Resolution approving a petition for voluntary severance of 0.29 acres of real property located between the southern right-of-way of Forest Grove Drive and 2145 Forest Grove Drive, Lisa M. Schluensen Trust, Petitioner. [Ward 6]

Recommendation:

Adopt the Resolution.

Background:

The Lisa M Schluensen Trust has submitted a petition to sever land from the City of Davenport in order to annex it into the City of Bettendorf. This action is called a Corporate Boundary Adjustment between Cities. The request would realign the City Limits to the south right-of-way of Forest Grove Drive.

A portion of the Veteran's Memorial Parkway road construction project was completed in 2017. Part of the project included the reconfiguration of Forest Grove Drive from Utica Ridge Road east to the City Limits with Bettendorf. A portion of the old Forest Grove Road, which was no longer needed, was vacated in 2018 when the road was removed. The City Limit between Davenport and Bettendorf runs along the vacated old Forest Grove Road, splitting property owned by the Lisa M Schleunsen Trust. The sliver of land subject to the severance is not developable within the City of Davenport, and functions as the front yard of 2145 Forest Grove Drive.

A resolution approving the severance of the land is required as part of the application for annexation into the City of Davenport. The official decision of the Corporate Boundary Adjustment is made by the State City Development Board.

Background:

These requests for noise variances have been received pursuant to the Municipal Code of Davenport, Iowa, Chapter 8.19 Noise Abatement, Section 8.19.090 Special Variances.

The Big 9 Concert Series | The June 6 event is not included as a noise variance request was approved by City Council for Common Chord's block party on April 23 (action item #2025-191). The Credit Island event on August 30 is not included as it does not require a variance.

J&M Displays | The fireworks show will begin at dusk, which is approximately 9:11 p.m. The City assisted J&M Displays by sending out emails to various properties/individuals around the casino to inform them of the fireworks and ask them to share with as many people as they can via text, email, and Facebook groups; the NextDoor app; community bulletin boards; newsletters; etc. The City sent emails to the following:

- Kahl Home on May 7, 2025

- B. This subsection shall not apply to any bona fide zoological garden, bona fide educational or medical institution, museum, veterinary hospital, wildlife rescue entity or wildlife rehabilitation entity with an appropriate permit from the state, any such animals under the jurisdiction of the commission, game breeders, a circus or carnival licensed by the City, nor shall it apply to a bona fide research institute or facility using wild, exotic or dangerous animals for scientific research. In addition, this section shall not apply to any primate trained and used to assist a handicapped person.
- C. Any wild, exotic or dangerous animal found within the City in violation of this section is deemed a public nuisance per se. If a wild, exotic or dangerous animal is found to be roaming at large within the City, it may, in the discretion of the police department or animal control officer, be destroyed immediately without prior notice to the owner thereof. The City and its agents shall be under no duty or obligation to capture or otherwise confine the animal.
- D. Any person found to be keeping, sheltering, harboring or maintaining a wild, exotic or dangerous animal in violation of this section is subject to the animals' immediate seizure as contraband. Any animal so seized shall be held for three business days. If the owner has not petitioned the court regarding disposition of the animal and served notice of the pendency of the owner's petition for disposition of the animal on animal control within that time period, animal control may euthanize the animal or permanently place it with an entity which is exempt from the provisions of this section. If necessary, animal control may impound a wild, exotic or dangerous animal at another facility. The animal's owner shall be responsible for all costs and expenses incurred by animal control or the City which arise as a result of the seizure and impoundment of a wild, exotic or dangerous animal. Under no circumstance shall a wild, exotic or dangerous animal be returned to or placed with a nonexempt entity within the City limits. If a wild, exotic or dangerous animal is ever again found to be within the City in violation of this section, it shall be immediately confiscated and disposed of as animal control deems appropriate.
- E. Any person keeping wild, exotic or dangerous animals prior to the enactment of this chapter shall be allowed to keep such animals for the duration of the animal's natural life. Upon the death of a wild, exotic or dangerous animal, the owner of such animal shall not be allowed to replace such animal except as otherwise allowed by this section. The

burden of proving the prior ownership of a wild, exotic or dangerous animal prior to the enactment of this chapter lies with the person keeping such wild, exotic or dangerous animal. Nothing herein shall be deemed to exclude the enforcement of nuisance or other laws on the owner of such animals.

