any land conveyed shall be \$400.00.
6. Council may approve, by motion, a request from staff to proceed to dispose of parcels of real property either by offer or at auction. If the property is offered and accepted by the purchaser, the price will be as agreed between City and purchaser. In the event the auction process is used, the sale price of these properties shall be determined solely by the auction's bidding procedures. In either case, there shall also be no application fee assessed to the purchaser.

Re: Proposed Right-of-Way vacation

Dear Mr. & Mrs. Vanderwal

As we discussed, the City of Davenport is currently designing the Lorton Place intersection reconstruction project and as part of this project the city is proposing to vacate a portion of right-of-way as detailed in the "Vacation Plat" (page 2 & 3). Also, shown on plan sheet D.01 (page 4), the city has included full replacement of your driveway as requested during the site visit November 29, 2023 when discussing the proposed right-of-way vacation.

There are two easements associated with this vacation. 1) 15 ft utility easement along the western and northern limits for water mainline improvements; 2) 20 ft sanitary easement to maintain the existing sanitary sewer mainline. Both easements are shown in the vacation plat on page 2.

The right-of-way vacation process can take up to four months to complete and the city will submit the application once we receive this letter back signed acknowledging your willingness to accept the right-of-way vacation, assuming the vacation is approved by Council.

We the undersigned as owner(s) of the property of the above address have good and lawful authority to accept the proposed right-of-way vacation to said property.

Signed and dated this 8th day of March, 20 24.

VACATION PLAT
PART OF THE LORTON PLACE IN THE THIRD ANNEX TO FAIRHAVEN,
CITY OF DAVENPORT, SCOTT COUNTY, IOWA

Parcel Description

Part of Lorton Place located in The Third Annex to Fairhaven, an addition to the City of Davenport, Scott County, Iowa being more particularly described as follows:

Commencing at the Southwest corner of Lot 1 of said Third Annex to Fairhaven, said corner is also on the east right of way line of a public roadway designated as Lorton Avenue;

Thence, North 01 degrees 39 minutes 18 seconds West, 10.00 feet on said east right of way line to the Point of Beginning;

Thence, North 01 degrees 39 minutes 18 seconds West, 174.48 feet continuing on said east right of way line to the beginning of a concave curve to the southeast, said curve having a radius of 5.00 feet, a central angle of 106 degrees 41 minutes 53 seconds to the right, and a chord that bears North 51 degrees 41 minutes 39 seconds East, 8.02 feet;

Thence on said curve 9.31 feet to a point on the south right of way line of a public roadway designated as Lombard Court;

Thence, South 74 degrees 57 minutes 24 seconds East, 76.03 feet on said south right of way line to the beginning of a non-tangent curve concave to the southeast, said curve having a radius of 20.00 feet, a central angle of 78 degrees 17 minutes 13 seconds to the left, and a chord that bears South 65 degrees 53 minutes 59 seconds West, 25.25 feet.

Thence on said curve 27.33 feet;

Thence, South 26 degrees 45 minutes 23 seconds West, 74.61 feet to the beginning of a concave curve to the east, said curve having a radius of 171.22 feet, a central angle of 28 degrees 37 minutes, 32 seconds to the left, and a chord that bears South 12 Degrees 18 minutes 12 seconds West, 84.66 feet;

Thence on said curve 85.54 feet to the point of beginning.

The above-described parcel contains 4,548 squared feet. Bearings are based on the Iowa Real Time Network (IARTN) Iowa South Zone State Plane Coordinate System (2011 Adj.)

Committee of the Whole Public Hearing Meeting

Date: 5/15/2024

Time: 5:30 PM

Location: Council Chambers | City Hall | 226 W. 4th ST.

What is this About?

This notice is being sent to inform you that a public hearing will be held for a request to vacate right-of-way. The City is petitioning that a portion of Lorton Place, between Lorton Avenue and Lombard Court, be vacated. This is in preparation for a roadway reconstruction project designed to increase safety at this intersection. The vacated portion of Lorton Place will become a landscaped front yard to the abutting property at 2227 Lorton Avenue.

Request/Case Description:

Case ROW24-02: Request of the City of Davenport to vacate a portion of Lorton Place, between Lorton Avenue and Lombard Court. [Ward 6]

At its April 30, 2024 meeting, the Plan and Zoning Commission recommended Case ROW24-02 be forwarded to the City Council with a recommendation for approval subject to the listed findings and condition.

Findings:

1. Vacating the right-of-way facilitates a roadway reconstruction project that improves safety, addresses deteriorated pavement conditions, and mitigates drainage problems at the intersection.
2. Based on the design for the roadway reconstruction, the existing public right-of-way is not required for city purposes.
3. A utility easement would preserve the rights for utility providers to maintain existing and future infrastructure.

Conditions:

1. All existing utilities located within the Right-of-Way, which are subject to vacation, shall be granted a blanket utility and access easement for the maintenance of such utilities.

