ORDINANCE NO. **2025-34**

AN ORDINANCE TO REPEAL AND REPLACE SECTION 10.16.070 ENTITLED "AUTOMATED TRAFFIC ENFORCEMENT" OF THE MUNICIPAL CODE OF DAVENPORT, IOWA TO INCORPORATE UPDATES OUTLINED

IN STATE OF IOWA CODE § 321P.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF DAVENPORT, IOWA:

Section 1. That Chapter 10.16.070 of the Municipal Code of Davenport, Iowa is hereby repealed and replaced with the following:

A. General.

1. The City of Davenport's Automated Traffic Enforcement Program will comply with all requirements outlined in the State of Iowa Code § 321P.
2. The City of Davenport, in accordance with the police powers authorized it by the state of Iowa for governing safe traffic flow, may deploy, erect or cause to have erected an automated traffic enforcement system for making video images of vehicles that fail to obey red light traffic signals or speed regulations at intersections or other locations in the city that result in critical traffic safety issues such as traffic collisions, or crashes resulting in serious injury or death. The system may be managed by a private contractor that owns and operates the requisite equipment with supervisory control vested in the City's police department. Video images shall be provided to the police department by the contractor for review. The police department will determine which vehicle owners are in violation of the City's traffic control ordinances and are to receive a notice of violation for the offense.

B. Definitions.

1. AUTOMATED TRAFFIC CITATION – Shall mean a notice of a traffic violation generated and affirmed through the automated traffic enforcement system.
2. AUTOMATED TRAFFIC ENFORCEMENT SYSTEM – Shall mean an electronic system consisting of a camera or other optical device to work in conjunction with a vehicle sensor or speed measuring device to produce a video or photograph that is then reviewed and approved by an officer from the local police department and/or a trained department employee to affirm a traffic violation occurred.
3. VEHICLE OWNER – Shall mean the person who holds the legal title to a motor vehicle. However, if the motor vehicle is the subject of a security agreement with a right of possession in the debtor, the debtor is deemed the owner, or if the motor vehicle is leased as defined in Iowa Code § 321.493, the lessee is deemed the owner for this section.

C. Vehicle Owner Subject to Civil Fine for Automated Traffic Citations.

1. The vehicle owner shall be liable for a fine as imposed below if such vehicle crosses a marked stop line or the intersection plane at a system location when the traffic signal for that vehicle's direction is emitting a steady red light or red arrow.
2. The vehicle owner shall be liable for a fine as imposed below if such vehicle travels at a speed above the posted speed limit.
3. A list of non-exclusive exemptions from liability under this Section are set forth below and shall not be considered violations for purposes of the Automated Traffic Enforcement System.
 - a. The violation occurred after the vehicle in question or its state registration plates were reported to a law enforcement agency as stolen and were not yet recovered.
 - b. The vehicle operator was issued a uniform traffic citation for the violation at issue pursuant to Davenport Municipal Code.
 - c. The vehicle in question was an authorized emergency vehicle and/or otherwise was conducting official business.
 - d. The officer or employee reviewing the image determines that the vehicle in question entered the intersection to yield the right-of-way to an emergency vehicle.
 - e. The officer or employee reviewing the image determines that the vehicle in question was lawfully participating in a funeral procession.

- f. The officer or employee reviewing the image determines that the image, in whole or in part, is unclear due to weather, obstruction, or poor image quality to such extent that rejection of the detected violation is warranted.
 - g. The officer or employee reviewing the image is unable to determine which vehicle in the image triggered the automated system when more than one vehicle is present in the image.
 - h. The foregoing list of exemptions shall not be construed as limiting the defenses available to challenge an Automated Traffic Citation or defend a municipal infraction.
4. The Iowa Department of Transportation or similar department of any other state shall not consider the violation for purposes of driver's license sanctions, and an insurer shall not consider the violation for determination of an individual's automobile insurance rates.

D. Notice of Automated Traffic Citations.

1. After review and affirmation by a police officer or employee of the violation detected by the Automated Traffic Enforcement System, a notice will be mailed to the Vehicle Owner for each detected violation.
2. The notice will be mailed within 30 days after receiving the Vehicle Owner's information.
3. The notice shall include the name and address of the Vehicle Owner, the vehicle make, the violation alleged, the time, date, and location of the alleged violation, the applicable fine, information pertaining to how the citation may be challenged, and notification that the citation is based upon an image generated by an Automatic Traffic Enforcement System.

E. Penalty for Violations.

1. A civil fine of \$100 shall be imposed for any violation of subsection C1, which shall be payable to the City of Davenport at the City's finance department.
2. A civil fine, as listed in the table below, shall be imposed for any violation of subsection C2, which shall be payable to the City of Davenport at the City's finance department. Violations occurring in Construction Zones shall incur greater fines as indicated below.

F. Challenging an Automated Traffic Citation.

1. The vehicle owner who receives a citation for a violation detected by the automated traffic enforcement system may appeal the violation through the Davenport Police Department and submit clear and convincing evidence that the vehicle owner was not operating the motor vehicle at the time of the violation.
 - a. As part of the appeal, the owner shall provide the name and address of the person who was operating the motor vehicle at the time of the violation.
 - b. If the appeal determines the vehicle owner was not operating the vehicle at the time of the violation, the citation issued to the vehicle owner may be amended and issued to the person identified as operating the vehicle.

2. A recipient of an automated traffic citation may dispute the citation by requesting an issuance of a municipal infraction citation by the police department.
 - a. Such request will result in a required court appearance by the recipient and in the scheduling of a trial before a judge or magistrate at the Scott County Courthouse.
 - b. The issuance of a municipal infraction citation will cause the imposition of state mandated court costs which are added to the amount of the violation if the court finds the recipient guilty.

G. Failure to Timely Pay or Challenge.

1. A recipient of a notice of violation who does not request the issuance of a municipal infraction citation to dispute the alleged violation by contested proceedings before a judge or magistrate within the time specified by the notice of violation, will be deemed to have waived his right to dispute the violation, and the violation will be admitted with the civil penalty being due and owing to the City.
2. A notice of intent to default will be mailed to the recipient at least **10 days prior** to the deadline for contesting.
3. If the recipient of an automated traffic citation does not either pay the fine by the due date stated on the original citation or successfully challenge the citation as provided herein, the City may file a municipal infraction against the vehicle owner in accordance with City of Davenport Municipal Code Chapter 1.30.020 and Iowa Code § 364.22 , seeking judgment for the applicable civil fine plus state-mandated filing fees, court costs, and any other administrative fees associated to the collection of the fine.
4. If judgment is entered for the City in the municipal infraction proceeding, the City may, subject to applicable law, pursue enforcement of the judgment, together with interest as permitted by law.
5. Collection of that judgment may include referral to the debt collection program as administered by the Iowa Department of Revenue.
6. Notwithstanding the City's right to file a municipal infraction, the City may first seek voluntary payment of the fine by sending a written request for payment to the vehicle owner and/or referring the matter to a private service agent to conduct collection in accordance with all applicable law.

SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason illegal or void, then the lawful provisions of this ordinance, which are separable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.