6.04.110. Dangerous dogs.

- A. Any person keeping a dog deemed dangerous or vicious prior to June 1, 2025 shall be allowed to keep such animal for the duration of the animal's natural life and shall be excluded from the requirements of this chapter for dangerous dogs if the following conditions are met:
- The animal has been microchipped and that microchip is registered with animal control;
 - The animal remains licensed under the requirements of this chapter;
 - The animal's owner or custodian posts their property with conspicuous signs warning of the presence of a dog;
 - The animal's owner or custodian maintains continuous residency within the city of Davenport;
 - The animal's owner or custodian complies with any provision deemed necessary by the executive director of animal control in consultation with the City of Davenport Legal Department to ensure public safety; and
 - The animal is not involved in a bite, attack, or dangerous behavior incident as defined by this chapter. Any new incidents involving a grandfathered dog will be evaluated under the criteria of the definition effective June 1, 2025.
- B. The declaration that a dog is dangerous shall be made by an animal control officer. Notification of the declaration and the owner's appeal rights shall be made in accordance with the procedures contained in Section 6.04.155.
- C. No person shall own, keep, harbor, foster, or maintain any dog that has been declared dangerous except as provided herein.
- D. No person shall allow a dangerous dog to be in or upon any premises or vehicle owned, leased, occupied, or controlled by the person, except as provided herein.
- E. No person shall bring any dangerous dog into the City of Davenport without approval of the City Administrator.
- F. No person shall allow a dangerous dog in a City park or off-leash dog area.
- G. Upon receiving a complaint or having reasonable suspicion that a dangerous dog is being kept, sheltered, or harbored within the city, animal control or the City of Davenport may initiate an investigation. If, after investigation, animal control or the City of Davenport determines that a dangerous dog is indeed being kept, sheltered, or harbored within the city by any person, the City of Davenport, or its designee, shall declare the animal a dangerous dog. The owner or caretaker of the dog shall then be ordered to either humanely euthanize the animal or have it microchipped and rehomed outside the city limits within fourteen calendar days from the date of service of the order. Until the dog

is euthanized or rehomed, it must be securely confined or leashed under the direct control of a person 18 years of age or older.

- H. Notice of the declaration that a dog has been deemed dangerous shall be promptly served in person to the owner, if known. If personal service cannot be completed within the city limits, the notice may be sent by certified mail. The notice shall include:
- Description of the animal;
 - Declaration that the animal has been deemed dangerous;
 - The basis for the declaration;
 - An order requiring the owner to humanely euthanize the dog or have the dog microchipped and rehomed outside the city limits within fourteen days of the service of the notice;
 - A warning that the dog will be subject to seizure if it is not rehomed or humanely euthanized within the required timeframe; and
 - Information on the right to appeal, stating the owner may file a written notice of appeal with the Legal Department within fourteen days from the date of service.
- I. If the owner is ordered to humanely euthanize the dog or have it microchipped and rehomed outside the city limits, the owner must comply within the required timeframe of the notice of the declaration. If the owner fails to do so, the City of Davenport or its designee is authorized to seize and impound the animal. Additionally, the animal may be seized at any time if it is not securely confined or leashed under the direct control of a person 18 years of age or older. An impounded animal shall be held for fourteen days or, if an appeal is filed, until seven days after the final decision of the appeal. If the appeal results in a reversal of the dangerous declaration, the animal shall be immediately released to the owner or their representative. However, if the declaration remains in effect and the owner does not seek a review by the district court, the City of Davenport or its designee shall proceed with the disposition of the animal in accordance with the policies of the organization providing shelter services.
- J. Orders and declarations concerning dangerous dogs issued by the City of Davenport or its designee may be appealed through the administrative appeal procedure set forth in Section 6.04.165 of this Code.
- K. Any dog alleged to be dangerous and held under impoundment or quarantine shall not be released to the owner but shall remain confined at the owner's expense until the outcome of the hearing is determined. If the dog is deemed dangerous, all costs associated with its impoundment or quarantine shall be the responsibility of the owner. If the Animal Hearing Commission after a full and complete hearing determines the animal should not be deemed dangerous, all costs of the impoundment and/or quarantine will be the responsibility of the City of Davenport.
- L. Failure to comply with an order issued by the City of Davenport or its designee under this section whether not appeal or upheld on appeal shall constitute a misdemeanor offense. A violation of any of the provisions of this section may be charged as a simple misdemeanor offense. Additionally, any animal control or police officer shall have the right

to seize and impound the animal if any of the conditions and specifications established by this section are not being met.

6.04.115. Security service dogs.

- A. No person shall engage in the business of providing security service dog service in the City or to act as a handler, unless said person has obtained a license as required by this section prior thereto.