What are the Next Steps?

The public hearing on the above matter is scheduled for 5:30pm or as soon thereafter on Wednesday, May 15, 2024 in the Council Chambers of the Davenport City Hall, 226 West 4th Street, Davenport, Iowa.

Would You Like to Submit an Official Comment?

You may submit written comments on the above item or attend the public hearing to express your views, or both. Written comments may be sent via email to mayor.info@davenportiowa.com or mailed to the Development and Neighborhood Services Department, at the below address, no later than 12:00 noon on the day of the public hearing.

All written comments and protests already received will be forwarded to the Committee of the Whole. The Committee of the Whole meeting can be viewed live at www.davenportiowa.com/watchlive.

Interpretive services are available at no charge. Servicios interpretativos libres estan disponibles. TTY: (563) 326-6145

Public Hearing Notice | Plan and Zoning Commission

Date: 4/16/2024
Time: 5 PM

Location: Council Chambers | City Hall | 226 W. 4th ST.
Subject: Public Hearing for a Right-Of-Way Vacation

To: All property owners within 200 feet of the intersection of Lorton Place and Lombard Court.

What is this About?

This notice is being sent to inform you that a public hearing will be held for a request to vacate right-of-way. The City is petitioning that a portion of Lorton Place, between Lorton Avenue and Lombard Court, be vacated. This is in preparation for a roadway reconstruction project designed to increase safety at this intersection. The vacated portion of Lorton Place will become a landscaped front yard to the abutting property at 2227 Lorton Avenue.

Request/Case Description:

Case ROW24-02: Request of the City of Davenport to vacate a portion of Lorton Place, between Lorton Avenue and Lombard Court. [Ward 6]

What are the Next Steps after the Public Hearing?

The Plan and Zoning Commission will hold a formal public hearing at their meeting on April 16, 2024. The Plan and Zoning Commission will vote (provide a recommendation) to the City Council at their meeting on April 30, 2024. The Commission's recommendation will be forwarded to the City Council which will then hold its own public hearing. You will receive a notice of the City Council's public hearing. The City Council will ultimately decide if the property is no longer needed for City purposes, and is eligible for vacation. At that point, the City Attorney's office will negotiate with adjacent property owners to determine the appropriate way to convey the property, and possibly, purchase price. For the specific dates and times of subsequent meetings, please contact the case planner below.

Would You Like to Submit an Official Comment?

As a neighboring property owner, you may have an interest in commenting on the proposed request via email or in person at the public hearing. Send written comments to planning@davenportiowa.com (no later than 12:00 PM one day before the public hearing) or to: Planning, 1200 E 46th St, Davenport IA 52807.

All documents related to the meeting (agenda included) are at "Search Minutes & Agendas":
<http://www.cityofdavenportiowa.com/boards> Mondays before the meeting/public hearing.

Do You Have Any Questions?

If you have any questions or if accommodations are needed for any reason, please contact the planner assigned to this project (Matt Werderitch) at matt.werderitch@davenportiowa.com or 563-888-2221. Interpretive services are available at no charge. Servicios interpretativos libres estan disponibles. TTY: (563) 326-6145

Please note items may be removed or tabled to a future hearing date at the request of the Applicant or Commission/Board. Those interested verifying case actions and/or tablings, please contact Planning at 563-326-6198 or planning@davenportiowa.com for updates.

Case ROW24-02: Request of the City of Davenport to vacate a portion of Lorton Place, between Lorton Avenue and Lombard Court. [Ward 8]

Werderitch, Matt

From: jackmckeon@aol.com
Sent: Tuesday, April 9, 2024 1:27 PM
To: Jobgen, Ben; Planning
Subject: [EXT] Vacation of a Portion of Lorton Place

ATTENTION: This is an external email.

My name is John (Jack) McKeon. I have lived on Lorton Place in the 6th ward for over 50 years.

I support the plan to vacate a portion of Lorton Place between Lorton Avenue and Lombard Court.

This will reduce and slow traffic on Lorton Place and make our neighborhood safer. Cars going north on Lorton Avenue use Lorton Place as a shortcut to get to Forest Road thereby avoiding the stop sign at Lorton Avenue and East Central Park. Many drivers just do a rolling stop with a right turn at the end of Lorton Place.

Thank you for asking for my input.

Action / Date
5/22/2024

Subject:

Resolution approving Case F24-05 being the request of Axiom Consultants, on behalf of Red Barn Storage LLC, for a final plat of Ruehmann Second Addition, a 1-lot subdivision on 3.37 acres located at 3901 Hickory Grove Road. [Ward 2]

Recommendation:

Adopt the Resolution.

Background:

The purpose of the final plat is to expand the existing Red Barn Storage facility to the adjacent property. This plat combines two parcels together to establish a larger developable site. Building permits and civil plans are currently under review for the self-storage facility. The final plat vacates and establishes utility easements associated with the new development.

