MEETING MINUTES
JOINT USE SYSTEM TECHNICAL COMMITTEE
(JUSTC)

April 24, 2024 -- 10 a.m. – Virtual Meeting

Members present:

Nicole Gleason, Doug Hradek, Brad Guy, Brian Ballard, Todd Hildebrandt

1. Status of Current Maintenance Projects
 - Digester – no change
 - Blower – HR Green making recommendations
 - Bar Screen – HR Green proposal on isolating the gate structure and designing a replacement
2. Status of Current Engineering Studies
 - Brian Schadt drafting RFQ for Digester Design Engineering Services
3. Review of Capital Plan – No updates to CIP
4. Status of Flood Berm – EDA approval for Phase I bid letting – Public Hearing on Davenport City Council meeting in May
5. Other Business –
 - Working to schedule an interview with WPCP Manager Candidate(s). Will send meeting notices and timelines when it is final.
 - Brad Guy will get a proposal to survey manholes for I & I with direct connections to either Mississippi River or streams. The plant has been receiving fish again since the water rose above 10 feet.
6. Adjourned at 10:15 a.m.
 - Next JUSTC Meeting May 22, 2024 (planned for virtual) – subject to cancellation if there are no action items.