The fee for each security service dog license shall be \$10. No security service dog license or tag shall be issued unless said working service dog is currently vaccinated for rabies.
- C. An application for a license to operate, maintain and conduct security service dog service in the City shall be filed, together with an application fee of \$200, with the City or its agent. The application shall state the name, address, type of organization of security service dog service, its method of operation, the names and addresses of its officers, and the names of its employees and include evidence that the applicant is a bona fide security service licensed by any state or federal authority. The application must be accompanied by an insurance certificate or a surety bond underwritten by a corporate surety admitted to do business in the state of Iowa, in a form approved by the City Attorney, in the sum of \$300,000 blanket coverage for the security service dog service. The security dog service and surety shall be jointly and severally liable to any person, firm or corporation for damages suffered by reason of the wrongful acts of the security service dog service. Notice of proposed cancellation of the insurance or bond shall be provided to the City or its agent not less than 30 days in advance of the cancellation date.
- D. Each applicant for a security service dog handler license shall be a natural person and shall pay an annual fee of \$100 and shall be required to carry insurance or a surety bond in the amount of \$100,000 covering the same items as set forth in subsection D above. A security service dog service licensed under subsection D above need not obtain a separate handler license under this subsection.
- E. It shall be unlawful for any person to engage in any business or occupation licensed under this section in the City unless such person holds a valid license pursuant to this section. A violation of this section may be charged as a simple misdemeanor.
- F. Every handler or owner of a security service dog shall see to it that such animal wears a clearly visible tag approved by the City or its agent at all times it is within the City unless the dog is performing a security service which requires not wearing a tag in order to perform the service safely. Such tag shall have stamped thereon "Security Service Dog, Tag No., City of Davenport," and the year the tag was issued for. Lost or stolen tags shall be immediately reported to the City or its agent and shall be replaced by the City or its agent at the cost provided for other tags as stated in this chapter.
- G. Any security service dog service or handler that sells or otherwise transfers ownership of any security service dog shall, not less than 10 days after the transfer, file a report with the City or its agent containing the name and address of the person to whom such dog was transferred, a description and identification tag number of the dog, and any other information the City or its agent deems necessary.

- H. Any person whose security service dog is lost or stolen or whose dog has died shall, within 24 hours of the loss or theft, or within 10 days of the death, file a report with the City or its agent containing a description and identification tag number of the dog, and any other information the City or its agent deems necessary.
- I. A security service dog, properly registered as required by this section, in the custody and control of a licensed security service dog service or handler, shall not be declared to be a dangerous or vicious dog, provided that at the time of attack said dog was under the direct supervision of a security service dog service or licensed handler.

6.04.120. Damage to property.

No person shall allow or permit their animal to damage, injure, or destroy any shrubbery, plants, flowers, grass, fence, or anything whatsoever upon public or private property without prior permission from the property owner or authorized person.

6.04.130. Barking dogs regulations.

It shall be unlawful to keep or harbor any dog which, by frequent, regular, habitual, or continued barking, yelping, or howling shall cause serious annoyance to the surrounding neighborhood. Such action is a violation of this chapter and is also hereby declared a public nuisance. The animal control officer or a Davenport police officer shall have the authority to use all reasonable means to abate such nuisance, including but not limited to requiring that the owner or custodian make bona fide efforts to quiet the dog and impoundment of the dog if the owner or custodian is absent from the premises. If the dog is impounded, the officer shall attempt to locate and notify the absent owner or custodian by any reasonable means as soon as possible.

6.04.140. Impoundment.

- A. The City may establish and maintain a municipal animal shelter or the City may contract with any nonprofit incorporated society or association which shall provide and maintain an animal shelter for the enforcement of this chapter. It shall be the duty of the persons authorized by the City to operate such animal shelter to supervise and control such facility, to cause the shelter to be kept in a sanitary condition and free from offensive odors, to provide for adequate food, water and shelter, to provide for the collection of animals, to handle the destruction or disposition of animals not redeemed, and to assist in the enforcement and operation of this chapter. The provisions of this chapter shall be enforceable by any animal control officer and by members of the Davenport Police Department.
- B. Impoundment Procedure. Unrestrained animals found running at large, nuisance animals, neglected animals, abandoned animals, and cats or dogs running at large without license tags or rabies vaccination tags shall be taken and impounded in the animal shelter and there confined in a humane manner.