The Plan and Zoning Commission reviewed Case F24-05 at its April 16, 2024 meeting and unanimously recommended approval subject to the listed findings and conditions:

Findings

1. The final plat conforms to the comprehensive plan Davenport +2035.
2. The final plat prepares the area for future development.
3. The final plat (with conditions recommended by City Staff) will achieve consistency with subdivision requirements.

Conditions

1. That the surveyor signs the plat.
2. That the utility providers sign the plat when their easement needs have been met.
3. Remove building setback lines from the plat.
4. Establish needed utility easements on the plat. Include a note vacating any unused easements.
5. Provide a 50-foot drainage easement associated with the existing creek.
6. Include a note stating, "Stormwater detention and water quality treatment will be required for this subdivision and will be owned and maintained by the property owner."

Comprehensive Plan

1. Within Existing Urban Service Area: Yes
2. Within Urban Service Area 2035: Yes

Future Land Use Designation

The subject property is designated as **Regional Commercial (RC)** in the Davenport +2035 Future Land Use Map. This land use category is the most intense commercial areas that have service boundaries that extend beyond the City limits of Davenport. Areas designated RC should be located at the intersections of major streets and have good access to interstate and other highways. Typical uses include big box retail and large office complexes; although some residential, service and institutional uses may also be located within RC. Most people will drive or take transit to areas designated RC. However, good pedestrian systems should serve these areas and focus on connectivity from the street, through parking lots and between individual uses. Connectivity to nearby neighborhoods is desirable but less important.

Relevant Goals to be considered in this Case: Strengthen the Existing Built Environment.
The proposed final plat complies with the Davenport +2035 proposed land use section.

Zoning

The subject property is zoned **I-1 Light Industrial District**. This district is intended to provide for a variety of light manufacturing, fabricating, processing, distributing, and warehousing uses. Light industrial uses are enclosed, low-intensity uses with minimal, if any, outside impacts.

Technical Review

1. Zoning: The I-1 Light Industrial District does not have a minimum lot area or lot width requirements. Both lots and existing buildings satisfy district dimensional requirements. City staff are currently reviewing building and civil plans to redevelop the site for an outdoor self-storage facility.
2. Streets: The existing site has one access point to Hickory Grove Road. There are no proposed changes in driveway location with this development.
3. Storm Water: Stormwater detention is proposed at the southeast corner of the site and is being reviewed as part of the development plans. There is an existing creek along the east lot line that requires a 50-foot drainage easement.
4. Sanitary Sewer: A sanitary sewer line is located along Hickory Grove Road. There is also a 20-foot sanitary sewer easement with a lateral that extends into the center of the site.
5. Other Utilities: Normal utility services are available on this site. Existing utility easements on the site that do not contain infrastructure will be vacated upon recording.
6. Parks/Open Space: There are no impacts to parks/open space.

Public Input

A Public Hearing and public notification are not required for a final plat.

Resolution No. _____

Resolution offered by Alderman Gripp.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION approving Case F24-05 being the request of Axiom Consultants, on behalf of Red Barn Storage LLC for a final plat of Ruehmann Second Addition, a 1-lot subdivision on 3.37 acres located at 3901 Hickory Grove Road.

WHEREAS, the Plan & Zoning Commission reviewed Case F24-05 at the April 16, 2024 regularly scheduled meeting with a recommendation for approval subject to the following conditions:

1. The surveyor signs the plat;
2. The utility providers sign the plat when their easement needs have been met;
3. Remove building setback lines from the plat;
4. Establish needed utility easements on the plat. Include a note vacating any unused easements;
5. Provide a 50-foot drainage easement associated with the existing creek;
6. Include a note stating, "Stormwater detention and water quality treatment will be required for this subdivision and will be owned and maintained by the property owner."; and

WHEREAS, the conditions will be added to the plat and/or provided.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that the final plat of Ruehmann Second Addition, an addition to the City of Davenport, Scott County, Iowa as filed with the City Clerk, by Red Barn Storage LLC, be and the same is hereby approved and accepted; and the dedication for public street purposes and the granting of easements as shown on said plat are accepted and confirmed by the Mayor and Deputy City Clerk of said City; and

BE IT FURTHER RESOLVED that the Mayor and Deputy City Clerk are hereby authorized and directed to certify to the adoption of this Resolution on said plat as required by law.

Passed and approved this 22nd day of May, 2024.

Subject:

Resolution of support for the submission of a Workforce Housing Tax Credit application to the Iowa Economic Development Authority for the proposed Riverview Heights housing project in the 700 block of East 6th Street and approving an Urban Revitalization Tax Exemption application for the same (Riverview Heights, LLC, Petitioner). [Ward 3]

Recommendation:

Adopt the Resolution.

Background:

The Riverview Heights housing project is a new construction, market-rate project proposed to include four 4-plex structures, each with two 2-bedroom units and two three-bedroom units, with garages off the East 7th Street side, for a total of 16 units on the roughly two-acre site. The proposed \$4.2 million project is proposed by local developer Jim Thomson, who has completed and continues to manage projects in the Quad Cities.

