16. ABANDONMENT

- A. The Tenant shall not vacate or abandon the Leased Premises at any time during the term of this Lease; and if the Tenant shall abandon, vacate, or surrender the Leased Premises, or be dispossessed by process of law or otherwise, any personal property belonging to the Tenant and left on the Leased Premises shall be deemed to be abandoned, at the option of the Landlord. The Tenant shall not consider to have vacated or abandoned the Leased Premises for reasons beyond its control (casualty, strikes, and acts of God).

17. SIGNS AND ADVERTISING MATERIALS

- A. The Tenant recognizes that there are signage restrictions for the demised area. All proposed signage, whether affixed to the building or window-type display signs, must be submitted and approved by the City of Davenport prior to installation. The Tenant shall submit its signage plan to the Landlord for review and approval.

18. EXTERIOR LIGHTING

- A. The Tenant shall not install any exterior lighting on the Leased Premises unless and until the Landlord has approved, in writing, the design, type, kind, and location of the lighting to be installed.

19. UTILITIES

- A. The Tenant shall provide and be responsible for payment of all charges for water, gas, heat, air conditioning, electricity, and sewer for the Leased Premises. The Tenant shall pay all charges for telephone and internet service, trash, garbage, and rubbish removal used by the Tenant. The Tenant shall pay any security deposit or connection charges required by any utility company to furnish service. In the event that one or more such utilities or related services shall be supplied to the Leased Premises and to one or more other tenants within the Union Station complex without being individually metered or measured to the Premises, Tenant's proportionate share shall be paid as additional rent as determined by the Landlord based upon their estimate of the Tenant's anticipated usage. The Landlord shall provide and maintain the necessary mains, conduits, wires, and cables to bring water, electricity, gas, and other utilities to the Leased Premises.

20. ENTRY AND INSPECTION

- A. The Tenant shall permit the Landlord and the Landlord's agents to enter into and upon the Leased Premises at all reasonable times, acceptable to the Tenant, to inspect the same or for the purpose of maintaining the building in which said Leased Premises are situated, or to make repairs, alterations, or additions to any other portion of said building. If the Tenant notifies Landlord that it does not intend to exercise any renewal option, the Landlord shall have the right to advertise and show the property to prospective users of the

Leased Premises during the final ninety (90) days of the initial Lease term or any option renewal.

21. DAMAGE AND DESTRUCTION OF LEASED PREMISES

- A. At its cost and expense, the Landlord agrees to maintain the roof, walls, and foundation of the Leased Premises and building in reasonably good order and condition and to make all necessary repairs and replacements in and to the building, including the building flood protection system. If the Landlord fails to perform obligations under this Lease, which creates a condition that interferes substantially with regular use, the Tenant is compelled to discontinue business in the Leased Premises in whole or in part; the rental shall be proportionally abated. If the Landlord defaults for more than thirty (30) days after written notice by the Tenant, the Tenant shall have the right but not be obligated to remedy such default. All such sums expended, or obligations incurred by the Tenant in connection with the foregoing shall be paid by the Landlord to the Tenant upon demand. If the Landlord fails to reimburse the Tenant, the Tenant may, in addition to any other right or remedy it may have, deduct such amount from the next month's rent or rentals.

- B. In the event of destruction of the Leased Premises or the building containing the same during the said term, which requires repairs to either said Leased Premises or said building, or is declared to be unfit for occupancy by any authorized public authority for any reason other than the Tenant's act, use, or occupation, which declaration requires repairs provided the Tenant gives to the Landlord written notice of the necessity therefore. If those repairs are not, or cannot be, completed within thirty (30) days of said notice, then the Tenant may, at its option, cancel this Lease. However, suppose the Tenant does not desire to cancel the Lease. In that case, rent shall be abated for the period during which those repairs are made, and the Tenant is compelled to discontinue business on the Leased Premises. Further, in the event of flooding, rent shall be abated during that period when the Leased premises are declared to be unfit for occupancy by any authorized public authority.

22. ASSIGNMENT AND SUBLETTING

- A. The Tenant shall not assign this Lease, or any interest therein, and shall not sublet the Leased Premises or any part thereof, or any right or privilege appurtenant thereto, or permit any other person (the agent and servants of the Tenant excepted) to occupy or use the Leased Premises, or any portion thereof without first obtaining the written consent of the Landlord, which shall not be unreasonably withheld. Consent by the Landlord to one assignment, subletting, occupation, or use by another person shall not be deemed a consent to any subsequent assignment, subletting, occupation, or use by another person. Consent to an assignment shall not release the original named Tenant from liability that accrued or occurred prior to the date of assignment. If the Landlord does not release the Tenant from liability, the Landlord shall give the Tenant notice of defaults by the assignee and an opportunity to cure the same. Any assignment or subletting without the

Landlord's prior written consent shall be void and shall, at the option of the Landlord, terminate this Lease. Neither this Lease nor any interest therein shall be assignable to the Tenant's interest by operation of law without the Landlord's prior written consent. The Landlord shall give the Tenant previous notice of the assignment of this Lease and any interest of the Landlord therein.

23. DEFAULT, RE-ENTRY REMEDIES

- A. If the Tenant shall fail to pay any part of the rent herein provided, or any other sum required by this Lease to be paid to the Landlord at times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed, and such failure to perform other covenants shall continue for thirty (30) days after written notice thereof from the Landlord to the Tenant, then the Landlord, besides other rights or remedies it may have, shall have the immediate right of re-entry and may remove all persons and property from the Leased Premises without liability to any person for damages sustained because of such removal. Such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of the Tenant.