All at large and impounded dogs and cats shall have an electronic identification device, otherwise known as a microchip, placed under the animal's skin after 72 hours in impound, unless waived by the executive director of animal control or their designee for good cause. The microchip identification shall become part of the at large animal's record, and the impoundment fee shall be increased to include the cost of the microchip implantation and registration in the amount set by Animal Control.

- C. Notice. Every dog or cat found without a license, collar, microchip, rabies tag, or similar identification shall be kept for not less than three days after being impounded unless sooner redeemed by the owner in accordance with this article. Dogs with identification shall be kept not less than seven days after being impounded unless sooner redeemed by the owner in accordance with this article.
- D. Claim Fees. A person redeeming an impounded dog or cat shall pay the required redemption fee as stated in Section 6.04.060 for a first, second or third offense and the required boarding fees as provided for by this section. In addition, before an unlawfully unlicensed animal may be redeemed the person redeeming the animal must obtain a license as stated in this chapter. In addition, a person redeeming an animal shall pay any additional fees required under the provisions of this chapter, including any monies expended for the provision of medical treatment provided to the animal.

The boarding fees for other animals shall be set by resolution of the City Council:

- 1. For each dog, cat, ferret or similar animal a per day fee for the animal's care, food, water and shelter.
 - 2. For each domestic fowl, chicken, goose, duck or waterfowl a per day fee for the animal's care, food, water and shelter.
 - 3. For each horse, mule, jack, cow, bull, steer, ox, swine, sheep, goat or similar animals a per day fee plus actual expenses incurred for the animal's care, food, water and shelter.
 - 4. For any animal not specified herein, a per day fee plus actual expenses incurred for the animal's care, food, water and shelter.
- E. No animal need be kept for the period of notification or impoundment if a licensed veterinarian or an animal control officer certifies that the animal is so diseased or injured that it is unduly suffering or cannot survive. In such cases the animal may be subjected to humane euthanasia.
 - F. Unclaimed Animals. Animals not reclaimed or redeemed within the time limitations provided by this chapter shall become the property of the City or animal shelter and shall be placed for adoption in a suitable home or subjected to humane euthanasia. No unclaimed dog or cat shall be released for adoption to a suitable home without being sterilized, or without a written agreement from the adopter, secured by a cash deposit, guaranteeing that such animal will be sterilized.
 - G. The refusal to redeem or reclaim any impounded animal shall not relieve the owner of the duty to pay the impoundment fees, boarding fees, veterinarian expenses, or any other costs incurred in the care of the animal. An owner or custodian who refuses to pay such expenses shall be in violation of this chapter and subject to citation for the same.
 - H. Neither the City nor the animal shelter, nor their agents and officers enforcing the provisions of this chapter shall be liable for any accident or subsequent disease that may occur in connection with the impoundment of any animal pursuant to this chapter.

6.04.150. Enforcing provisions.

- A. Animal control officers and Davenport police officers are authorized to issue municipal

infraction citations or notices of violations for violations of the provisions of this chapter. If provided for by a section of this chapter, a Davenport police officer may enforce a violation of a section as a simple misdemeanor.

- B. It is unlawful for any person to interfere with, hinder, willfully prevent or attempt to prevent any police officer, animal control officer, or person authorized to enforce this chapter by the City Administrator in the enforcement of this chapter.
- C. Inspection Procedures. Whenever it becomes necessary to make an inspection to enforce any of the provisions of or to perform any duty imposed by this chapter or other applicable law, or whenever the animal control officer or other authorized person has reasonable cause to believe that there exists in any building or upon any premises any violation of the provisions of this chapter or other applicable law, the officer is authorized to enter such property at any reasonable time and to inspect the same and perform any duty imposed upon the officer by this chapter or other applicable law. If the property is occupied, the officer shall first present proper credentials to the occupant and request entry, explaining the reasons entry is sought. If the property is unoccupied, the officer shall first make a reasonable effort to locate the owner or other person in control of the property and request entry explaining the reason therefor. If entry is refused, or the owner or person in control of the property cannot be located after due diligence, the officer shall have recourse to every remedy provided by law to secure lawful entry and inspect the property.
- D. Immediate Inspection. Notwithstanding Section 6.04.170 subsection B., if the animal control officer or police officer has reasonable cause to believe that the keeping or the maintenance of any animal is so hazardous, unsafe or dangerous as to require immediate inspection to safeguard the animal or the public health or safety, the officer shall have the right to immediately enter and inspect such property, and may use any reasonable means required to effect such entry and make such investigation, whether the property is occupied or unoccupied. If occupied, the officer shall first present proper identification and demand entry explaining the reasons therefor and the purpose of the inspection.