The site would be located on the north side of East 6th Street in the 700 block. In addition to the State Workforce Housing Tax Credit application, the project has submitted an application for rezoning and intends to request sidewalk and historic street waivers due to unique aspects of the existing East 6th Street on the north side of the proposed project. If successful, the developer anticipates beginning site work yet this fall.

The application requirements for the State of Iowa's Workforce Housing Tax Credit (WHTC) Program include the submission of a Resolution in support of the housing project by the community wherein the project will be located. The State also requires documentation of local matching funds pledged for the project in an amount not less than \$1,000 per dwelling unit.

The proposed project is located within the City's Urban Revitalization Tax Exemption (URTE) area and the developer has submitted an application, requesting the 10-year, up to 100% exemption schedule. The URTE benefit will meet the minimum match contribution of \$1,000 per dwelling unit required by the WHTC program.

Adoption of the Resolution will authorize the Mayor and staff to execute the documents needed to support this project's WHTC application.

Resolution offered by Alderman Gripp.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION of support for the submission of a Workforce Housing Tax Credit Program application to the Iowa Economic Development Authority for the Riverview Heights housing project located in the 700 block of East 6th Street and approving an Urban Revitalization Tax Exemption application for the same (Riverview Heights LLC, Petitioner).

WHEREAS, the Iowa Economic Development Authority (IEDA) offers tax credits through the Workforce Housing Tax Credit (WHTC) Program for qualifying housing projects; and

WHEREAS, the Developer proposes to construct four 4-unit structures, each with two 2-bedroom units and two 3-bedroom units, with garages off the 7th Street side, for a total of 16 units on the roughly 2-acre site; and

WHEREAS, the application requirements for the WHTC program includes the submission of a Resolution in support of the housing project by the community where the project will be located and documentation of local matching funds pledged for the project in an amount not less than \$1,000 per dwelling unit; and

WHEREAS, the developer has applied for the Urban Revitalization Tax Exemption program which, if approved through this Resolution, would meet the required local match amount.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that the Riverview Heights housing project located in the 700 block of East 6th Street is fully supported in submitting an application to the Iowa Economic Development Authority's Workforce Housing Tax Credit Program, and the Urban Revitalization Tax Exemption application for the project is hereby approved; and

BE IT FURTHER RESOLVED that the Mayor and Interim City Administrator or her designee are hereby authorized to execute any necessary documents.

Passed and approved this 22nd day of May, 2024.

Subject:

Resolution approving Change Order #5 in the amount of \$317,550 (federal/state cost share of \$214,589 and City share of \$102,961) to Five Cities Construction Company of Coal Valley, Illinois for the Flood Mitigation | West River Drive and Marquette Street project, CIP #68022. [Ward 3]

Recommendation:

Adopt the Resolution.

Background:

This is a FEMA grant-funded project to reconfigure existing storm sewer lines in the intersection of West River Drive and Marquette Street, along with the construction of a new concrete gatewell structure. This project was specifically identified in the 2021 Mississippi River Flood Resiliency Plan as a priority project as it will significantly reduce flood response from City operations by eliminating backflow from the Mississippi River during flood times.

Part of the project's scope occurs on the north side of the intersection where multiple storm lines converge into an existing manhole. HR Green, Inc is the consultant that was hired to put together the engineering plans and specifications for the project. Those plan calls for the reconstruction of that structure and the construction of a second manhole so that flow can be separated, and therefore controlled. This area is recognized as having residual contamination from a former gas manufacturing plant that was located on the northeast corner of the intersection. If oily groundwater is encountered, it needs to be pre-treated on-site before being released for further treatment to the Water Pollution Control Plant per the City's discharge permit.

During construction activities, the City's contractor, Five Cities Construction, encountered more oily groundwater than what was originally estimated. Change Order #5 increases that line item within the contract and provides an agreed-upon cap. In addition, this change order also increases line-item quantities for the excavation and removal of unsuitable materials and for the removal of additional linear feet of existing storm sewer pipe.

These added expenses to the construction contract are mitigated by available federal and state funds that remain in the approved grant agreement and with leftover contingency funds that are already built into the approved construction contract. In total, the breakdown of the cost for Change Order #5 is listed below:

Federal Grant | \$189,343
State Grant | \$25,246
City Funds | \$102,961
Total Cost of Change Order #5 | \$317,550

Resolution offered by Alderman R. Dunn.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION approving Change Order #5 in the amount of \$317,550 (federal/state cost share of \$214,589 and City share of \$102,961) to Five Cities Construction Company of Coal Valley, Illinois for the Flood Mitigation | West River Drive and Marquette Street project, CIP #68022.