24. DEFAULT, COSTS, AND ATTORNEY FEES

- A. If the Tenant shall fail to pay any part of the rent herein provided, or any other sum required by this Lease to be paid to the Landlord at times or in the manner provided, or if default shall be made in any of the other covenants or conditions on its part agreed to be performed, then the Tenant shall be responsible for payment of all reasonable costs and attorney fees of the Landlord that result from the Landlord pursuing its rights and remedies.

25. SALE OF LEASED PREMISES BY LANDLORD

- A. In the event of any sale of the Leased Premises or assignment of this Lease by the Landlord, the Landlord shall give the Tenant prior notice of any such sale or assignment. The Landlord shall be relieved of liability under the Lease only if the new Landlord agrees to the Lease and not to disturb the Tenant.

26. REIMBURSEMENT

- A. All covenants and terms herein contained to be performed by the Tenant shall be performed by the Tenant at its expense, and if the Landlord shall pay any sum of funds or do any act which requires the payment of money because of the failure, neglect, or refusal of the Tenant to perform such covenant or term, the sum or sums of money so paid by the Landlord shall be considered as additional rent and shall be payable by the Tenant to the Landlord on the first of the month next succeeding such payment, together with interest at the maximum rate permitted by law from the date of payment.

- B. All covenants and terms herein contained to be performed by the Landlord shall be performed by the Landlord at its expense, and if the Tenant shall pay any sum of funds or do any act which requires the payment of money because of the failure, neglect, or refusal of the Landlord to perform such covenant or term after written notice by the Tenant, the sum or sums of the money so paid by the Tenant shall be considered as rental and shall be deducted by the Tenant from the rent on the first of the month next succeeding such payment.

27. WAIVER

- A. No covenant, term, or condition of this Lease shall be waived except by written waiver of the Landlord. The Landlord's forbearance or indulgence shall not constitute a waiver of the covenant, term, or condition to be performed by the Tenant to which the same shall apply. Until complete performance by it of such covenant, term, or condition, the Landlord shall be entitled to invoke any remedy available under this Lease or by law despite such forbearance or indulgence. The waiver by the Landlord of any breach or term, covenant, or condition hereof shall apply to, and be limited to, the specific instance involved and shall not be deemed to apply to any other instance or any subsequent breach of the same or any other term, covenant, or condition.

28. SUCCESSORS IN INTEREST

- A. The covenants herein contained shall, subject to the provisions as to assignment, subletting, and sale of Leased Premises, apply to and bind the heirs, successors, executors, administrators, and assigns of all the parties hereto, and all the parties shall be jointly and severally liable hereunder.

29. PARTIAL INVALIDITY

- A. Suppose any term, covenant, condition, or provision of this Lease is held by a court of competent jurisdiction to be invalid, void, or unenforceable. The remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

30. TIME

- A. Time is of the essence in the performance of any obligations under this Lease.

31. EMINENT DOMAIN

- A. If the whole of the Leased Premises is acquired or condemned by eminent domain for any public or quasi-public use or purpose, then the term of this Lease shall cease and terminate as of the date of title vesting in such proceeding. All rentals shall be paid up to that date, and the Tenant shall

have no claim against the Landlord for the value of any unexpired term of this Lease.

- B. If any part of the Leased Premises shall be acquired or condemned by eminent domain or public or quasi-public use or purpose, and in the event that such partial taking or condemnation shall render the Leased Premises unsuitable for the business of the Tenant, which shall be at the Tenant's reasonable discretion, then the term of this Lease shall cease and terminate as of the date of title vesting in such proceeding and the Tenant shall have no claim against the Landlord for the value of any unexpired term of this Lease. If the Tenant determines the Leased Premises are not suitable, then it shall be relieved from further obligation of this Lease.
- C. In the event of any condemnation or taking as hereinbefore provided, whether whole or partial, the Landlord and Tenant shall each be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to its respective interests in any condemnation proceeding.
- D. Nothing herein shall be construed to preclude the Tenant from prosecuting any claim directly against the condemning authority in such condemnation proceedings for loss of business or depreciation to, damage to, or cost of removal of, or for value of stock, trade fixtures, furniture, or other personal property belonging to the Tenant.

32. MISCELLANEOUS

- A. The Landlord shall be responsible for and pay for all snow removal, exterior landscaping, and all other exterior maintenance of the building and public areas surrounding the Leased Premises. The Tenant shall remove snow from the wooden deck on the south side of the building and clean the interior and exterior windows of the Leased Premises.
- B. The Tenant is hereby provided the exclusive use of the space agreed to on the second floor of the Union Station building.
- C. The Tenant is responsible for obtaining and renewing all licenses and permits necessary for its operation and shall comply with all Federal, State, or local rules and regulations applicable to its operation.

33. GENERAL

- A. This Lease shall be construed under the laws of the State of Iowa.
- B. This Lease and any exhibits attached hereto set forth all the covenants, promises, agreements, conditions, or undertakings, either oral or written, between the Landlord and Tenant. Unless otherwise provided, no subsequent alteration, amendment, change, or addition to this Lease shall be binding upon the Landlord or Tenant unless reduced to writing and signed by both parties.

- C. If the Landlord or Tenant herein shall be more than one party, then the obligations of such party or parties shall be joint and several.
- D. The Landlord and Tenant acknowledge reliance on their own judgment, advice, and counsel of their own attorneys in interpreting this Agreement and not in any manner on the other party.

IN WITNESS WHEREOF, the parties hereto have duly executed this lease in duplicate the day and year above.