6.04.155. Notice of violation, confiscation, revocation.

An animal control officer or police officer may send notice of violation to an animal's owner or keeper. A notice of violation initiates administrative sanction procedures for violations of this chapter, revocation of a person's privilege to license or keep animals within the City, extension of periods of revocation, confiscation of an animal by the City, or a declaration that an animal is dangerous. A notice of violation shall be sent by certified mail or personally served upon an animal's owner or keeper at the request of a victim of a dog attack as defined in Section 6.04.010(K). The notice of violation may be appealed as provided in Section 2.86.020 of the City code. If appealed the hearing shall be scheduled and held as provided by the procedures in Chapter 2.86 of the City code. If a timely appeal is not filed the notice of violation shall be conclusively presumed to be true. If no timely appeal is filed the notified person shall be deemed to have waived all rights to challenge the action taken by the City.

6.04.160. Nuisances.

- A. Any animal which is not confined or kept under restraint as required by this chapter, and any wild, exotic, dangerous animal kept or maintained within the City in violation of this chapter, any animal which barks so frequently, regularly, or habitually that it causes

serious annoyance to the surrounding neighborhood, is hereby declared a public nuisance.

- B. Whenever an animal control officer or police officer determines that a nuisance exists, the officer may cause a written notice ordering the abatement of the nuisance to be served upon the owner or custodian. The notice to abate shall contain a description of what constitutes the nuisance, the location of the nuisance, a statement of the act or acts necessary to abate the nuisance, a definite time within which the nuisance shall be abated which time shall be reasonable under the circumstances, and a statement that the City will abate the nuisance if the nuisance is not abated in the manner and within the time stated and no request for a hearing is made within the time stated. Notice to abate shall be served personally upon the owner or custodian by serving the owner or custodian or any person residing at the residence who is at least 18 years old, or by serving the owner or custodian by certified mail return receipt requested. If service is by certified mail, service shall be deemed given when mailed.
- C. Any person ordered to abate a nuisance may request a hearing on the order to abate as provided in Section 2.86.020 of the City code. If appealed the hearing shall be scheduled and held as provided by the procedures in Chapter 2.86 of the City code. If no timely appeal is filed the nuisance shall be conclusively presumed to exist and the person who was notified to abate it shall be conclusively presumed to be responsible for the existence of the nuisance.
- D. If a person ordered to abate a nuisance neglects or fails to abate the nuisance as directed, the City may abate the nuisance. If an animal is impounded, the owner or custodian of the animal shall be notified of the impoundment as provided in Section 6.04.140. Notwithstanding any other provision of this chapter, the impoundment authority shall keep an impounded animal until such time as the animal control officer who ordered the abatement notifies the impoundment authority that the owner or custodian has complied with the order to abate or has abated the nuisance in some other acceptable manner, in which case, the animal may be released to the owner or custodian upon payment of all the costs, fees and other expenses incurred in the care of the animal have been paid. If the impoundment authority is not notified of the owner's or custodian's compliance within three days after the impoundment, in the case of a previously abated nuisance animal, or from the time specified in a formal order of abatement, the impounded animal may be disposed of in the discretion of animal control.

Any member may be recused if the member perceives a conflict of interest or personal connection involved in any case.

- C. Hearing Procedure. Procedures for initiating an appeal of a dangerous dog declaration are the same as those outlined in Chapter 2.86. The Animal Hearing Commission as a body will serve as the administrative hearing officer for appeals related to dangerous animal determinations. 6.04.170. Penalties.

- A. A violation of any provision of this chapter shall constitute a municipal infraction and may be cited and punished accordingly.

seeking to license the dog. Animal control may require documentation of the person's affiliation with an organization established for the purpose of training service animals or whatever evidence animal control deems satisfactory to establish the validity of such claim.

- G. Upon proof of loss, a duplicate license tag may be obtained upon payment of a replacement fee not to exceed \$5.
- H. A person owning or possessing any dog or cat who moves into the City shall obtain a license for said animal within 30 days of the date the person takes up residency in Davenport.