WHEREAS, the City entered into a contract with Five Cities Construction Company of Coal Valley, Illinois for the Flood Mitigation | West River Drive and Marquette Street project; and

WHEREAS, Iowa Department of Natural Resources regulations require oily groundwater encountered during construction be treated before discharge; and

WHEREAS, quantities of oily groundwater for this project have exceeded original estimates; and

WHEREAS, a lump sum price has been agreed upon for treatment of all oily groundwater for the project; and

WHEREAS, funds have been budgeted for said work.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that Change Order #5 in the amount of \$317,550 (federal/state cost share of \$214,589 and City's share of \$102,961) to Five Cities Construction Company of Coal Valley, Illinois for the Flood Mitigation | West River Drive and Marquette Street project is hereby approved.

Subject:

Resolution exercising the second-year option and awarding a one-year continuation of the FY 2023 Contract Sewer Repair Program to Hagerty Earthworks, LLC of Muscatine, Iowa; Hometown Mechanical of Davenport, Iowa; and Petersen Plumbing & Heating Co of Davenport, Iowa in the amount of \$250,000 each for FY 2024, CIP #30060 and #33001. [All Wards]

Recommendation:

Adopt the Resolution.

Background:

This program is to repair damages to sewer infrastructure by contract. Design of the sewer repairs and program management will be completed by the Sewers Division with quality assurance inspections being completed by Engineering and Capital Projects Department staff.

Three (3) bids were received on 28 March 2022 at 3:00 p.m., and the second year bids ranged from a low of \$268,490 to a high of \$365,290. A bid tab sheet is attached.

This project was bid as an Indefinite Quantity, Indefinite Delivery Task Order Contract. This Resolution exercises the second year option of the two-year contract awarded for FY 2023. Work will be assigned to the contractors on a rotating basis.

Contracts will be guaranteed in the amount of \$250,000 for each contractor with a maximum contract value of \$1,050,000. Funds for the FY 2024 Contract Sewer Repair Program are budgeted in CIP #30060 at \$1,250,000 and CIP #33001 at \$300,000.

The accompanying Resolution provides the Public Works Director/Assistant City Administrator the authority to approve change orders to the contracts in excess of \$50,000 without further review by City Council. The total of such change orders shall not exceed the amount budgeted for this program. Any funds added to a contract that exceed the amount budgeted for the program shall adhere to Purchasing guidelines for approval. This authority is intended to provide the flexibility for contractors to continue working on emergency repairs without a delay in the work or payment to the contractor.

The following are the approved contractors:

Hagerty Earthworks, LLC of Muscatine, Iowa | \$250,000
Hometown Mechanical of Davenport, Iowa | \$250,000
Petersen Plumbing & Heating Co of Davenport, Iowa | \$250,000

Funds for the FY 2024 Contract Sewer Repair Program are budgeted in CIP #30060 at \$1,250,000 and in CIP#33001 at \$300,000.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION exercising the second-year option and awarding a one-year continuation of the FY 2023 Contract Sewer Repair Program to Hagerty Earthworks, LLC of Muscatine, Iowa; Hometown Mechanical of Davenport, Iowa; and Petersen Plumbing & Heating Co of Davenport, Iowa in the amount of \$250,000 each for FY 2024, CIP #30060 and #33001.

WHEREAS, the FY 2023 Contract Sewer Repair Program was duly advertised and published according to state law; and

WHEREAS, such bids and subsequent contracts included a provision for a one-year extension; and

WHEREAS, the City desires to exercise the second-year option and award a one-year continuation.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that a one-year continuation for the FY 2023 Contract Sewer Repair Program by exercising the second year option is hereby awarded to Hagerty Earthworks, LLC of Muscatine, Iowa; Hometown Mechanical of Davenport, Iowa; and Petersen Plumbing & Heating Co of Davenport, Iowa in the amount of \$250,000 each for FY 2024; and

BE FURTHER RESOLVED that the Project Manager may recommend increases in quantities up to a total contract of \$1,050,000, within the Capital Improvement Project budget constraints, upon approval of the Public Works Director/Assistant City Administrator; and

BE IT FURTHER RESOLVED that, upon approval by City staff, the executed contract and bond are hereby approved.

Bid Request Number 22-105 Addendum 2
Title FY23-24 Contract Sewer Repair Program
Organization City of Davenport IA
Bid Creator Kristi Keller Purchasing Manager

This Invitation to Bid is for the Contract Sewer Repair Program for the Public Works Department. This is a one year contract with a second year bid option. The year is based on the City's fiscal years starting July 1, 2022.

The proposed improvements consist of removing concrete, asphalt and composite pavements and sidewalks, excavation, repair and/or removal and replacement of multiple sizes of pipes of various materials, backfilling excavated areas with compacted crushed rock or native materials, replacing pavements, repairing storm and sanitary sewer structures as necessary, sodding, and other work related thereto throughout the City of Davenport as noted elsewhere within this contract.

Subject:

Resolution awarding a contract for the West Locust Street Rehabilitation (North Clark Street to North Lincoln Avenue) to CDMI Concrete Contractors, Inc of Port Byron, Illinois in the amount of \$947,049.78, CIP #35061. [Ward 4]

Recommendation:

Adopt the Resolution.

Background:

An Invitation to Bid was issued on April 10, 2024, and sent to contractors. On May 1, 2024, the Purchasing Division opened and read four (4) responsive and responsible bids. See attached bid tab. CDMI Concrete Contractors, Inc of Port Byron, Illinois was the lowest responsive and responsible bidder.

This project is located on West Locust Street between North Clark Street (including the intersection) and Lincoln Avenue (excluding the intersection). The proposed improvements include, but are not limited to, the furnishing of all labor for the milling and overlaying the roadway for the length of the project, full depth patching as necessary, resetting all existing utility surface features to finish grade, replacement of the adjacent driveway approaches, and reconstruction of sidewalks at the intersections including ADA ramp construction, topsoil and seeding, and erosion control.

Funding for this project is from CIP #35061 | CY 2023 High Volume Street Program.

Subject:

Resolution awarding a contract for the CDBG Alley Program: Washington Street to Fillmore Street Permeable Alley with Sewer Separation project to Centennial Contractors of the Quad Cities of Moline, Illinois in the amount of \$775,858.60, pending HUD authorization, #BG250. [Ward 4]

Recommendation:

Adopt the Resolution.

Background:

An Invitation to Bid was issued on April 22, 2024, and sent to contractors. On May 8, 2024, the Purchasing Division opened and read four responsive and responsible bids. Centennial Contractors of the Quad Cities was the lowest responsive and responsible bidder and is recommended for award.

This HUD-identified low-to-moderate income (LMI) neighborhood experiences flash flooding during intense rain events. To alleviate that, a permeable or "green" alley will be installed for the east-west alley from Washington Street to Fillmore Street between West 16th Street and West 17th Street. Rain water and overland flow will percolate into the rock storage chamber beneath the pavers and slowly release to a newly constructed storm sewer system. The construction of this new storm sewer will also remove existing intakes which are currently cross-connected into the sanitary sewer system. These improvements align with the City's current Administrative Order with the Iowa DNR.

Pending HUD authorization, this project will be funded by Community Development Block Grant (CDBG) funds and the City's approved Inflow & Infiltration Reduction budget.

Resolution approving the plans, specifications, form of contract, and estimate of cost for the Adler Theatre Box Office Remodel project, CIP #69014. [Ward 3]

Recommendation:

Approve the Resolution.

Background:

This is a remodeling project of the Adler Theatre Box Office located at 136 East 3rd Street. The proposed remodel includes, but is not limited to, the furnishing of all labor, materials and equipment necessary to update the ticket window and office space finishes and function. Work includes painting, flooring, countertops, ceiling tile, shelving, doors, ticket windows, case trim, lighting, electrical wiring, data wiring, telecommunications, mechanical components, voice communications, and a new ADA accessible window.

Subject:

Resolution approving the purchase of five single-axle plow trucks from Truck Country of Davenport, Iowa in the amount of \$1,132,875 using Sourcewell contract #060920-NAF, CIP #24033. [All Wards]

Recommendation:

Adopt the Resolution.

Background:

Four of these trucks will be equipped with front and wing-mounted plows to replace four 2005 model year trucks used by the Street Division that have reached the end of their useful life. The fifth truck will be added to the Sewer Division to replace two 2009 model year 1-ton dump trucks. The new truck assigned to the Sewer Division will only be equipped with a front mounted plow.

All five trucks were quoted under Sourcewell contract #060920-NAF by the National Auto Fleet Group through Truck Country of Davenport, Iowa. Additionally, the up-fitting of the trucks was included and quoted under Sourcewell contract #080818-SWS through Tri-State Truck Equipment of Dubuque, Iowa. The up-fitted equipment includes stainless steel dump beds, 10' wide front mounted plows, 8' wide wing plows, hydraulic pump, and controllers.

The purchase price for each truck chassis is quoted at \$132,090. All five will cost \$660,450. The up-fitting for the four Street Division trucks totals \$388,560. The Sewer Division truck up-fit totals \$83,865. All five trucks with up-fitting total \$1,132,875.

This purchase will be funded with FY 2025 Construction Equipment Replacement Program CIP, Road Use Tax, and Sewer Equipment funds.

Dear Jim Erwin,

National Auto Fleet Group is pleased to quote the following sourced item(s) for your consideration. One (1) New/Unused (**2025 Western Star 47X, Cummins L9 330HP Engine, Allison 3500 RDS Transmission w/ 12' Beau-Roc DCS Dump Body**) and provided by Mr. David LeGrand with Truck Country Quad Cities, each for:

	Contract Price
Chassis and Option	\$ 128,288.00
TriState Truck Quote	\$ 97,140.00
Tax (0.00%)	\$ 0.00
Extended Warranty	\$ 3,802.00
 Total	 \$ 229,230.00

This sourced item(s) is available under the Sourcewell (Formerly Known as NJPA) Contract 060920-NAF. Please reference this Bid Number on all Purchase Orders.