A violation shall be shown by a conviction upon a citation or a finding by the Deputy City Clerk or by a non-appealed notice of violation.
- K. An owner or custodian whose privilege has been revoked shall, within 10 days after notice of the revocation, remove from their residence all dogs and cats which the person owns, keeps, harbors or maintains. If the animal is found in the City after the five-day period, it shall be immediately impounded. Failure to remove a dog or surrender it to animal control may be prosecuted as a municipal infraction violation or simple misdemeanor. An owner whose license has been revoked shall inform animal control in writing upon the animal's removal from the city limits the name, address and telephone number of the animal's new owner, the location where the animal will be kept and the name and description of the animal. In addition, the owner shall notify the new owner in writing of any details concerning any and all complaints concerning the animal, and any terms, conditions or restrictions imposed by animal control as to the animal. If the animal or animals are unlicensed or no record exists as to the owner or custodian of an animal, notice of confiscation shall be directed to the address of the residence.
- O. Any person whose privilege to license and keep animals has been revoked, but who owns, keeps, harbors or maintains a dog or cat during the period of the revocation shall have an additional period of up to one year added to the original period of revocation for each violation of the revocation.
- P. The notice of revocation or notice of extension of the revocation period, or notice of confiscation of any animal may be appealed as provided in Section 2.86.020 of the City code. If appealed the hearing shall be scheduled and held as provided by the procedures in Chapter 2.86 of the City code. If the City demonstrates sufficient evidence in support of its determination the burden shall shift to the appealing party to demonstrate by clear and convincing evidence that he or she has had no role in the care, supervision, possession or control of the animal or that the incident which caused the enforcement action by the City was caused by a third party or event not under the supervision or control of the appealing party. If no timely appeal is filed the notified person shall be deemed to have waived all rights to challenge the action taken by the City.

In such cases reporting of the bite or scratch shall be discretionary with the veterinary hospital or clinic.
- B. Any animal that has been involved in biting a person must be quarantined for 10 days from the date of the bite. Such confinement may be at the premises of the owner if deemed appropriate and sufficient safeguards are provided to the discretion of the animal control officer and/ or the Scott County Health Department. The owner of an animal that has been reported as having inflicted a bite on a person shall, on demand, produce the animal for examination and quarantine to an animal control officer or police officer. It is unlawful to fail to or refuse to produce such an animal. Failure to produce an animal demanded shall subject the owner or custodian to arrest if probable cause exists to believe the animal inflicted a bite on a person or other animal.

If, after investigation, animal control or the City of Davenport determines that a dangerous dog is indeed being kept, sheltered, or harbored within the city by any person, the City of Davenport, or its designee, shall declare the animal a dangerous dog. The owner or caretaker of the dog shall then be ordered to either humanely euthanize the animal or have it microchipped and rehomed outside the city limits within fourteen calendar days from the date of service of the order. If the owner fails to do so, the City of Davenport or its designee is authorized to seize and impound the animal. Additionally, the animal may be seized at any time if it is not securely confined or leashed under the direct control of a person 18 years of age or older. An impounded animal shall be held for fourteen days or, if an appeal is filed, until seven days after the final decision of the appeal. If the appeal results in a reversal of the dangerous declaration, the animal shall be immediately released to the owner or their representative. However, if the declaration remains in effect and the owner does not seek a review by the district court, the City of Davenport or its designee shall proceed with the disposition of the animal in accordance with the policies of the organization providing shelter services.

If the dog is deemed dangerous, all costs associated with its impoundment or quarantine shall be the responsibility of the owner. If the Animal Hearing Commission after a full and complete hearing determines the animal should not be deemed dangerous, all costs of the impoundment and/or quarantine will be the responsibility of the City of Davenport.

- L. Failure to comply with an order issued by the City of Davenport or its designee under this section whether not appeal or upheld on appeal shall constitute a misdemeanor offense. Such action is a violation of this chapter and is also hereby declared a public nuisance. The animal control officer or a Davenport police officer shall have the authority to use all reasonable means to abate such nuisance, including but not limited to requiring that the owner or custodian make bona fide efforts to quiet the dog and impoundment of the dog if the owner or custodian is absent from the premises. If the dog is impounded, the officer shall attempt to locate and notify the absent owner or custodian by any reasonable means as soon as possible.

6.04.140 Impoundment.

- A. The City may establish and maintain a municipal animal shelter or the City may contract with any nonprofit incorporated society or association which shall provide and maintain an animal shelter for the enforcement of this chapter. It shall be the duty of the persons authorized by the City to operate such animal shelter to supervise and control such facility, to cause the shelter to be kept in a sanitary condition and free from offensive odors, to provide for adequate food, water and shelter, to provide for the collection of animals, to handle the destruction or disposition of animals not redeemed, and to assist in the enforcement and operation of this chapter. The provisions of this chapter shall be enforceable by any animal control officer and by members of the Davenport Police Department.