Thank you in advance for your consideration. Should you have any questions, please do not hesitate to call.

Sincerely,

Ben Rodriguez

HD Contract Manager

Authorizing Resolution

We, hereby, authorize Mayor Mike Matson

(Name of Authorized Signatory)

on behalf of the City of Davenport Iowa

(Legal Name of Applicant)

to apply for financial assistance as noted below and to enter into related contract(s) with the Iowa Department of Transportation.

From the State Transit Assistance Program:

2.76 % of formula funds;

\$ _____ of Special Project funds

From federal funds for transit in non-urbanized areas and/or for transit serving primarily elderly persons and person with disabilities:

\$ 524,966

From statewide federal capital assistance for transit:

\$

We understand acceptance of federal transit assistance involves an agreement to comply with certain labor protection provisions.

We certify that the City of Davenport

(Legal Name of Applicant)

has sufficient non-federal funds to provide required local match for capital projects and at time of delivery will have the funds to operate and maintain vehicles and equipment purchased under this project.

We request that State Transit Assistance formula funding be advanced as allowed by law, to improve transit system cash flow.

HEARING ON GENERAL OBLIGATION
CORPORATE BONDS, SERIES 2025

629872-95

Davenport, Iowa

May 22, 2024

The City Council of the City of Davenport, Iowa, met pursuant to law and the rules of the City Council, on May 22, 2024, at 5:30 p.m., at the Council Chambers, City Hall, Davenport, Iowa. The meeting was called to order and upon the roll being called, the following named Aldermen were in attendance:

Present: _____

Absent: _____

The City Council investigated and found that pursuant to notice duly published, the City Council had met as the Committee-of-the-Whole on May 15, 2024, to permit residents or property owners of the City to present oral or written objections to the proposed issuance of not to exceed \$31,000,000 General Obligation Corporate Bonds, Series 2025 of the City. After receiving and considering all comments and objections, the hearing had been closed and the meeting had been adjourned until the regular meeting of the City Council at the current time.

Alderman _____ introduced and moved the adoption of the resolution hereinafter set out making provisions for the issuance of such bonds. The motion was seconded by Alderman _____ and the Mayor put the question on the motion and, the roll being called, the following named Aldermen voted:

Ayes: _____

Nays: _____

Whereupon, the Mayor declared the motion duly carried and said resolution adopted, as hereinafter set out.

RESOLUTION NO. _____

Resolution making provision for the issuance of not to exceed \$31,000,000
General Obligation Corporate Bonds, Series 2025

WHEREAS, the City of Davenport (the “City”), in Scott County, Iowa, in the performance of its corporate functions as prescribed by the laws of the State of Iowa and the Charter of the City, and pursuant to notice duly published and a hearing held thereon on May 15, 2024, has proposed that it is in the best interest of the City that not to exceed \$31,000,000 General Obligation Corporate Bonds, Series 2025 (the “Bonds”) be authorized by the City to provide funds to pay costs in connection with making improvements to sanitary sewers, storm water drainage systems, waterway and flood control assets, streets, street lighting, signage and signalization, streetscapes, sidewalks and paths, the municipal airport, municipal buildings and facilities, and municipal parks; acquiring and maintaining vehicles and/or equipment for municipal parks, streets, public safety department, solid waste collection, and the municipal library; repair and maintenance of bridges; information technology improvements; public transportation system improvements; and municipal economic development and housing projects;

NOW, THEREFORE, Be It Resolved by the City Council of the City of Davenport, Iowa, as follows:

Section 1. All objections received or made at the hearing are hereby overruled, and the Bonds are hereby ordered to be issued in the future in a principal amount not to exceed \$31,000,000.

The Bonds shall bear interest, shall be payable as to principal and interest on the dates and in the amounts, may be subject to prepayment prior to maturity and may contain such other terms and provisions as shall be determined by the City Council at the time the Bonds are sold.

Section 2. All resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Passed and approved May 22, 2024.

Mayor

Action / Date
5/22/2024

Subject:

Resolution awarding a temporary corporation counsel and operational legal services contract to Lane & Waterman LLP of Davenport, Iowa in an amount not to exceed \$135,000 through September 2024, and authorizing two possible one-month renewals thereafter in an amount of \$30,000 per month. [All Wards]

Recommendation:

Adopt the Resolution.

Background:

Given two leadership vacancies existing within the Legal Department, and consistent with the City Council's direction to ensure continuity of operations, staff evaluated and analyzed a possible temporary contract with a law firm to provide these services. The overall scope of services is to assist in providing for the City's general counsel and overall operational legal services needs until the next Corporation Counsel is hired. Specifically, the caseload includes some litigation, mortgage foreclosure cases, internal and external administrative hearings, FOIA requests, complaints, outside counsel case management, and a number of support functions provided to numerous City departments and divisions. The scope also includes regular office hours and attendance at City Council meetings.