Unrestrained animals found running at large, nuisance animals, neglected animals, abandoned animals, and cats or dogs running at large without license tags or rabies vaccination tags shall be taken and impounded in the animal shelter and there confined in a humane manner.

All at large and impounded dogs and cats shall have an electronic identification device, otherwise known as a microchip, placed under the animal's skin after 72 hours in impound, unless waived by the executive director of animal control or their designee for good cause. The microchip identification shall become part of the at large animal's record, and the impoundment fee shall be increased to include the cost of the microchip implantation and registration in the amount set by Animal Control.

In addition, a person redeeming an animal shall pay any additional fees required under the provisions of this chapter, including any monies expended for the provision of medical treatment provided to the animal.

The boarding fees for other animals shall be set by resolution of the City Council:

 4. For any animal not specified herein, a per day fee plus actual expenses incurred for the animal's care, food, water and shelter.

- F. Unclaimed Animals. Animals not reclaimed or redeemed within the time limitations provided by this chapter shall become the property of the City or animal shelter and shall be placed for adoption in a suitable home or subjected to humane euthanasia. No unclaimed dog or cat shall be released for adoption to a suitable home without being sterilized, or without a written agreement from the adopter, secured by a cash deposit, guaranteeing that such animal will be sterilized.

- G. The refusal to redeem or reclaim any impounded animal shall not relieve the owner of the duty to pay the impoundment fees, boarding fees, veterinarian expenses, or any other costs incurred in the care of the animal. An owner or custodian who refuses to pay such expenses shall be in violation of this chapter and subject to citation for the same.
- H. Neither the City nor the animal shelter, nor their agents and officers enforcing the provisions of this chapter shall be liable for any accident or subsequent disease that may occur in connection with the impoundment of any animal pursuant to this chapter.

If the property is occupied, the officer shall first present proper credentials to the occupant and request entry, explaining the reasons entry is sought. If the property is unoccupied, the officer shall first make a reasonable effort to locate the owner or other person in control of the property and request entry explaining the reason therefor. If entry is refused, or the owner or person in control of the property cannot be located after due diligence, the officer shall have recourse to every remedy provided by law to secure lawful entry and inspect the property.
- D. Immediate Inspection. Notwithstanding Section 6.04.170 subsection B., if the animal control officer or police officer has reasonable cause to believe that the keeping or the maintenance of any animal is so hazardous, unsafe or dangerous as to require immediate inspection to safeguard the animal or the public health or safety, the officer shall have the right to immediately enter and inspect such property, and may use any reasonable means required to effect such entry and make such investigation, whether the property is occupied or unoccupied. If occupied, the officer shall first present proper identification and demand entry explaining the reasons therefor and the purpose of the inspection.

6.04.155 Notice of violation, confiscation, revocation.

The notice of violation may be appealed as provided in Section 2.86.020 of the City code. If appealed the hearing shall be scheduled and held as provided by the procedures in Chapter 2.86 of the City code. Any animal which is not confined or kept under restraint as required by this chapter, and any wild, exotic, dangerous animal kept or maintained within the City in violation of this chapter, any animal which barks so frequently, regularly, or habitually that it causes serious annoyance to the surrounding neighborhood, is hereby declared a public nuisance.
- B. Whenever an animal control officer or police officer determines that a nuisance exists, the officer may cause a written notice ordering the abatement of the nuisance to be served upon the owner or custodian. The notice to abate shall contain a description of what constitutes the nuisance, the location of the nuisance, a statement of the act or acts necessary to abate the nuisance, a definite time within which the nuisance shall be abated which time shall be reasonable under the circumstances, and a statement that the City will abate the nuisance if the nuisance is not abated in the manner and within the time stated and no request for a hearing is made within the time stated. Notice to abate shall be served personally upon the owner or custodian by serving the owner or custodian or any person residing at the residence who is at least 18 years old, or by serving the owner or custodian by certified mail return receipt requested. If no timely appeal is filed the nuisance shall be conclusively presumed to exist and the person who was notified to abate it shall be conclusively presumed to be responsible for the existence of the nuisance.
- D. If a person ordered to abate a nuisance neglects or fails to abate the nuisance as directed, the City may abate the nuisance. If an animal is impounded, the owner or custodian of the animal shall be notified of the impoundment as provided in Section 6.04.140. Notwithstanding any other provision of this chapter, the impoundment authority shall keep an impounded animal until such time as the animal control officer who ordered the abatement notifies the impoundment authority that the owner or custodian has complied with the order to abate or has abated the nuisance in some other acceptable manner, in which case, the animal may be released to the owner or custodian upon payment of all the costs, fees and other expenses incurred in the care of the animal have been paid. If the impoundment authority is not notified of the owner's or custodian's compliance within three days after the impoundment, in the case of a previously abated nuisance animal, or from the time specified in a formal order of abatement, the impounded animal may be disposed of in the discretion of animal control.