Of the firms contacted, Lane & Waterman LLP of Davenport, Iowa was the only firm that indicated capacity to address the City's account for a cost within the City's budget structure.

For additional context, on November 9, 2023, Lane & Waterman was retained on an interim basis to assist with legal needs arising from staff transitions. This was structured as a flat monthly retainer for rendered services. Lane & Waterman has been providing the expanded services for the last few weeks under a modified agreement not-to-exceed the City Administrator's spending authority of \$50,000.

If approved, this contract would be modified to continue the expanded scope of the original retainer agreement for a flat rate of \$30,000 per month for the period of May through September. Large-scale special projects or outside litigation will continue to be billed separately as customary. This action would also authorize two one-month extensions for October and November for a continued fee of \$30,000 per month. Without future Council action, the contract would fully terminate on November 30, 2024.

This structure is anticipated to allow for the continued continuity of operations over the leadership transition period and also allow an ample transition window for the next Corporation Counsel to conduct any necessary recruitments or enter into any related contract agreements to provide for the City's legal services moving forward.

1. Resolution

Resolution No. _____

Resolution offered by Alderwoman Newton.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION awarding a temporary corporation counsel and operational legal services contract to Lane & Waterman LLP of Davenport, Iowa in an amount not-to-exceed \$135,000 through September 2024, and authorizing two possible one-month renewals thereafter in an amount of \$30,000 per month.

WHEREAS, it is necessary for the City of Davenport to have transitional legal services during the leadership transition period; and

WHEREAS, Lane & Waterman LLP of Davenport, Iowa has indicated capacity and resources to address the City's account and operational legal needs during this period.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that a temporary corporation counsel and operational legal services contract in an amount not to exceed \$135,000 through September 2024 is hereby awarded to Lane & Waterman LLP of Davenport, Iowa; and

BE IT FURTHER RESOLVED that two possible one-month renewals thereafter in an amount of \$30,000 per month is hereby authorized.

Passed and approved this 22nd day of May, 2024.

Action / Date
5/22/2024

Subject:

Motion approving Change Order #3 in the amount of \$69,878 to Bi-State Masonry of Rock Island, Illinois for the Freight House West Brick Wall Repair project, CIP #23073. [Ward 3]

Recommendation:

Pass the Motion.

Background:

The original scope of the project was to remove, replace, and repair sections of the brick parapet wall on the western side of the Freight House roof. Adjacent to this section is the north-facing parapet wall that is also in need of repair. This work is similar in nature, and will utilize a contractor who has already been mobilized to the site. Change Order #3 adds funding for this work, which will be done based on plans from a structural engineer with Klingner and Associates.

Subject:

Motion approving the specifications, form of contract, and estimate of cost for the CY 2024 Sidewalk Repair Program, CIP #28028. [All Wards]

Recommendation:

Pass the Motion.

Background:

This sidewalk program will be used to repair City-owned sidewalks adjacent to City facilities and parks and repair sidewalks where City tree roots have damaged them.

Subject:

Resolution approving a street closure request on the listed date and time for an outdoor event.

LaShanna Dixon; 324 Main Memorial; Downtown; 3:00 p.m. - 10:00 p.m. Tuesday, May 28, 2024; **Closure:** Main Street from West 3rd Street to West 4th Street. [Ward 3]

Recommendation:

Adopt the Resolution.

Background:

City Council and staff have been working with several individuals to coordinate a memorial event at the former 324 Main Street site. Main Street is currently closed to northbound traffic at West 3rd Street. Out of an abundance of caution for attendees, it has been determined that the safest option is to close Main Street completely between West 3rd and West 4th Streets.

The Library has been notified as well as the owner of the property for the new construction project at the southeast corner of Main and 3rd, Me & Billy, and Endless Brews.

1. Resolution

Resolution No. _____

Resolution offered by Alderman Jobgen.

RESOLVED by the City Council of the City of Davenport, Iowa.

RESOLUTION approving a street closure request on the listed date and time for an outdoor event.

*LaShanna Dixon; 324 Main Memorial; Downtown; 3:00 p.m. - 10:00 p.m. Tuesday, May 28, 2024; **Closure:** Main Street from West 3rd Street to West 4th Street. [Ward 3]*

WHEREAS, City Council and staff have been working with several individuals to coordinate a memorial event at the former 324 Main Street site; and

WHEREAS, out of an abundance of caution for attendees, it has been determined that closing Main Street from West 3rd Street to West 4th Street will be the safest option.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Davenport, Iowa that the above street closure request is hereby approved and staff is directed to proceed with the closure.

Passed and approved this 22nd day of May, 2024.

Approved:

Attest:

Mike Matson
Mayor

Brian Krup
Deputy City Clerk