In lieu of such a certificate, a copy of a current homeowner's policy designating these requirements shall be sufficient proof of insurance for purposes of this subsection. If said certificate is not immediately available, a binder that indicates the proper coverage may be accepted for up to 30 days subsequent to the determination that an animal is dangerous or vicious; however, if after 30 days a certificate of insurance or a policy has not been submitted, the animal shall be deemed unlicensed and be disposed of at the discretion of animal control officers. This section shall not apply if said bite or scratch occurred while the animal was being treated, confined, or housed within a veterinary hospital or clinic and that facility knows such animal is currently inoculated for rabies and has the certification to prove such inoculation. In such cases reporting of the bite or scratch shall be discretionary with the veterinary hospital or clinic.
- B. Any animal that has been involved in biting a person or other animal must be quarantined for 10 days from the date of the bite. Such confinement may be at the premises of the owner if deemed appropriate and sufficient safeguards are provided to the discretion of the animal control officer and/or the Scott County Health Department. The owner of an animal that has been reported as having inflicted a bite on a person or other animal shall, on demand, produce the animal for examination and quarantine to an animal control officer or police officer. It is unlawful to fail to or refuse to produce such an animal. Failure to produce an animal demanded shall subject the owner or custodian to arrest if probable cause exists to believe the animal inflicted a bite on a person or other animal.

The burden of proving the maintenance of livestock upon a parcel of land within the City proper to the enactment of this chapter shall lie with the person claiming such prior existence. Nothing herein shall be deemed to exempt an owner of livestock within the City limits from the enforcement of nuisance or other laws regarding the keeping of such livestock.

6.04.060. Animal running at large. [Amended 8-28-2024 by Ord. No. 2024-382; Ord. 2003-210 (part); Ord. 02-573 § 7; Ord. 2002-501 § 1; Ord. 2000-285 § 4; Ord. 93-283 § 1 (part)]

- A. It shall be unlawful for the owner or custodian of any dog, cat, or other animal to fail to keep the same from running at large within the City. For the purpose of this chapter an animal shall not be deemed running at large, even if the animal is not restrained, as long as one of the following situations applies:
 - 1. When the animal is restrained either upon the premises of the owner or custodian or upon another's premises with the permission of the owner of that premises, so long as the animal is restrained in such a manner that it cannot enter on the public streets, sidewalks, alleys, other public areas, or property not owned by the owner, custodian, or permittee, unless the animal has been declared dangerous or vicious, in which case the provisions of Section 6.04.110 shall apply.
 - 2. When the animal is confined or restrained upon the premises of the owner or custodian within a secured building, or within a secured pen, enclosure or similar structure which has secured sides, bottom, and top such that the animal cannot escape, or within fencing or similar means secured such that the animal cannot escape and which is fastened by an adequate locking device.
 - 3. When an animal is enclosed within an automobile or other vehicle of its owner or custodian such that it cannot escape and such that said confinement does not endanger the animal's health or well-being.

An animal is deemed to be in heat when it is in an estrogous state or ovulating. Nothing in this subsection shall be construed to prohibit exercising the animal provided the animal is restrained on a leash or similar restraint not more than six feet in length and is under the control of a person competent to restrain and control the animal or from transporting such animal within a motor vehicle.
- D. Any dog, cat, or other animal which is found in violation of this section may be impounded. Any such animal impounded may be redeemed by its owner or custodian within three days from the time specified in Section 6.04.140 and upon payment of the applicable redemption fee, current rabies vaccination fee unless current rabies inoculation is proven, the current licensing fees and penalties if the animal is unlicensed, impoundment fees, and the fees, costs and charges for any emergency medical treatment administered to the animal. After the time specified in Section 6.04.140 the humane society may dispose of an unredeemed animal. If an animal control officer is unable to apprehend an animal or impoundment is not feasible, the animal control officer shall provide the owner or custodian of the animal with a notice of violation under the procedures contained in Section 6.04.155.
